

for Today:

Known only to Dick Saxton and God, and neither one is around to tell.

Last Weeks Program:

Nils Benson spun a tale about his Scandanavian Heritage, and told us about his mispent youth as a smuggler and rum runner in the North Sea. I am convinced Nils is the Godfather for the Scandanavian Mafia here on the West Coast.

Phil Rice, an Oakland boy, went to sea, worked in Alaska for Bechtel, enlisted in the Navy at Mare Island, fought the war in Figi Islands, and ended up his career selling Corn Flakes for Kelloggs.

Earl Osborn made the presentation of the Junior Citizen of the Year Plaque to Tammy Coke for outstanding service in 4 H and FFA, activities for the past 9 years. Tammy has showed sheep, goats, rabbits, steers, and other animals at various County Fairs in Sonoma County. Earl also introduced the four young people, also from Healdsburg High and active in 4 H and FFA, who were runners up in the judging. Kiwanis has sponsored this award for the past 16 years. Nel Cardinal exposed himself to a \$5 fine by having a Birthday again. The Healdsburg Kiwanis Club #2 Bowling Team by virtue of winning the Newman 5 Bowling Tournament in Santa Rosa, is now the Kiwanis Club #1 Bowling Team, replacing Bruno's squad. The #1 Team was introduced dressed in their yellow shirts, holding their individual trophies by Captain Hector Garnero who presented Club President Young with a huge First Place Trophy for his mantle. Waldo gave us a run down on the Sonoma County Kiwanis Golf Tournament held at Bennett Valley on May 21st, won by the Healdsburg Team. Silveira shot a 72 par for the course, posting Low Net. Davis, McCaffrey, Roger Christenson, and Vern Branch also came in for prizes. Uboldi had a little tough luck, I understand he took a 13 on the first hole, but he did get a prize. The barbecue and refreshments hosted by the Suburban Club was excellent.

Announcements:

Biasotti announced that at last months Board Meeting, the Directors appropriated \$250. to sponsor a team in the Youth Soccer League for the year 1980 here in Healdsburg.

Walt Wright commented on the success of the Club's Bicycle Ride in the Future Farmers Parade. Tom Roscoe and Earl Osborn reported that the 60 or so participants in the 5th Annual Kiwanis Club Relay Race, won by Windsor Junior High, ran an exciting race down Matheson St. just before the start of the Fair Parade. Thanks to Ed Matteoli, Bob Malone for the school bus, and Chief Bertoli for the police cars escorting the race ending in the plaza, for their help.

Waldo sent around a sign up sheet for the Fly-In Interclub at Willits on June 17th. I believe he said the cost per person to fly is based on one's body weight.

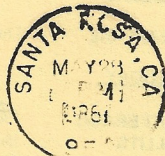

Glen Davis announced the Golf Tournament of the year for our club May 30th, at Tayman Park has \$900. in prizes for awards and the raffle.

Fred Besio reminded us that the bus trip to see the Giants play on July 27th, at Candlestick and the dinner afterwards at the Cattlemens in Petaluma has 3 seats on the bus left. Hurry if you like a good time.

Next Board Meeting:

At the home of Paul Dix, June 4th., 7:30 P.M. See how a politician lives.

We won 28 of the 40 prizes awarded within the membership. The profit, he said, was plus or minus \$1,736.01. The next directors meeting will be at 7:30 p.m. at the Paul Dix residence at 909 Sunset Drive on Wed. June 4th. Walt Wright and Gary Rosenberg inducted a new member Ray Blatt. Program for Today:

George Coppinger, Program Chairman for the Day, is having his Company's Operations Manager, Ray Phillips of Fairchild as his speaker.

Last Weeks Program:

Woody Frampton introduced Tom Peterson, Manager of the Healdsburg Farmers Market as the speaker. Tom, originally from Alabama, served in the Peace Corp in Africa and also taught in the Vista Program here in the States upon returning from Africa. He migrated to Santa Rosa and then into Healdsburg, where he organized the Farmers Market concept. Tom became the Market's full time manager assisted by the C.E.T.A. program sponsored by the City of Healdsburg.

The MARKET functions as a service to growers who wish to sell their produce to the public. The Farmers Market is a non profit operation, charging a fee of 10% of each vendors gross sales which is used to cover actual outlay in the maintenance, insurance, and other incidental costs attendant to the Market's existence. The C.E.T.A. funding is being phased out, so the Market, if it is to continue, will have to provide its own financial support. The Market is open Tuesdays and Saturdays.

At a recent Dinner Dance, and Auction, the Farmers Market raised some \$2000.00 net. That should give us an idea as to how well it is being supported here in Healdsburg, and its favorable acceptance.

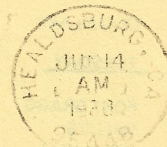

Introductions:

Jim Silveria introduced Ray Giordano as his guest. Ray is a run off candidate for a Judgeship in Sonoma County.

Earl Osborn introduced two outstanding Students from the 1980 graduating class at Healdsburg High School. Ted Feldshar and Lisa Bonetti.

Ted was chosen as the recipient of the 1980 Kiwanis Club Cash Scholarship Award for his four years of top grades at Healdsburg High School. He not only was tops in his class academically, but was also involved in other school activities to numerous to mention. Ted was also a semi finalist in the State Merit Award competition, and plans on pursuing and Engineering career at U.C. Berkeley.

Lisa Bonetti was the recipient of the Kiwanis Club Outstanding Citizenship Plaque for her endeavors as the top girl student for her four years at Healdsburg High, academically and in other student activities. Lisa plans on attending U.C. Davis.

Fred Besio still has 3 places on the Bus Trip for the Giants Baseball Game on July 27th. He asked that those that are planning on making the excursion to pay up pronto.

Program for Today:

Gary Rosenberg is putting on the program today. Gary is to be the whole show; Program Chairman and Program. Gary told me he is debating on whether to lecture about how to merchandise Ladies Ready to Wear or his recent tour of China.

Last Weeks Program:

George Coppinger had the Operations Manager of Fairchild as his speaker. Being one of the 25 members who flew to Willits for the Interclub, I am not able to report on his talk. I understand from Ed Deas that it was most enlightening.

Gary Rosenberg had to listen to his Annual Birthday Song, but because half the Club wasn't present, Gary complained that he didn't get his \$5 worth and demanded a discount. He didn't get it.

Chuck Reichel introduced his guest Bob Warner. Bernard Van Cleave a former member of the Healdsburg Club, now a Redding Kiwanian, made a surprise visit to Healdsburg and joined the Fly In to Willits.

About the Flight to Willits:

Everyone was unanimous in their praise of a most enjoyable day. Tour Director Waldo, ably assisted by Photography Director, Walt Wright, captured the whole episode on Film. It's doubtful that any of the cameras had film, although Ken Gonsalves did have one exposure in his camera.

We were met at the Willits Airport by two Motorcoaches and Chauffered by Willits Kiwanians to a sumptuous luncheon catered under a magnificent grape arbor.

Our Famous Trio, "The Rapenis", (please excuse the Italian spelling if it is wrong) otherwise known in English as the "Mustard Greens" serenaded us with "The Sheikh of Araby" and "Papa Cut Your Toenails, They'r Tearing Mama's Sheets".
