Nov. 3

LAST WEEK'S PROGRAM-Chairman Karl Esposti gave us Supervisor Nick Esposti as our Speaker. Our Supervisor did a first rate job in convincing members to vote "yes" on Measure "A" on next Tuesday's ballot. Healdsburg will not suffer should this measure pass. The City's future is not affected by this bill as it is already set and 'course chartered' re the NCPA. Residents of the County will not suffer either. Actually the measure passes on the increased costs to our county to all other counties benefiting directly from the geothermal energies developed and produced here--costs of new roads, repairs to and maintenance of existing roads, increased police protection costs, etc. 50% of the revenues thus derived from the bill go to pay for such increased costs and 50% go to the 'General Fund' to reduce property taxes of County residents. In all this bill, which, our Supervisor initiated, would bring in 100 million dollars in additional revenues in a 30 year time span. Supervisor Nick urges us all to get out and vote and to vote 'yes' on proposition "A".

BOARD MEETING- Wednesday, Nov 4th @ 7:30 P.M. @ Mike Warren's

NEXT MEETING-Bud Christensen will solicit names and money for the "Annual Christmas card" which appears in our local newspaper. Get your names on this Community Christmas Card". Contributions go to "American Field Service" and your checks should be so inscribed.

RAFFLE-It finally happened and six (6) bottles of our County's best wines went to the lucky winners-Edgar, Nelson, Ralph (2 bottles), Nils and Walt St. Clair were the winners in question.

BIRTHDAYS-Two (2) John Brandt and "two bottle" Ralph Kauer were honored! [For a price]

GOLF TROPHY-"Came out of the Blue"--now "safely" with Father Culligan for safe keeping!

PRESIDENT DICK allowed Bill Ferguson to auction off an "Animal Crockers" shirt in lieu of paying a fine--Club now \$5.00 richer--yours Truly the proud possessor.

DUES- Increased to \$58.00 per quarter starting Jan. 1st-by action of the membership.

JIM GENTRY-Reported action of "Social Committee"-many gala affairs' are in the offering for members, their wives and their guests.

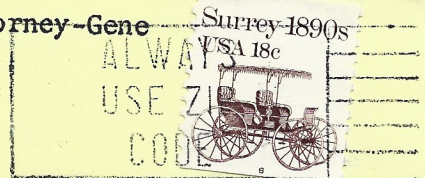

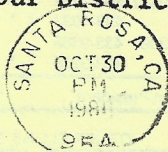

Members, by order of the President contributed some \$64.00 plus to "James Paul Gentry's" new Bank Account. James Paul is the brand new son of our Jim. His wife Louise just presented him with this "bouncing baby boy"!!!

PRESIDENT DICK, emulating our Edgar, started fining in a big way-hit late comers, all in attendance not displaying Kiwanis lapel buttons and all at the end table who were currently "retired". Out of some 40 at the table only 3 or 4 were employed--what would we do without those Social Security checks?

OUR NEXT PROGRAM-Phil Rice will present us with our District Attorney-Gene

PROGRAM:

In the absence of Gene Tunney, program Chairman Phil Rice presented assistant District Attorney Mike Mullins, who gave an explicit and informative account of recently passed legislation. Heading the list of the new laws was tougher penalties for the drunk driver. This change was well overdue. He also talked on parole violations, child molestation, shop lifting, insufficient funds and the need for more jails and prisons, to name a few. It was an informative presentation.

TODAY'S PROGRAM:

Heading today's "after lunch festivities" will be program chairman Jack Brandt who will present Michael Vail, Program Co ordinator for Solar Energy Sales, Inc. The title of his talk is "Solar Energy, Dollars and Cents." Sounds good Jack!

Bud Christensen and Clarence Ruonaraara are now collecting for the community Xmas card. This is an annual Xmas card which appears in our local newspaper at Xmas time. Get your name on this grand card which benefits our local American Field Service.

GUESTS:

Ray Blatt (Good to see Ray back) introduced as his guest John Gervin, president of one of the three Rotary Clubs of Santa Rosa. Dave Hinton had as his guest Santa Rosa Attorney Bob Crawford.

BANK OF AMERICA COMMERCIAL:

Through the courtesy of the Bank of America, prexy Dick Saxton presented the entire membership with pocket date books. But, he was immediately accused of advertising by his fellow kiwanians and had to cough up a few quarters.

JIM GENTRY MATCHES BABY FUND:

The stork paid Jim and Louise a visit a few weeks ago and in keeping with the custom of our club Jim had to match \$138.00 collected from the members. President Dick scrutinized Jim's checkbook and declared Jim had done his job. Young Gentry can now face the world with a \$276.00 bank account.

TODAY'S PROGRAM:

John Brandt gave us Mr. Michael Vail as our speaker. Using slides Mr. Vail illustrated the soaring costs of present energy sources--by the year 2000, gasoline would be in excess of \$11.00 per gallon and gas and electric bills could possibly exceed \$3000 yearly for the average consumer of the same. Needs be, we must seek a more plentiful supply of energy and a far less expensive one--what better than solar energy? Here, we have an inexhaustible supply of power--"the trick" is to harness the same on an inexpensive basis making such energy available and affordable to everyone. Some new homes have solar heating throughout--very expensive. The cost to place this in older homes is almost prohibitive at present, but Vail claims hot water solar heating, with government tax credits, is within everyones reach and worth the cost.

NEXT WEEK:

Bill Fleager will introduce Bob Claussen (Pac. Tel & Tel) who will tell us all about long distance calls and long distance communication satelites.

V.P. GLEN was in charge today and got 2 "late comers", Ray Blatt, Bob Young, the "center table", Ed Deas and Wayne Cochran. The fines were relatively light, however.

ALLEN OWEN paid the usual for his birthday song. "The Gold Dust Twins" were in Charge of the singing, Orin on guitar and Tully as song leader.

Dec. 6th is last day to sign up for "Community Christmas Card" according to Clarence Ruonavaara.

THELMA FRY was honored by all--she is a new grandmother.

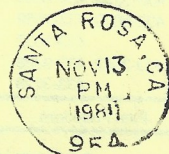

WAYNE COCHRAN IS TWICE A GRANDFATHER -- TWINS!!

JOHN COCHENNETTE Conducted another raffle-wine to Ray Blatt, Jim Clarke, Jim Silveria and Fran Branern.

FRAN gave us a report of the last Board Meeting- Paul Dix received a "leave of sence" -Flags. given to Girl Scouts and monies to "Healdsburg Schools Science Fair."

PHIL RICE signed up a good number of members for our interclub with Downtown Santa Rosa @ Los Robles this Thursday and some ten or twelve for next Tuesday to meet with our Key Club @ 10:15 A.M. On Nov. 24th there will be a trip to Sebastopol--bring golf clubs-- Contact PHIL!

TODAY'S PROGRAM - Chairman Bill Fleager presented Bob Claussen of Pacific Telephone & Telegraph as our Speaker. Claussen, an engineer is employed by "Ma Bell's" Sacramento Office and illustrated his comments with excellent slides. Claussen's presentation was a history of communications - from Morse, Field and Bell to the present day refinements and advancements of their history making achievements. From a cost of \$75.00 in 1927 for a call overseas, the same call now costs \$3.60 -now well within anyone's reach. We still have 6 cables across the Atlantic - 2 across the Pacific and one in the Indian Ocean. In addition to these calls are going Via satellites. It will be many years before cables are replaced. The Space Shuttle Program will greatly influence the time it takes.

NEXT WEEK: Bill Hayes will be in charge of a Thanksgiving Program.

December 1st is the last day to enroll on the American Field Service Community Christmas Card--see Bud Christenson!!

December 1st is also an Inter-Club at Sebastopol. Golf for those so inclined--contact Phil Rice!

Birthdays--Bill Hayes donated the usual.

Cliff Ruonavaara introduced Miss STACEY DOWDALL who was representing the American Field Service. Stacey, Healdsburg High Senior, was an exchange student to Barbados last summer. She is of the opinion that this program is most rewarding to all involved.

Pres. Dick announced a special Board meeting at B of A @ 4:30 P.M. on November 23rd. He fined 5 "late comers", 20 who did not sign aprons, and Phil Rice, Tully & Orin & Edgar. Dick fined and fled, leaving V.P. GLEN in charge.
