BEHOLD, A MIRACLE: Such was really wrought last week by "Wiz"
----- Killingsworth, Plaza playhouse Prop. Four seem-
ingly hopeless cases of ivory tops were cured by Larry's mystic rites. With the spirit of sprouting springtime, out rushed those fleeces of hair from the shining domes so bare. Truly, a wizard's work. But didn't they look quite hideous, all crowned in brindle and black? Give us back our baldy boys just as nature has left them. Surely enough, was Dist. Attorney Dole recalled. But it was for his second speech in Healdsburg within a month. His was a plain and practical talk, which smacked not of politics, nor of ouster movements of public officials. Just horse sense.

FOR THIS MEETING: "We'll have him here on time". So says the pro-
----- gram committee. But who he'll be, or whence comes he, is best known to himself alone. With this lucid announcement, and with a broadcast that Temple Smith will be our chairman, we sign off to something else.

ON WITH THE SHOW: Save your profound appreciation for something
----- good - Apr. 14, 15, Plaza theatre, Healdsburg, Cal. Rehearsals now under way. They say "Yip'ee" is a scream. When such Kiwanians as Bowen, Darby, Cairns and Byrne give it the punch, it will be to laugh out loud.

KEEPING UP WITH LIZZIE: Have you read this novel by Irving Bach-
----- elli? Well, that's just what the Chevrolet man says he's doing with the Lord, - only Hick says that now the new "8" is out, Tin Lizzie has ceased to be the name. In this "sweepstakes" race of ours where a banquet is the prize, no wonder there is on record to date three 100 per cent meetings.

ELECTION NEAR: Shall we keep up with our traditions, and get out
----- the voters, as of yore? Let's arrange to day.

GENTLEMEN: "All arrangements have been completed for showing our
----- film -"U S S Akron" and giving a talk with it as you
have requested, to the Kiwanis Club on April 12th.

Yours very truly,
N.W. McEachern".

ALL HAIL THE CHAIRMAN, BILL MASSONI.

Guess this speaks for itself, wouldn't you think?

APRIL FIFTH: A pretty good meeting - even tho' we didn't know
----- what 'twas all about until the time came. Mr. Ted
Huggins hugged pretty close to his subject - the Sharkey bill- and
said it might be well for us all to vote for the same. That prosper-
ity is still in safe hiding around the corner is evident enough, and
one step towards its release is to safeguard the "black gold" of Cal-
ifornia, according to the speaker. Temp. Smith, chairman, engineered a
unique method for increasing the charity fines, as the Education com-
mittee will testify. Freshman Temple made good with the gavel. He's
now a real Kiwanian.

THE McNAUGHTONS: It isn't always that new arrivals so quickly pop-
----- ularize themselves in a strange town as has the
Mr. and Mrs. of the above name. Just as popular does the Kiwanis show
promise to be, as staged by the twain. Enthusiasm seems to be at a
high pitch. Intensive rehearsals are under way, the morale of the cast
is excellent, "Yip'ee" should make a hit. Mr. and Mrs. McNaughton say
they are delighted with Healdsburg. Let us delight them more, and in-
cidentally ourselves, by bringing a flock of friends to the perform-
ances on Thursday and Friday nights.

"YIP'EE" - WHAT A SHOW: Don't forget it, Plaza theatre, Apr. 14th, 15th.
----- And sell tickets. Remember 60 people in the
cast. The committee have spent two weeks building up this production.
We should give them whole-hearted support, AND PACK THE THEATRE TWICE.

"Hizzoner" Judge Ed Quinn Sits on the
Kiwanis High Tribunal Bench this Tuesday April 19th.
and with the help and assistance of "Baliff" John Morgan
will hold court at 12:10 sharp. "Hizzoner" has promised
to levy no jail sentences but, he has intimated that court
costs are high so that fines will be levied only - and how!

THE SONOMA COUNTY HUMANE SOCIETY

Led by Mr. L. H. Wright, Secretary, will
present the program and tell of their work in this County.
The Society is made up of local people in the County and
they have been carrying on a great work.

THE KIWANIS SHOW

A great performance and a credit to a
great cast. We understand that the show was a financial
success as well. The entire cast is to be congratulated
on a fine piece of work.

PROGRAM: To day Jay Walt will have the chair. And the speaker,
----- another M.D. - Fred O. Butler - of Sonoma State Home.

Those medicos usually do their stuff. But at times the undertaker is called into consultation, and does the covering up act. Fred Young is always within calling distance. Safety First.

BUSY TIMES: Healdsburg Kiwanians have been stepping in double
----- quick of late. First, THE BIG NOISE - Kiwanis Show. Second, a spirited Attendance Contest, - so close in fact that when Ern and Hick race under the wire the winner must stick out his tongue. Third, our ball club is fast tuning up for the trophy. Fourth, that recent "gettogether" of officers of the Santa Rosa and Healdsburg clubs. Then again, great preparations are under way for Ted Kellogg's charivari. This can only be forestalled by Ted producing a box of cigars. Still two bachelors in the balance.

ECHOES: "Those fellers didn't get half enough". "Why should Bill
----- Rumbold escape?" "And Ira Rosenberg, and a lot of other law infractors"? Contempt of Court, gentlemen, pure and simple. Somewhat sweetly softened were those penalties, alright; but read the explanation: HARD TIMES, AND FIRST OFFENSE. Kiwanis Court will sit again. So, boy-like boobs, you'd better beware of the blissful ban on bold and bad behavior. Your turn next.

THANKS: To the Program Committee for issuing the last bulletin,
----- 'Tis well to spell the editor once in a long, long time. A little furlough now and then helps much. Who'll be next?
