## THIS WEEK'S PROGRAM:

Personnel of the National Aeronautics and Space Administration have been tapped for the program today. Bob Malone arranged for the presentation and Dr. Frank Wilson will be the Kiwanian-of-the-Day.

Along the K T R A I L: . . . Our high school Key Club meets on January 19th at the school at 7:30 p.m. and Kiwanis members who attend may use the meeting for a make-up if needed. . . . We happy to learn K Russ is recuperating satisfactorily and we count the days when he can be with us again. Another one of our good members, "Fin" Frisch now spends most of his days in a super senior citizens' development at Walnut Creek but Healdsburg is still home. . . . Our new president made an auspicious start -didn't loose the gavel and bell during his first meeting. . . . we suspect . . . that among us are some who are revising their techniques and that the struggle has hardly begun. . . . even tho we don't measure the our progress by how many times the president loses the bell.

: : : THOUGHT FOR THE WEEK : : :

"From the top of a mountain nearly two thousand years ago, Christ warned mankind against being duped by the very menace which we face today. He said: "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves." (Matt: 7:15) No words could more accurately describe the purveyors of the evil philosophy we know as communism, and no words of warning are more urgently needed than at present."  
J. Edgar Hoover
