## PLAUDITS

President-elect Jack Butler, in his versatile style, presented the program for Fred Haley by bringing us Herb Bennett, a retired R.A.F. officer and former translator/interrogator of World War II and, believe it or not, a pilot in World War I. Very interesting!

## NEXT WEEK

Members and their ladies will meet next Tuesday at 7:30p.m. at the social hall of the Federated Church to enjoy their 54th annual installation of officers. Tickets will be available at the door for those who have not yet had a chance to buy them. Let's all make this a gala night for President Jack and his new crew.

## ROUND TABLE

For the strays that can't be with us for the installation a round table will be held at noon at the regular meeting place.

## LT. GOV. INSTALLED

Last Saturday at Los Robles Lodge our new Lt. Governor, Gary Klatt, was properly installed. Jack Butler, Walt Wright, and Ted Kellogg attended from the Healdsburg club.

Everything has been thought of before, but the difficulty is to think of it again.

## THE NEW CLUB ADMINISTRATION

will get off to a flying start full of enthusiasm, trust and hope. Unfortunately the bulletin staff won't do likewise. The editor for October and November announced Friday he is quitting the club so this will be the usual no news edition, prepared by an uninformed editor.

## RUMOR HAS IT

Fred Haley has arranged a program, which will remain a mystery in as much as Fred is out of town and might be back Tuesday. In any event come to the meeting expecting either a surprise or non-surprise, you won't be disappointed.

## THE INSTALLATION

was the outstanding event of the year. Ken conducted the meeting in his usual efficient manner. He was formally retired from office by Past Lt. Governor Jim. Jack and his 1977-78 corps of officers were installed by our own Past Lt. Governor Walt. Walt is a veteran at this task and has worked up a ceremony that rivals any in Kiwanis. Mention must also be made of the elegant table decorations for which Gertrude Young was responsible. They were admired by all. Jerry and Mildred are also to be thanked for arranging an entertaining vocal program, featuring, solo, duet, group and community singing. Put everyone in the Kiwanis Spirit.

## THE BULLETIN

for the remainder of the month will be edited by Ed Langhart and anything he produces will be an improvement over this mess.

## FLASH!!!!

Kiwanis Program for Oct. 11, 1977, will be Harry Bain from Union Oil, geothermo division talking on Geyser Development.

## PROGRAM FROM THE KILOWATT KID

Vice President Haley led off this year's programs by introducing Harry O. Bain, public affairs representative of Union Oil Co., who spoke of their venture, with P.G. & E., into the field of geothermal power. He likened P.G. & E. to the gray-haired member we know who is short of energy, troubled with gas, and journeys to the Geysers for the benefit of the vapors. Warren Smith of the P.G. & E. geothermal division stood by to monitor Harry's fine slide show of activity at the Geysers.

## NEXT WEEK

Immediate Past President Ken will bring us Fred Strong, Executive Secretary of the Sonoma County Alliance.

## WELCOME TO GENE

Stepping out toward President Jack's goal of ten new members, Ken G. and Ken H. inducted Gene Perkins, manager of the Crocker National Bank. Gene's reminder that "everyone's got to pull an oar" makes good sense to all Kiwanians.

## KEY CLUB

Wood Frampton introduced Gordon Langford, High School reading specialist, who will be coordinator for the H.H.S. Key Club, replacing Bill Stiles who has handled this important assignment for the past many years. Let's support our Key Club this year by showing a real interest in their organization activities.

KIWANIS CLUB  
October 25, 1977

**LAST WEEK:**

Fred Strong made us more aware of the expanding role of government in our daily life. He and his firm administer the Sonoma County Alliance in an effort to curtail this government intervention. Thanks to Past Prexy Ken.

**THIS WEEK'S PROGRAM:**

Will prove to be equally good. Big Bad Don has arranged a program, which will remain a mystery, but you can rest assured it will be of great interest.

**TAKE NOTE:**

At the bottom of this page you will find the new committees that will work with Pres. Jack this year. Officers and members, up-to-date, are found on the reverse side.

**KEY CLUB:**

Bob Malone introduced Paul House and Barry Hollis, visiting members from the Key Club, at our last meeting. He announced they had just held their first meeting that morning and that plans for an active year were laid out.

**KIWANIS BOOTH:**

Pres. Jack reported on the success of the blood pressure Van at the recent Hoedown. What better way to render a public service in line with Kiwanis objectives.

**STRAY BELL:**

A beat-up bell has been found by Pres. Jack and unless claimed earlier will be auctioned off next week. The brass alone is worth \$5. The owners may be looking in the "Lost and Found" but they would do better to read this sheet.

"I think my wife and I have finally achieved sexual compatability. Last night we both had a headache."
