NAPPY YEW HEAR (Hic, Hic!!) Ray's typewriter is still celebrating the New Year festivities. The tickeling, tinkling, tingling goings on in the press-room might prove to be a good newsyear as the last. The pounding on the door of volunteers to do the bulletin for one month is deafening. In fact, there were so many, a sign has been put up saying, "Volunteers By Appointment Only." Knowing our club members are very good Kiwanians...they won't mind a few voluntary appointments by the President. The line forms to the right!

BIRTHDAY KIDDOO'S to celso Roales. Many happy returns on a \$fine\$ day.

PROGRAM INDEX - Jan 15 - Frank Turpin	Feb. 5 - Frank Balbi
22 - Robert Allen	12 - Neil Iversen
29 - Gary Rosenberg	19 - Nada Asyet

TODAY'S PROGRAM will be chaired by Frank Turpin. His guest speaker will be Dr. Joe Tenn, Sonoma State College at Cotati. His topic will be on the current events concerning the 'comet', Kohteks.

SECOND QUARTER DUES are now due. If you question the raise in the cost, remember the election last month? Well, it's up \$2.00 per quarter, \$8.00 per year. Also, questioned was the start of quarters. The 1st Quarter starts each year in October, the 2nd in January, 3rd in April and the 4th in July. This is the Kiwanian year.

VISITORS ROUNDTABLE - We were honored by an unofficial visit by our Lt. Governor, Max Gott, of Santa Rosa. We will receive him again soon on his annual visit.

LAST WEEK'S PROGRAM was chaired by Roger Christensen and in turn presented Steve Brodnanski from P.G.&E. Steve gave us a rundown on the 'energy crisis' as it affects his company. Several thought provoking questions were asked by the members and ably answered.

We had a few facts given too, such as: P.G.&E. services 48 counties, 9 million customers; maintain 65 Hydro-plants, 13 Thermal plants and 1 Nuclear plant.

The current so called shortage-of-oil will affect production of electricity. The company is calling upon volunteer and not demands that customers help alleviate unnecessary usage of products.

READER'S DIGEST January Calendar:

"To keep your marriage brimming,
 With love in the loving cup,
 Whenever You're wrong, admit it;
 Whenever you're right, shut up."

--- Ogden Nash

LAST WEEK'S PROGRAM, chaired by Frank Turpin had to be (as Bulletin Reporter, Bruno Rodella, says) one of the best for the new year.

"Progress always involves risks. You can't steal second base and keep your foot on first."

--- Frederick B. Wilcox

Frank introduced Dr. Joe Tenn, Calif. State College at Sonoma. He gave a fantastic discourse on the comet 'Kahoutec'. Even more fantastic was the talk on the solar system and the vastness of the galaxies.

When a friend asked his upper-bracket neighbor why he chose to live in their subdivision of modest homes, he replied, "You've heard of keeping up with the Joneses? Well, here, I'm Jones!"

--- D. K. Clark

VISITORS ROUNDTABLE: Inter-Club by Santa Rosa Suburbanites - don rainey, Sick Starr, Dave Slote, Gerry Olson, Jim Williams. Key Club President, Tom Grant and Vice Pres., Ron Rodella

BIRTHDAY KIDDOO'S went to Frank Balbi. Many happy returns of a \$fine\$ day.

PROGRAM INDEX: * Jan. 29 - Gary Rosenberg
 Feb. 5 - Frank Balbi

 19 - Nada Asyet la'Burke

LAST WEEK'S PROGRAM was a corker by Bob Allen with a well preserved program on old bottles. His guest speaker, Sam Cochran, brought along an array of old bottles and jars. Do you know what his hobby is? How, just how did you guess he was an outhouse-hound? He said that's where 85% of old bottles and jars are found....in abandoned-covered areas....many years unused!

What really made this program 'high', was the fact that he had the history of each bottle and its former contents. A lot of research goes into old newspaper files and ads, etc., to authenticate a story.

VISITORS ROUNDTABLE: Al Valette's guest of the club...."Joe Cox."

BIRTHDAY KIDDOO'S: Francis Passalacqua and Al Valette.

A Note from Hank Spomer

Fellas, the Warm Springs Dam Project is in real danger. Funding is going to be stopped if we don't do something quick.

So, if the area we live in (not counting other people), is to benefit by completion of the dam, we must counteract the proposals by the opposition.

Write immediately....so the letter, telegram, whatever, reaches the address not later than February 3rd.

Give your "pro" views....that favor the project. Tell 'em why you think it's important to you!

The address: Council on Environmental Quality
 722 Jackson Place, N.W.
 Washington, D. C. 20006

Do it now! Too little, too late, may decide the fate!
