THIS WEEK

Charles East has arranged to present a panel of High School personnel who will discuss some of the interesting and less well known programs of instruction conducted in Healdsburg's "think" Factories.

INAUGURATION DINNER

Last week's "hunch" regarding the time and place for the inauguration of new officers missed the target completely. It has been decided, Finally, that the dinner will be held in the Parrish Hall of St. Paul's Episcopal Church at 7:00 P.M.

MATTRESSES

If the BUILDER had facilities for reproducing photographs, we would certainly run a picture of Sid Grove drying mattresses for flood victims in his prune dehydrator. A large shipment of sodden mattresses has been brought to his plant from the Guerneville area.

KEY CLUB

Lee Silveira has been selected to represent Kiwanis at the Key Club Luncheon meeting next Thursday.

BOARD MEETING

The monthly board meeting will be held this evening at 8:00 P.M. at the home of Roy Doolan, 14795 Grove St. All members with complaints or propositions to offer, or with a natural desire to see if the directors they elected are really working, are cordially invited to attend.

January 10th, 1956.

THIS WEEK

We meet with our ladies tonight to install President Ted Kellogg, his 1956 officers and directors. The hour is seven and the Episcopal Church Guild Hall on Matheson Street is the place. We'll have a chance to inspect our future home, but napkin range estimation and target practice will probably be postponed until a later date.

A round table will be held at the usual time and place for those unable to find the Guild Hall.

ON THE BALL

The boys from the back alley finished the first half of league play Tuesday night with a resounding victory (3 out of 4) over R-Way Feed, Gerry Miller walking away with high game (182) and series (492) honors. The team, now in fourth place, will meet the second place McDonald Chevrolets Sunday afternoon so the three holer set can attend the Club's Installation and Ladies Night.

MIDWINTER CONFERENCE.

President Ted Kellogg and Vice-President Ed Nielsen are our delegates to the District Conference to be held at Stockton on Saturday, January 21st. If you would like to go along for the ride and the fun, see Ted soon for reservations.

KEY CLUB

Kiwanis will be represented at the Key Club meeting next Thursday by Elvin Jackson, the new Chairman of this Committee.

THIS WEEK

Ted takes the gavel for the first time today and Stan McNulty will start the New Year off with a bang, program-wise. You can bet he has an interesting program in store for us, but he's keeping the details to himself, "the better to surprise us with".

KIWANIS ANNIVERSARY WEEK: All Kiwanis Clubs in Canada and the U.S.A. are celebrating the 41st Anniversary of Kiwanis International during the week ending this Tuesday. Ed Nielsen has found a veteran Kiwanian who will give us a short talk on the past, present and future of this great enterprise. His name will be revealed after all members are seated.

1956 PROJECTS: Your new Board of Directors is concentrating on two projects to be undertaken this year, and neither is near a solution.

There are sufficient funds available to sponsor a new project, preferably for the benefit of boys and girls. Last year we accepted full responsibility for the finances of the Boys Club, banking their receipts, and issuing funds as needed. Since over 150 boys belong to this organization, the responsibility was formidable. However, this project turned out to be less of a burden than many of the Board expected, thanks to the close supervision of Boys Club finances exercised by Jack Wheeler and Ross McKechnie.

The other project is a fund raising event to replace the White Elephant Sale. A number of members have expressed the feeling that potential receipts no longer compensate for the work involved. We must net at least \$700 from our major fund raising project in order to carry on youth work in the style to which we are accustomed.

The member who provides the solution to either of these problems will earn the lasting gratitude of the Board, and a lifetime supply of Montana golf balls.

THURSDAY lunch with the KEY CLUB: Ernie Biasotti

THIS WEEK

Kiwanian TOM WINBURN and a group of his associates at The Pacific Telephone and Telegraph Company have planned a very interesting program which will show us the many uses being developed for transistors, the new metal devices that are replacing tubes in radios and other electronic equipment. Members of the Club will remember Tom as the man who told us about our local telephone service last year and explained what was being done to improve it. RAY WAINSCOTT has arranged the program.

NO TICKEE--NO WASHEE

Committee chairmen were to have their budget estimates for 1956 in the hands of HARRY BEHNEY, Finance Committee chairman by January 20th.

It now appears that the majority of these extraordinary chairmen are planning to foot the expenses of their projects out of their own pockets, thereby enriching Kiwanis and making possible a whole raft of new projects in the future.

If we have missjudged the intentions of any of these chairmen, may we suggest that they act now,...before it is too late.

KEY CLUB

Chairman ELVIN JACKSON has a unique way of introducing the members of his committee to the Key Club. Starting with Elvin, each member is attending a meeting and getting acquainted with the boys. Last week it was ERNIE BIASOTTI. This Thursday it will be BRENT AIKIN.

ATTENDANCE:

If you should be unable to attend a meeting this year, you will find many fine opportunities for a make-up listed below. We have no problem members. The attendance problem is created by the many fine Kiwanians who miss a meeting occasionally and forget to do anything about it.

The Builder

Published Weekly by the Kiwanis Club of Healdsburg, Calif.

JANUARY 31, 1956

THIS WEEK:

TOM HUFF, Senior Training Officer in Radiological Defense for the eight western states, will discuss Civil Defense and tell us how the organization participated in the recent flood relief operations. BILL AULT has arranged this timely program.

MIDWINTER CONFERENCE:

TED KELLOGG and Katherine drove down to Fresno on the 20th to attend the District Conference. Our other delegate, ED NIELSEN, joined them at Fresno. They will make a report to the Club as soon as they have recovered from the experience.

KIWANISANA:

Our Immediate Past President, CHUCK CAMPBELL, has taken a back seat as all good past presidents should. This has thrown him in the midst of Hecklers, Inc. and he is now rapidly emerging as Heckler-in-Chief. You can't keep a good man down.

BUILDER COMMITTEE:

The Builder Committee at present consists of IRA ROSENBERG, Chairman, ROY DOOLAN and Mrs. Dolores Gagliardo, Secretary. An unfortunate restriction in the by-laws makes Mrs. Gagliardo ineligible for membership in Kiwanis. However she has an essential roll in publishing the news and we are grateful for her help. Please contact any of the Committee if you have items for the Builder.

KEY CLUB:

EARL OSBORN will represent Kiwanis and the Key Club Committee at the luncheon next Thursday. He might convey the message that we missed the Key Club boys at our meeting last Tuesday.

FULL HOUSE:

Complete and official returns indicate that our attendance percentage is about as good as that famous floating soap is pure. This then will remind the following that they have make-ups this month.....
PHIL--JIM--HIC--ERNIE (both of them)--HAROLD, ED (Nielsen & Quinn)--
LOUIE (2)--CHUCK ACKLEY, BOB ALLEN (2)--CHARLES CASTLE--WALT MARSHALL--
ROY DOOLAN--BILL REYNOLDS--JACK MOUNTS.
