THIS WEEK'S PROGRAM -

The meat of this week's program will be wrapped up in a report on the recent convention attended by President Gerry and Vice President Jerry. Our president hasn't returned from the convention yet, so we assume he has compiled a mighty report which he will give us today. There is also a promise that we will have some entertainment sandwiched in with the program.

NEXT WEEK'S PROGRAM -

A very special speaker has been engaged for this program and Rev. Paul from the Support of Churches committee will be the chairman for the day.

.....

BOARD OF DIRECTORS NOTES

Saturday, November 4th has been calendared for charter night with the ladies and all the trimmings. It is scheduled for the Villa.

It has been decided to provide special awards for those with perfect attendance. Attendance has been lagging of late. Those with make-up problems are reminded that the Key Club meets twice a month on a regular schedule and these meetings count as make-ups when attended.

c0o

Along the K T-R-A-I-L: An over-flow crowd was in attendance at the Inter-Club at Geyserville on Thursday night where the food is always superb. Attending were Kiwanians Julian, Bud, Larry Gunnar, "Dunc" and Al. ..When last seen, Al didn't have the bell and gavel....
Lost -One K pin, front side only . . . Fran P had a wind-up last week that beat anything seen in the World Series
---good thing he delivered only a paper napkin.

THIS WEEK'S PROGRAM -

The Rev. Virgil R. Trout will be the featured speaker at the meeting today. His topic, "The Relationship Between Christianity and Science." The speaker is a member of the American Association for Advancement of Science, a member of the Victoria Institute of Great Britain, the Society for Scientific Studies of Religion and many other related organizations. He is minister of the Northside Church of Christ in Duncan, Oklahoma. Rev. Paul will be the Kiwanian-of-the-Day.

NEXT WEEK'S PROGRAM -

Some secrets are kept "under the hat" but since our VP doesn't have a hat, he is keeping it in an old -- you gessed it, - laundry bag.

Along the K T-R-A-I-L: . . . Tuesday the president is to call for an acceptance-rejection of the Charter Night proposal for Nov. 11th at the Villa. The dinner-dance to be Ladies Night & the cost up to \$6.00. Guests are invited and it will be necessary to have some 90 people to make it a success...Have an answer Tuesday..... Officers of the energetic Key Club at high school are Bruce Campbell, president; Dave Nelson vice president; Cecil George, treasurer; and Dave Jones, sergeant-at-arms. Plan to be in attendance at one of their meetings..... Congratulations are due the K bowlers who brought back a total of \$846.70 in prize money for their winnings at the state tourney.. Prexy Miller pocketed \$178 for 22nd place, and Hodges and Brannen got a bagful at \$350. The Able team won \$157.50. Others tucking some winnings in their skinny jeans included Bruno, Larry, and Virg.... Men everywhere should reclaim the idea of volunteer service -- was one of the messages Jerry brought to us from the last convention.

THIS WEEK'S PROGRAM -

This will be an opportunity to come and see and hear a real winner. When their determination is set on the scales at 100%, they sometimes come rather young!

NEXT WEEK'S PROGRAM -

Author and authority on ships' bells, Lt. Irl Beall will be the speaker.

oOoOo

Along the K T-R-A-I-L: . . . Kiwanian Roy Halley is in the hospital in Santa Rosa. At last report -doing well -we all join in wishing him a speedy recovery.. . . .The big date to mark on your calendar is Nov. 11, for Charter Night and ladies night at the Villa! . . . Plan your schedule so you can be there! Rev. Trout pointed out we should have respect for time . . . time is about all some of us have to show the tax collector. If a meeting slipped by you, now is a good time to plan to make it up -- we need that 100% month right now -to make up for our past sins. One good way to save face is to keep the lower half shut!

-- thought for the week --

"Our foes cannot estimate the spirit of our people which, in my humble opinion, comes basically from our spiritual strength. Yet these same individuals know this spirit must be broken if we are to fall prey to their propaganda line. We must not let it be broken. We must, therefore, be as willing to work and pray as hard for a peaceful world, during these coming days, as we would be willing to struggle to build a successful conclusion to an all-out shooting war."

(Kenneth B. Loheed, president, '58-'59)

A SPOOKY HALLOWE'EN TO YOU TOO! OCT. 31, 1967

THIS WEEK'S PROGRAM -

We are fortunate to have in our city, Lt. Commander Irl V. Beall (Retired) who has some literary claim to fame in addition to his other accomplishments. He is an authority on ships' bells and will weave his presentation to us around this subject. Cmdr. Beall now makes his home on Brown Street in our city.

oOo

Along the K T R A I L: . . . There is no advance information on whether ghosts, goblins, witches, or just plain spooks will visit us at lunch today - but bring a couple of tranquilizers just in case the Halloween antics get too much "out of this world!" Make sure you have already made a date with the little lady in your house for Charter Night-Ladies Night at the Villa on Nov. 11th Time to take inventory on your attendance this month -we need 100% this month! . . .Remember -you can make the difference! . . . Shades to come --- A robot walked into a self-service cafeteria one day. He jerked up to the coffee machine and put in a dime. He got his drink, sipped it down, looked at the machine and exclaimed, "Honey, you sure make a good cup of coffee." (BL)

THOUGHT FOR THE WEEK

we
Never yet have/rested, nor shall we now rest, upon the investments of the past. The past is spent. This day you and I stand in the living present. Memory fades behind. Only courage, hope, and determination reach ahead. Then, let you and me join our deeds with this, our prayer: "Long may our land be bright with freedom's holy light; protect us by thy might, Great God, our King." (Albert J. Tully, president, 1959-60)
