KIWANIS BULLETIN  
AUGUST 12, 1980

**Last week's program:** Last week's program was on aging presented by Father Harry J. Mack. The program on aging is supported by The United Way. Father Mack stressed the fact that older people should be kept active and their dignity preserved. He reminded us that we have a choice of how we live and how we die. Prior to becoming the Executive Director of the Sonoma County Council on aging, he worked for the West Marin Senior Services.

**This week's program:** This week's program will be presented by Jack Lawyer of our local radio station.

**Apron Attack:** A few of our members were severely attacked by an unsigned apron. Its attack was so violent that it lightened the weight of about fourteen wallets. The treasury smiles again.

**Social Committee:** The Social Committee says THINK BIG. Take the Skunk Train from Willits to Fort Bragg on September 7 at a cost of \$13. per head. More information later.

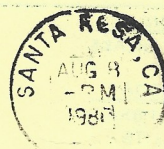

**Coming Auction:** All committee chairmen are to meet with Dick Saxton on Monday, October 12 at 8 a.m. at Bank of America to plan for the auction.

**Future Events:** Kiwanis District Convention will be in Reno on the 21,22, and 23 of August. So far our two Vice Presidents Edgar Deas and Richard Saxton plan to attend.

**Best Wishes:** Our best wishes for a speedy recovery to Captain Paul Kellerer of the Salvation Army who sustained a broken leg in a bike accident.

**IN MEMORY:** A moment of silent prayer was observed at our last meeting for long-time member Bill Reynolds. Our deepest sympathy to his wife and son.
