"NOBODY WANTS TO JOIN KIWANIS" (excerpt from Pathways To Service)

Every Kiwanian has heard these famous words when membership growth was mentioned, "I don't know anybody who is interested in joining Kiwanis." With that attitude, nobody will join! Aren't you glad that the person who sponsored you into Kiwanis didn't rule YOU out BEFORE asking you? After all, you were probably too busy, not interested in helping your community, couldn't afford it, or were trying to raise a family. They could have concluded you wouldn't be interested in joining Kiwanis!

No one has the right to deprive another of Kiwanis membership by deciding whether or not they would be interested.

Here's a simple, easy way to identify people who will join Kiwanis: Take a blank piece of paper and write down the name of every person you know, who either lives, works or has an interest in your community (omit no one). After the pages are complete, go through the list and erase the name of every person who you do not like and do not respect. The names remaining on the sheet are your prospects!

Now, all you do is call them and invite them to be your guest at your next Kiwanis meeting (pick-up and follow-up).

Let them decide if Kiwanis is right for them. Chances are they will say "Yes!"
