Dennis Campos will be wielding the gavel today as our program chairman. Dennis reports that his "Big Boss", from Goodyear Tire Co, Mr. Roger Damorrel will be his speaker to tell and show us about this great industry.

Don Head's resume of the proposed County Construction Projects for the coming year around Healdsburg were of real interest. When completed, all will help to improve our Community and surroundings.

How about that! Elmer's rooster (Our Mascot) has "Flew the Coup"! I'll bet Geyserville has shackled him up with a little chick of their own. Time will tell what this combination will bring back to our Club?

Our "BABY" Gavel (all 150 lbs of it) was presented with much dignity and authority to Hank Spomer as he was installed Chairman of the Board of Supervisors, Monday. Thanks, Elmer, for a job well done!

Program Chairmen for the month of January are: 11th, V. Branch. 18th, F. Turpin. 25th, B. Rodella.

The Board of Directors meets tonight at the home of L. Decker, 621 Coghlin Rd. A good chance for YOU to make up YOUR missed meeting!

Lt. Gov. Jerry lists below his month of Feb. official visits throughout our Division: Feb 1, Cloverdale (nite); Feb. 8, Ft. Bragg (noon); Feb. 9, Santa Rosa Sbr, (noon) Feb. 10, Red. Empire (A.M.); Feb. 15, Petaluma (noon); Feb. 15, Sonoma (nite); Feb. 16, Willits (nite); Feb. 17, Geyserville (noon); Feb. 22, Ukiah (noon); Feb. 23, Sebastopol (noon); Feb. 24, Santa Rosa (noon); Feb. 29, Healdsburg. How about an interclub with each of these Clubs on these dates? Jerry would surely appreciate it.

Have you got your tickets for the Chamber of Commerces' Annual Dinner, Jan 15 yet? We have four members serving on their Bd. of Dir. A good speaker has been engaged and a great evening promised at the Villa Chanteclair.

JANUARY 11, 1972

Today's chairman will be Vern Branch. His speaker will be---(I just phoned him and he has not yet heard from his invited guest)---However, Vern promises us a good program even if he has to introduce himself as speaker.

Last Tuesday's "stranger-in-cur-midst", wielding the chairman's gavel, turned out to be our good member, Dennis Campos, who introduced Mr. Roger Dammarrel of the Goodyear Tire and Rubber Company. Both his talk and movie about Goodyear tires was interesting to us all.

After disposing of routine business, the Board of Directors in their meeting last Tuesday, sponsored the Healdsburg Explorer Scouts. Dr. Conklin has two boys in this group and Fred Haley has one. The Explorers meet on the first and third Mondays in the Scout Club-house. They would welcome your visit.

On the right-hand side of the attendance board--have you not noticed the considerable number of blank squares after our names? How about a New Year's Resolution--at least three marks for attendance at Inter-clubs. Jerry Miller is visiting eleven Clubs during February and would enjoy some company. Think how we could decorate the head table, "Mascots"!!!!

# WE BUILD

Published Weekly by the Kiwanis Club of Healdsburg

JANUARY 18, 1972

Today's program chairman will be Frank Turpin. His guest speaker is a Special Agent of the San Francisco Office of the Federal Bureau of Investigation. Frank assures us this will be an outstanding program.

Kiwanis local talent scores again!!! Last week, Ed Burke gave a masterful presentation of the "Simplified???" Federal Income Tax Forms for 1971. He quoted from the opening message that nearly 30 million taxpayers can prepare their own tax returns. However, Ed pointed out that there are a number of schedules mentioned in the form that are not included and are hard to obtain. It would seem very doubtful if any of us could be included in the 30 million taxpayers. Thanks, Vern, for discovering Ed's talent.

It was nice to have, as guests, 4 Key Clubbers and 5 members from the Redwood Empire Kiwanis Club of Santa Rosa, even if we have temporarily lost our "Mascot". Fred Haley--do your "thing" to bring it back soon.

Bruno will be back at the head table today - as program chairman. He will introduce Mr. Lee Geisenhofer, Special Representative of the Pacific Gas and Electric Company, from Santa Rosa; who will bring us up-to-date on the Geothermal development at the Geysers and illustrate his talk with a film. Today's speaker should maintain the high caliber of our weekly programs.

As predicted, Frank Turpin provided us with an outstanding program last week. Special Agent, Mr. Tom Duggan, of the San Francisco FBI office, both appaled us with his facts about criminal activities and pleased us with the results of specialized methods of criminal prevention and detection.

Lieutenant-Governor Gerry would like some traveling companions for nay of his ll official visits to Kiwanis Clubs in our District. He issues a special invitation to Kiwanians to accompany him Saturday, February 19th, to the Mid-winter Conference in Sacramento. Attendance at all conferences and convetions qualify as "make-up" meetings.
