FUTURE PROGRAMS

TODAY - December 14, 1993 - Mildred "Millie" Howie will be our guest speaker. She is a prominent writer, specializing in the wine growing and wine production in Sonoma County. Millie is also responsible for much of the good publicity our area receives regarding our different activities.

December 21, 1993 - Philip Arron - Our Lt. Governor will visit our club. It is our chance to find out what is new in the world of Kiwanis. It may also be a good time to put your hat in the ring for his position. President Ted said that they are looking for a candidate.

December 28, 1993 - Call Steve Tice and tell him what program you would like to have this day. How about a white elephant gift exchange?

January 4, 1994 - Steve also needs help with this program. If you have a suggestion give him a call.

January 11, 1994 - Mike Tolmasoff will bring us a program on *AIR POLLUTION*. The Air Pollution Control District may have new requirements that effect us all. Don't miss it.

LAST WEEKS MEETING

MERRY CHRISTMAS

The Annual Christmas Dinner Meeting was a very festive event with good food, good entertainment, and the best company. The hall was beautifully decorated by our experts Evelyn Iversen, Donna Young, and Lindsay Brandt. Pat Cook prepared an excellent dinner that all enjoyed. Al Rochester arranged for the Healdsburg Community Chorus to entertain us and their program was terrific. Two of our members, Wayne Carr and Steve Tice are in the Chorus but that didn't seem to hurt it.

We had several guests. Reverend and Mrs. Ray Baskin had visitors from Mrs. Baskin's home town in China, Dr Xue Zhang Zhou and his wife Dr Hui Ci Li.

Marion Penry was the guest of Bob Young; Evelyn Iversen was the guest of Neil Iversen; Mike McConnell broght his father Ed McConnell. Welcome all!

December 28, 1993 - Because of the busy holiday activities, our regular meeting will not be held. We will have a "roundtable" at the regular time for those members needing a make up.

January 4, 1994 - Steve also needs help with this program. If you have a suggestion give him a call.

January 11, 1994 - Mike Tolmasoff will bring us a program on *AIR POLLUTION*. The Air Pollution Control District may have new requirements that effect us all. Don't miss it.

January 18, 1994 - Neil Iverson will bring us a program on the current activities of our Boy Scout troop. The troop may be looking for some help soon in the building of their new Scout Hut.

January 25, 1994 - Ron Smith is going to talk to us about *Dinosaurs!*

LAST WEEKS MEETING

Clarence Ruonavaara announced that he has raised over \$1000.00 for the American Field Service. This is a worthy activity that has been spearheaded by Clarence, and supported by the Club for many years.

A "Get Well Card" was circulated for signatures for Ruth Albini, one of our faithful servers, who hurt herself while decorating for Christmas. We all hope to see her back soon!

Rick Alves brought a guest known to many of us (not professionally, of course), Detective Steve Bouchard. Welcome Steve and come back soon.

Our Key Club is looking for a service project. If you have any suggestions please contact Lee Gunnerson.

Ray Baskin's prayer was answered and he won the Lotto. The trouble was that he did not pray hard enough to win more than the consolation prize.

At the last Board Meeting, Father Devereaux was given a leave of absence to coincide with his sabbatical from the Church.

The board is studying means to assist with the benches at the Foss Creek School garden project.

Our program was, the well known writer, public relations expert, Millie Howie. Millie is also a founder of the Sonoma County Wine Road and the Wine Library. A fourth generation Californian who was born and raised in San Francisco. She started out in radio, publicizing many different products. Over the years her emphasis turned to the food industry and then wine. When she helped start the Wine Road there were only nine wineries involved and now they have fifty six and thirty eight affiliate members. When questioned about her favorite wine she mentioned lots of wines of which I have never heard. Millie gave a very enjoyable program.
