THE BUILDER

Kiwanis Bulletin
April 5, 1979

Last week Gary Rosenberg, program Chairman, levied several fines which were based upon new found, old traditional ground rules. He then introduced: Jim BrandyBerry of Willits, past Lt. Gov. who talked about Cal. New. Haw. Foundation and Camp Kiwanis.

This Tuesday will be Ted Kellogg Day. There's been planning and you may expect surprises. The best present you can give Ted this week is to be there.

Ahead we are at the mercy of Vern Branch on April 10 and Tom Rosco on the 17th. We know they'll do their level best to put on bang up programs.

Guests: Al Eck, Bob Thompson, L.A. Duffy; Jim BrandyBerry all of Willits; Emil Passalacqua of Bob Durler, plus Paul Lydon & Dave Wendt Key Clubbers.

We regret the resignation of R.J. Young to a full time job with Optical Coating. It was good to have you R.J. and will be awaiting your return.

April is Bruno's choice of the year for 100% Attendance Month. It's been done before and his choice is a good one because there are eleven opportunities for each member to ring up perfect attendance-credit for 4 meetings. In addition to 4 lunches which most of us have already paid for on Tuesdays at 12, there are 4 Key Club meetings at 10:15 on Tuesdays, a Board Meeting, plus Waldo's Interclub to Lake County & Pancake Day.

Interclub next Wednesday in Lake County, courtesy Waldo Iversen. Depart Federated Church at 7A.M., return about 6P.M, Golf, lunch & the best in fellowship.

Pancake Day is set for one week from Sunday-and that's close at hand.

Happy Birthday Neil Iversen and Walter Wright.

Ken Gonsalves announced a do on April 21, Sat. at Kleist's Heidleberg, Ladies Night with German dinner and German dance. Tom Roscoe pleaded informal wear for boys & girls. Friends are welcome. We guarantee 100 attendance. \$6.50 is reasonable per plate.

On May 8, Tuesday will be Mother's Day-plan.

Waldo Iversen reported on another successful Inter Club last Monday at Clear Lake Highlands, 8 members with golf before and after lunch enjoyed a full day with each other.

Sat. April 21st. is Ladies Night at Kleist's Heidleberg Restaurant, 6422 Old Redwood Hiway. Your Club has guaranteed 100 attendees. Guests count toward the guarantee. Move and soon.

Pancake Day is Sunday. It will be fun and more fun if each member mans his station or furnishes a relief. Golf caps, yellow with Kiwanis insignia, should be worn by all who have one.

Ted Kellogg Appreciation Day - and what a day for Ted and Kathrine! Full lives they lived with 47 years of marriage. There was entertainment that wouldn't stop, simply great. Mildred and Jerry Hodges opened in their own good style with a well done rendition of Memories. Elizabeth Hayes and Ken Hickmott followed--delightful--a solo and several duets each with excellent guitar work by Ken. Walter Wright spoke on behalf of all members to Ted and Kathrine. Joining in 1927, Ted has had many years of Building by Kiwanis experience. Bob Young, a life long neighbor of Ted's in Alexander Valley, spoke of Ted's leadership work in the Red Cross in Healdsburg. Another of Ted and Kathrine's community efforts was with the Alexander Valley Church. Other pet projects supported the local Farm Bureau and Prune Assoc. After 40 years in the valley, Ted moved into Healdsburg in 1967, where he and Kathrine live on Prentice St. Earl Osborne told of several interesting episodes that go back 46 years in their relationship. Among these was Ted's important part as a Healdsburg High School Trustee in building the new High School, the start of the FFA Fair, and other getting-involved projects. Walt, Bob and Earl each did well in reminding us that Ted Kellogg will always be a man to be remembered. Ted concluded the Day with a few words to tell us of his and Kathrines extreme pleasure in this Day of Appreciation. His advice to all Kiwanians is to stay with it and you will all come out in the end. All hands joined in a final song - fitting and with feeling -- For He's a Jolly Good Fellow.

Bruno, you and those who planned and executed todays tribute are to be congratulated--outstanding in good taste and deserved recognition.

Kiwanis Bulletin

Rather light turnout for last weeks meeting. Most of the absentees were reportedly recovering from the Pancake Breakfast. We served 832 people, 213 tickets were sold at the door. The champion seller was Walt Wright. Walt sold 210 tickets and was rewarded for his efforts by being served a stack of four pancakes instead of the usual three. Only no shows were Mitch, Roger and Jim.

The membership drive is now history. Bob's team won and will be honored at a dinner hosted by the teams captained by Edgar and Chuck. Watch this publication for details.

The Committee on major projects is still accepting suggestions. If you have an idea or ideas let Art know.

Save the day---May 6. That's the date Bill has set for the Golf Tournament and Bar-B-Que. Always a good time.

Ken & Tom are busy arranging the evening of Folk Dancing and International food at George Kleist's in Windsor on April 21, 1979. You will have your choice of German Pot Roast, Polish Sausage, Swiss Sausage or American Beef Steak at \$6.50 per head tax and tip included. Call Tom or Ken for reservations.

The program for today will be a surprise to your editor and hence also to the membership.

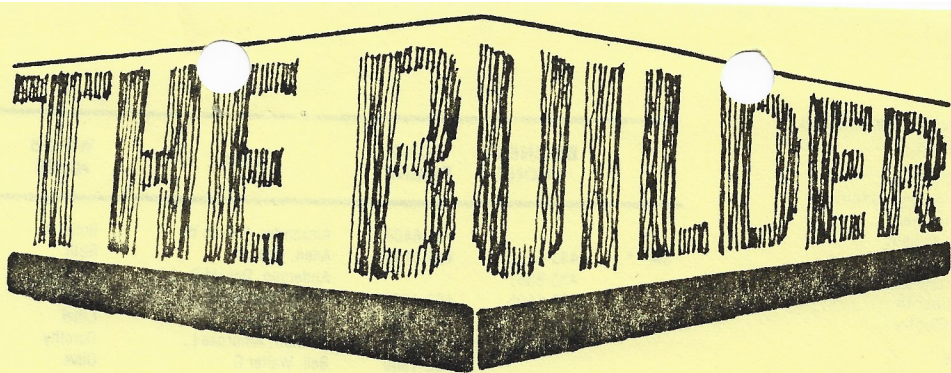

Last weeks program was chaired by Fran Branern who introduced Tina Wright from the Sonoma County Blood Bank. Tina gave a most informative talk on the activities of this most worthwhile service.

ODD THING about worry. You only worry about what you don't fully understand. If you have sufficient knowledge about any matter, you don't worry about it. Such is the claim of a scholar who has made an extensive study of the subject. Worry, this savant says, is an indication of ignorance. So if you find yourself worrying about something, he suggests, you'd do well to undertake research on said something. Make phone calls. Go to the library. Send off for literature. Consult with experts. Learn all about it.

"WE BUILD!"

KIWANIS BULLETIN

April 24, 1979

This week Vern Branch has a mystery speaker who will talk on **BASEBALL-Timely!**

Last week Tom Roscoe, Program Chairman, presented Ken Anderson, Detective in Sonoma County Sheriff's Department. Since 1976 he has been in charge of the detail of cattle rustling and related rural crime. Sonoma County needs the cattle related crime program enjoyed by Mendocino County where their courts, the sheriff's office and the District Attorney join up and work together to put the culprit in jail. He pointed out the need for citizens who all need protection to support law enforcement-that cooperation is vital to law enforcement officials.
