GOVERNOR BILL SCHAPER DAY

5/6/41

The Governor comes in person, to be seen and heard. And how we'll be honored! His will be an informal talk of 15 or 20 minutes, thus giving Owen time for song rehearsals. Appropriately enough, Lieutenant Governor Russ has been designated to present the distinguished guest.

Eureka Reservations. Notice: First Lieutenant (meaning Russ Arch Promoter (meaning Walt), Balance Wheel (meaning me) - all want the tourists conveniently housed in Eureka, May 10. You have schedule of room prices. Notify the Secretary at once on your choice. Nice if we all might stop at same hotel.

FLASH! Wonderful news. Russ heralds formation of new club at Fortuna. Scoop; triumph; VICTORY! Congrats to our new Lt. Gov. 'Tis he who put it across. And to think! ours is the sponsoring club. CARRA B.!

Like to win the prize today? Then, WHO IS BILL SCHAPER? WHENCE COMES HE, AND WHAT'S HIS "BIZ"?

(The editor refuses to answer these in advance).

Better cram for this

Exam.

We got ideas at that H.S. town meeting last week; and a good 25ct lunch; and an excellent brand of real racket, too. Due to the conniving of Messrs. Crabb, Marshall and Norton we never had a look in at that two bits, rightfully ours. Some home res can get away with little short of murder.

TIME OUT

Five-Thirty, Sunday. Just emerged from the never-to-be-forgotten "back yard" party given by Russ & Ciccone. And what an "at home"! There was Governor Bill, and "Kisti", and club Presidents, plus wives. There were all Healdsburg Kiwanians and Kiwani-Anas. There were refreshments and sociability, the like of which was never eclipsed in the course of Kiwanis events.

Next BIG event: Division Meet, Eureka. Be ready for the band wagon (bus) at 10, Saturday.

MR. FRANK DICKDY, TO DAY, SPEAKER,
ON "FRIENDSHIP"
TISHLERMAN JOHN McCLISH, CHAIRMAN

Fortunately, fresh from Eureka, the editor has had to do no recuperating whatever. Wish the same might be said for 19 Greyhound cohorts who, possibly may be on deck to day.

History was made in Eureka Saturday night, year and for the two days goin' an' comin'. 20 of us; 10 of those from the south, including Glenn Wright, made for officers and crew of "Goodship" Greyhound. It was Eureka or Bust, and most of the boys came back busted. But that Division meeting program stood out and up and ahead of many of its kind. We'll not forget soon, nay, never. Eureka was host; Russ built the program, and Walt organized our voyage on wheels.

We who were there (Eureka) are better Kiwanians to day. That jovial time was a matter of course. We knew Owen would scintillate (and he surely did) That "Eureka Band" which consisted ~~of~~ solely of Healdsburg artists sure did put it over. Judge Harry Falk was a happy chairman. Russ made the neatest introduction ever. But here's the climax! Governor Harry Schaper's speech! Hard to think in the whole ~~xx~~ Kiwanis realm of a finer talk. So so filled with Kiwanism; so fraught with Americanism; so eloquent; so thrilling; so inspiring; so fitting at this time of strife and action that, with ourselves, those on the air must have thought, "If that is Kiwanis doctrine, we're for such service organization."

Question to day:
HAVE YOU PURCHASED
A TICKET TO THE
SMOKER, THURSDAY
NIGHT ?

The occasion was graced by the presence of Ann and Cleon, wives of the two higher-ups, by five other ladies of our own, and by many of the north section. Also, by several Past Et. Governors.

Weekly thought: If you would be a better Kiwanian, attend a Division meeting.

BOY SCOUTS DAY

A score or more of youngsters will be on hand, and the Kiwanian who hasn't one boy in tow will be set back to the tune of a quarter - so sayeth Chairman Don Harper. Scouts Master Al. Blumberg states this is to be "a model boy scouts' meeting. and he, as master of ceremonies, should know. Boys' old friend Knabe Kahn will be in evidence and participate.

Meeting in the main auditorium.

"Be ready" - "Good as in it" - So exclaimed Judge Hilliard Comstock, speaking on present world war and preparadeness. His was a stirring speech, indeed, which left little room to "kid ourselves" out of the war picture.

June Seventh - when it's Charter Night for the new club at Fortuna, - sponsored by Eureka club. Here's hoping we shall see Governor Bill Schaper once again about that time. Bill is marvelous, "WONDERFUL"

By action of the Directors, President Paul will represent us next month at ~~the~~ Atlanta.

QUESTION TO DAY:

ARE YOU A HUNDRED PER CENT MEMBER THIS YEAR?
(If not, no soap)

Owen's "Smoker" must have meant Saturday Night Band Concerts again this season. The crowd was good and the program was "stupendous".

REAL KIWANIS BUILDING !

Do you know that our "Lin" Gilbert, as an outright gift of self and wife, has completed a \$1600.00 crafts structure at Lytton Home ? In this will be taught: ART PHOTOGRAPHY, NEEDLECRAFT, AIRPLANE MECHANICS, AUTO MECHANICS. Liberal Lin.

Who is the member to take ~~out~~ out without putting in ? Let us apply this to our service club idea.

Now, listen to Al. Garrett: Says Al, "A model woman is a bare possibility; a woman model is a naked fact". Guess we'd better stop right here.

MAY
TWENTY
SEVENTH
1941

"I shall be pleased to talk before the Kiwanis on May 27th on the theme -
A New Tie with Latin-America"
Such, the promise of Mrs. Helen Bishop. Don't you remember this lady of elocution who spoke to us way back in year '39 on What Is Progress? Another treat. Jim Coffman, Chairman.

Refreshing to again entertain a Boy Scouts troop which we really can call our own. How neat and happy those boys in their spik an' span uniforms! That tribute to Fred Kinley and his response were impressive. Well you have deserved that handsome trophy, "Doc".

Vacation time near. Take that little Travel Directory which will escort you to the nearest Kiwanis town. Or, make up just before and just after the trip. California is teeming with Kiwanis clubs.

Question to day:
(Repeated)

ARE YOU A HUNDRED PER
CENTER FOR FORTY ONE?
Charlie Wig. will tell
you if you forget.

Dropped up to that BIG FAIR at Lytton Home; and it was a honey. Don't try to describe, for "you all" should have been there. And should have given the handsome Kiwanis Float the twice over. Missed dear Bill White. But there was pioneer Col. Bourne. And believe it or not, who should bob up but Bob Simpson!!! Hope he liked that Kiwanis Float.

"Those Kiwanians who try to do something and fail are infinitely better than those who try to ^{do} nothing and succeed".

Harking back to the Fair. Our club was much in evidence. We were largely on the business end of it. Our "Stew" Kelso was the inspiration of those sports. Our "Lin" Gilbert, plus wife, gladdened the hearts of all concerned by presenting the Home with that brand new crafts building. And Oren Swetten was music master de luxe.
