## THIS WEEK

Ray Burton of the General Petroleum Corporation - the man primarily responsible for setting up our local Junior Safety Economy Run - will be presented by the local "spark plug" of this forthcoming event, Roy Doolan. Both deserve resounding Kiwanis acclaim for their efforts in the interest of safe driving.

## INTERCLUB BASKETBALL

The Tournament will be held on February 11th and 12th at the Junior High School Gym. Kiwanis will compete with Rotary, Lions and 20-30 Clubs. Each team will play 2 games.

President Chuck is culling the roster for dribblers, hook and set shot artists to represent Kiwanis in this Tournament. Ed Quinn, the first volunteer, is receiving special consideration, but his place on the team is still in doubt.

Chuck says tryouts are unnecessary as he relies on the natural ability of the Kiwanis athletes to meet whatever competition the other Clubs can offer.

## JUNIOR SAFETY ECONOMY RUN

The cars were inspected last week at Healdsburg garages and weighed in at Clarence Wittke's Service Station. Observers will be briefed on their duties at a meeting to be held tonight at the American Legion Hall at 8 P.M. All Observers are asked to attend this meeting. The Run starts from Art Rounavaara's Service Station at 9 A.M. Saturday, February 5th.

## MONTHLY BOARD MEETINGS

The regular month-end meeting of the Board of Directors will be held tonight at the home of Walt Wright in Alexander Valley near the Goodyear Store. The time is 7:30 sharp. Members needing a make-up are promised a double portion of anything found in Walt's refrigerator.

## THIS WEEK

Our second Ladies Night of the year gets under way at seven-thirty Tuesday night. Marico's is the place for this dinner dance with an orchestra and special entertainment featured. A few tickets are still available and may be purchased at the door while the supply lasts. Those unable to get tickets may attend the Round Table Tuesday noon at the Legion Hall.

## BOY'S CLUB

At last Tuesday's meeting the Board of Directors voted \$500.00 to purchase a boxing mat for the Boys Club. The old mat was so badly worn that it had become dangerous to use.

## BUDGET

The Club budget this year will be the largest on record. The chief cause of the increase is the urgent need of the Boys Club for equipment and supplies. This Club, sponsored by Kiwanis, now has over 200 members. Fortunately, President Chuck has discerned several ingenious ways to raise the money. When the details have been worked out, the Builder will carry the story.

## KIWANIS BASKETBALL TEAM

The first and last try-out for our team will be held at the Elementary School Gym on Wednesday, February 9th at 8 P.M. Chairman Elvin Jackson announces that he has a squad of 15, including draftees, but is still looking for talent. If you think you can last out a two minute quarter, you are the man for Elvin.

The contest to determine which of the four Service Clubs can play basketball will take place on February 11th and 12th at the Junior High School Gym. No other Gym is large enough to accomodate the 50 Kiwanis rooters expected to attend.

## THIS WEEK

Mr. Stanley G. Windrem, Assistant Chief to Secretary of State Frank M. Jordan, will discuss account collections and allied legislation. This program, brought to us by Harry Behney, will be of interest to all businessmen.

Don Osborn, a student at the Senior High School, will speak briefly of Abraham Lincoln whose birthday we observe this month.

## THE VALENTINE BALL AT MARICO'S

Eighty members and guests filled the main dining room at Marico's last Tuesday night and enjoyed an old fashioned fried chicken dinner in convivial surroundings. Husbands trying to talk their reluctant wives into going home after midnight provided sufficient proof that the party was a big success.

The Kiwanis quartet made its debut with Bob Allen, Tom Beahm, Elmer Sandborn and Jerry Miller singing lustily over the loud speaker. Actually it turned into a quintet when Jess Ratchford joined in as guest singer.

Ed Quinn presented Elmer Sandborn with his Legion of Honor button, for 25 years service in Kiwanis. We understand that Ed made a fine speech, but unfortunately the back ground music interfered with reception in some parts of the room.

This event opens up new vistas for Kiwanis. Perhaps we have been too pre-occupied with business, youth and community activities to appreciate the opportunities we have in this Club for relaxation and fun. Let's plan for more social evenings with our Kiwaniannes.

## THIS WEEK

Through the cooperation of one George Washington who was born on this date in the year 1732 and the Club's Board of Directors, there will be no luncheon meeting today. However, there will be a Round Table at the usual place and hour. If you can't "sign in", be sure to make up.

## INTERCLUB BASKETBALL

Led by our youthful and versatile President Chuck, the Kiwanis basketball team defeated the young men of Rotary decisively on February 11th.

## JUNIOR SAFETY ECONOMY RUN

Ed Bellero, 17, Healdsburg High School, won this event with a record ton mileage score of 50.3810, and a miles per gallon mark of 26.3810. The following Kiwanians served as officials during the Run:

General Chairman: Roy Doolan

Starter-Timer: Relzy Aikin

Toastmaster- Victory Luncheon: Walt Wright

Observers: Hick Cooley, Charlie East, Sid Grove, Waldo Iversen, Ross MacKechnie, Jerry Miller, and Ed Quinn.

Several more Kiwanians helped in various capacities to prepare for the event.
