### The President's Message:

## Shaping Up To Be A Fantastic Year !

By Dan Maraviglia

Congratulations to the club on what is shaping up to be a fantastic year.

I was particularly proud of our Future Farmers Country Fair booth this year. Special thanks to Chris Metrulas, Ken Scharer, George Diebold and Bruce Main who were the "Capo-Bosses" for this year's event; and to Jerry Strong and Hugo Bauer for organizing another amazing parade float.

Negotiations are continuing on the purchase of a modular home for the Boys and Girls Club. It looks like the family of Karl Esposti has granted us permission to name the building after him, once completed. Look for more information on this in the near future.

Just a quick note to thank you all for all your wonderful work. Keep it up and enjoy the summer weather.

**AT THE FUTURE FARMERS COUNTRY FAIR: Top photo, George Diebold who donated 14 hours to cooking and Kathy Stauffer prepare corn dogs and garlic fries for the many fairgoers. Bottom photo, left, Joe Engler, Harry Jackson and Ken Scharer ready for the many customers .**

### **Corn Dogs, Garlic Fries, Polish Sausages Very Popular at Fair**

The Kiwanis booth at the annual Future Farmers Country Fair proved once again to be a popular stopping place for the fairgoers allowing the club to gross over \$9600.

This is not a record but it came close to last year's gross of \$10,700. The previous year the club took in \$6200.

Ken Scharer, in his report to the club on May 31, declared the project a "very successful one" and thanked all the members who

participated. President Dan Maraviglia paid special homage to the four "bosses" – Chris Metrulas, George Diebold, Bruce Main and Ken Scharer – who devoted many hours to cooking and serving .

The club also took part in the Twilight Parade with a Bike Brigade, headed by Jerry Strong, and Hugo Bauer driving his 1930's restored truck with President Dan and George Clough riding along.

### **Board Donates \$500 To Access Healdsburg For Video Designs**

The board of directors, at its monthly meeting on May 12, approved a donation of \$500 to the Healdsburg High School's media center, Access Healdsburg, to be used for video equipment

A request to donate to the Governor's program, the World Link Program, also was approved. The \$350 will go to the Costa Rico area.

### **Board Hears Plans To Establish A Teen Center at Boys and Girls Club**

At a special meeting of the board on May 31, members authorized President Dan Maraviglia to enter into a contract with the Baptist Church of Windsor to

purchase a five year old 24 x 60 modular building to be placed on the Healdsburg Boys and Girls property, behind the main building. The building will be used as a Teen Center giving the community, once again, a place for our teenage population to meet and call its own.

Dan will negotiate with the pastor of the Baptist Church offering a down payment of \$10,000 with additional payments over a period of six months to a year. The modular unit will cost \$37,000 installed but there will be additional expenses bringing the project total expense to about \$45,000. The City of Healdsburg has already granted the club \$7,500 for the project from the city's development fund.

Kiwanian Richard Norman who is spearheading the construction project suggested that the club offer a \$10,000 down payment with additional payments over a designated time. The church is selling the modulars to finance new construction at the church

It has not yet been decided whether the club will undertake this project as its own or will seek donations from the public or other service organizations.

It was suggested that the new Teen Center be named in memory of Karl Esposti, a long time member of the Boys and Girls Club board, who recently died in a plane crash.
