KIWANIS CLUB

Mar. 8, 1977

THIS WEEKS PROGRAM,

Glenn Davis will introduce Byron Woertz from P.G.&E, who will discuss the pros and cons of residential solar heating. Since it seems to always be sunny in Healdsburg nowadays, this should be invaluable information!

LAST WEEK

Dr Clyde Wellock of Wellock, Grace & Neal spoke and showed slides of his efforts during the Guatemalan catastrophe to help the citizens of Guatemala. Hats off to Dr. Wellock and to Bill Kassin for inviting him to speak to us.

Happy Birthday to Bob Young and Frank Wilson!

Among the egregious fines meted out was that to Bruno Rodella, whose slip of the pen lengthened his name on the attendance slip. Bruno was heard to say, "That's the first time I've been told to get the "L" out."

FUTURE PROGRAM CHAIRMEN:

Frank Wilson	March 15
Ed Langhart	March 22
Art Larson	March 29

## LAST WEEK

Dr. Frank Wilson, O.D. presented Dr. David Hoyal, D.P.M., whose program was O.K.. Putting his best foot forward, Dr. Hoyal gave a history of his belated decision to study medicine and of his choice to sink his feet into the field of podiatry. We learned the do's and don'ts of earth shoes and cement floors. It's nice to have Dr. Hoyal around, Rotarianism notwithstanding.

## THIS WEEK

Should offer another winning program. Ed Langhart has arranged to introduce members of the vaunted bi-centennial marathoners, the Healdsburg High School Band. Lou Sbrana has always presented memorable programs in the past and we welcome him back.

## PANCAKES, PANCAKES, PANCAKES

April 2nd. Tickets and assignments have been distributed. If you have not received your tickets or your assignment, say something!!

## TRY TO ATTEND

A KIWANIS board meeting and learn of the activities and projects Kiwanis Supports. Next meeting will be held, this week at Bob Youngs?

## THANKS

Are in order to Ed Langhart for bringing the Healdsburg High School choir under the direction of Lou Sabrana. The choir set a beautiful tone for the afternoon meal, which leads us to.....

## ANOTHER

Vote of thanks for the kitchen crew's efforts last Tuesday. The Kiwanis luncheon meals are on a steady standard of excellence, but last Tuesday's meal surpassed some of the finest meals this year. Lest we begin to take the luncheon service for granted and forget to give credit where it's due, express your appreciation to the kitchen crew once in a while when your satisfied tummy tells you to give thanks.

## WELCOME AGAIN

To the Key-Clubbers Darrell Beer and Dean Studer. Also to past and future Lt. Governors, Bill John and Gary Klatt as well as former Kiwanian Elmer Jackson.

## HAPPY BIRTHDAY

To Art McCaffrey

## THIS WEEK'S PROGRAM

Should be interesting. It deals with our diplomatic relations with Cuba.

## NEXT BOARD MEETING

Will be held April 5th and the tentative location, Bob Youngs, is a definite maybe.
