

KIWANIS BULLETIN
September 7, 1982

THIS WEEK'S PROGRAM: Roger Christenson will be our program director and will introduce the speaker from the Sonoma County Diabetes Foundation.

LAST WEEK'S PROGRAM: Program Director, Art McCaffrey introduced speaker, Dr. Jerry F. Schroeder, Superintendent of the Healdsburg School District. This was the annual luncheon for all new teachers in the school district and Dr. Schroeder presented an excellent group of teachers that will be joining the Healdsburg District this year. It appears that the teaching profession has succumbed to euphuisms as David Madrigal is a resource specialist and for those of you who don't know, that's a Special Education teacher. Other teachers introduced were: Ann Quibell, Spanish and French teacher; Susan Sheehy, bilingual teacher; Margaret Rued, Healdsburg High School Vice Principal; Loretta Wright, 1st Grade teacher at Fitch Mountain School; Bob Harbaugh, Dean of Healdsburg High School; Eileen Frummer, Special Education teacher at Mountain View Continuing Education School; and Stu Fox, Principal of Healdsburg Junior High. Other School dignitaries in attendance included: Bill Caldwell, Healdsburg High School Principal; and Barbara Norick, Principal of Healdsburg Elementary.

GUESTS: Norman Schwietert introduced his grandson, Brian; Bob Crawford, visiting Kiwanian from the Santa Rosa Downtown Club; and Jack Murdock, visiting Kiwanian from Geyserville.

ANNOUNCEMENTS: Steve Humphrey reported that we lost the tug-of-war, even though Fred Besio, Karl Esposti, Jack Brandt, and Ben Collins gave it their all. They were all fined \$1.00 for losing. Ben Collins announced that season tickets for the Healdsburg High School Football Season are available for \$15/seat.

There will be a short meeting of the outgoing and incoming officers after this meeting, September 7.

John Cochenette reported that the net wine auction proceeds were approximately \$12,000 and the Kiwanis' share will be half, or \$6000. Congratulations and thanks to all members who participated in this event, and most especially to John Cochenette for doing an excellent job.

Don't forget, on 9/11/82, the installation dinner for Lieutenant Governor, Bruno Rodello, will be taking place at the Los Robles Lodge with cocktails at 6:45 and dinner at 8:00 o'clock. Tickets are \$12.50.

The Division 32 golf tournament on 9/17/82 will begin at 10:30 at Bennett Valley Golf Course and included in the ticket price is a steak barbecue dinner and tickets are \$13.00. We're the defending champions.

NEW MEMBERS: Larry Machi was inducted by Ken Gonzales. Larry was born in San Francisco, and guess what, is another school administrator. He graduated from USF and has a BS and a MA and a Dr. Ed.; in addition to being our new Assistant Superintendent of Schools, is a BMOC besides. Welcome aboard, Larry.

FINES: Hold on to your wallets, as Jim Gentry released a barrage of fines never before seen at this club, with nary a fine being under \$1. Gentry, our second Vice President, was filling in for Vice President, Glen Davis, who is absent and supposed to be filling in for President, Dick, who is also absent.

THIS WEEKS PROGRAM: Phil Rice will be program director and will introduce his honor the mayor of Healdsburg Mr. Paul Dix. Mr. Dix will speak to us on the upcoming RU/DAT visit and what it can mean to our fair city. If you have been wondering just what RU/DAT is and what it can do don't miss this meeting. Lets welcome Paul Dix with a good turnout and lots of questions.

LAST WEEKS PROGRAM: Rodger Christenson introduced Mrs. Karen Lovvorn, R.N., who spoke to us about the Sonoma County Diabetes Foundation and the various degrees of Diabetes. A very interesting and knowledgeable speaker, who, by the way filled in for the scheduled speaker at the last minute.

GUESTS: Lewis Sbrana introduced Ken Turnbow, Rick Alves hosted Len Clato and Phil Rice guested Reg Henry. Vern Branch introduced Dave Richardsen. Looks like a fine group of prospective members.

ANNOUNCEMENTS: The annouced meeting of the incoming and outgoing officers scheduled for Sept. 7 has been postponed until after the Sept. 14 meeting.

Looks like a fine turnout has signed for the Division 32 Annual Golf Pournament scheduled for Friday Sept. 17 at the Bennett Valley Golf Course. We are the defending champs and if Jim Silveria shows up chances are good that we will retain the trophy. It is rumored that Dick Saxton plans on playing, which should prove interesting.

Inasmuch as Orin Bain has been elected to the 2nd Vice Presidents position an opening now exists on our Board of Directors. Your nominating committee is now considering members for the opening and an election will be held in the very near future to fill the vacancy.

A reminder: Now that school has started our Key Club is again in session and meets at 10:15 A.M. every Tuesday at Healdsburg High School. The short Key Club meeting lasts only about 15 minutes and is a very easy way to make up any missed attendance.

If you have ever been interested in touring Europe now is the time to take advantage of the bargains being offered in conjunction with the Kiwanis International Convention to be held in Vienna during June of 1983. We understand that several Kiwanians from Division 32 are planning to attend and your own Healdsburg Club will have good representation. If you are interested talk with Bruno Rodella who has the details.

Your Board of Directors held their final meeting under the able leadership of President Dick Saxton on Wednesday, September 8. Among the numerous items voted on by your board was the establishment of a Scholarship Fund Details of the new fund will be forthcoming shortly. Plans for next years Wine Auction were discussed and Ed Deas was appointed chairman of the 1983 Auction.

Interclubs were held at Redwood Empire and Santa Rosa Suburban Clubs during the past week which completes the Healdsburg Clubs round robin of Interclub meetings with all clubs within our division. For those members that have not attended an interclub, our sympathy. Every member of our Healdsburg club should set a goal of attending at least one interclub meeting during the coming year. You'll be glad you did. Lets welcome our new President and the new Board Members with a good turnout this week.

September 21, 1982

THIS WEEKS PROGRAM:

Allen Owen will be our program director and will introduce Dr. Jeffery Doust, the Dean at Sonoma State University. The topic will be "New Directions at Sonoma State". Dr. Doust will tell us what is underway to fulfill educational needs of the Community with particular emphasis on the business sector. I doubt that you would want to miss this.

LAST WEEKS PROGRAM:

Phil Rice gave us Paul Dix and that's always a treat. Paul spoke about R/UDAT a group that will be coming to Healdsburg October 7th to the 11th to give our city assistance with planning for the growth that is always just around the corner. Let's hope that our efforts to communicate with them and the city are fruitful.

GUESTS:

Walt Wright introduced Jack Murdock, Lt. Governor of District 20, from Geyserville. Bob Hanusa from Maui, Hawaii bested Ken Tumbrow from Arcata for the longest distance a guest traveled to attend a Healdsburg meeting. Reg Henry from the Tribune was a guest of Phil Rice and Lynn Plato was also guested.

ANNOUNCEMENTS:

By the time you read this our club should be repeat winners of Division 32 Annual Golf Tournament which is being hosted at Bennett Valley, Friday September 17. The trophy will be displayed at our Tuesday meeting. My guess is that Jim Silveria, who recently shot his second hole in one at Kanepalli; will be the low gross winner again.

Bob Malone has been elected to the board of directors to fill the term of Orin Bain who was voted second vice-president to fill the term of John Cochenette who replaced Jim Gentry who is now first vice-president. Now we are ready for business.

Tully Knowles gave us a preview of the Traveling Oar which will soon embark on a 450 mile ride between area Kiwanis clubs.

Burnett Bidwell is a year older and five dollars lighter.

The installation dinner is moving along with October 2nd the date. This is a Saturday night with plenty of chance for resting before the football games of the next day. Let's have a good turnout for food, entertainment, installations, merriment and fun. Mark your calendar now for this one.

As Bulletin Editor this last year, I would like to thank the committee that put this in your mailbox week after week. It isn't easy putting this together and it isn't cheap either. Hats off to Ken Gonsalves, John Uboldi, Fred Besio, Phil Rice, Cal Brigham (our new editor this year), Lew Sbrana and Lindsay Wurlitzer.

Bulletin Editor for the month of October will be yours truly...RCL

KIWANIS BULLETIN

September 28, 1982

THIS WEEK'S PROGRAM: Glen Davis is program chairman this week and will introduce fellow Kiwanian, Kurt Hahn. Kurt will give a talk outlining the financial status of the city of Healdsburg. Should be an interesting program.

LAST WEEK'S PROGRAM: Chairman Allen Owen introduced Dr. Jeffrey Doust as guest speaker, who is from the Sonoma State University. He gave an enlightening talk and slide presentation on the university.

Some of the new programs which have been expanded or added to this year's curriculum are: 1) a 4 year computer science program; 2) wine marketing, 3) bilingual education.

GUESTS: This week we had the honor of having as guests: Lt. Governor Carl Medford; Robert Baum, fellow Kiwanian from Salem, Oregon; Reg Henry of the Healdsburg Tribune; and Leonard Plato, future member.

BIRTHDAYS: Another year has gone by for Orin Bain, Gary Solem and Ray Blatt.

FINES: You always can tell when there will be another change in the presidency. Fines were levied right and left at our last meeting. President "Dicky" Saxton must have hit us all with a buck or two. Included in the fun were Tom Roscoe's "milk" balls, Ben Collin's table manners, Steve Humphrey's hatchet job on himself and Glen Davis for being himself.

- ANNOUNCEMENTS:
- 1) Healdsburg once again won the Div. 32 golf tournament. Congratulations to Glen Davis, Billy Branch, Roger Christenson, and Jim Silveira for winning it for us. I won't mention my score.
 - 2) Oct. 2nd is the date for the installation dinner at Los Robles Lodge. Have your money ready for Jack Brandt by next Tuesday. Prices range from \$13 to \$16 per person.
 - 3) Bowling Teams Annual Dinner is Sat. evening Oct. 16th at the Highland House.
 - 4) Get Well wishes are in order for Walter St. Clair, who is in the hospital recovering from a hip operation.

IT'S A FACT: Crude Petroleum from America's first oil well in Pennsylvania was sold as medicine....

In the seventh century, bat's blood was rubbed into the scalp to keep the hair from growing. (I warned you Waldo!!!)

"WE BUILD!"

KIWANIS BULLETIN
September 28, 1982

Last Week's Program:

Our club was graced by four lovely, educated women, Barbara Martinez, Marilyn Latch, Karen Tappen, and Judy Sohigan, who gave a very interesting program on Art as Basic Education in our schools.

This Week's Program:

President Glen promises a wide open meeting in which we will outline the year to come. Our committee heads, officers and directors for the new year will listen to your constructive advice, ideas, gripes and thoughts. Let's give them some input for the new year.

Notes:

The Rotary Club has asked for a postponement of our annual Softball game until October 23rd. Edgar Deas suggests we declare a default and offer to play the game double or nothing.

Tully Knoles announced interclub meetings for Tuesday October 19th, which will go to Sonoma and leave from the Federated Church at 6:30 in the evening, and also an interclub at Geyserville on October 28th which will be an evening meeting as well.

Guests last week were Art Weaver who was brought by Tully and Len Plato who came as Rick Alves' guest.

Francis Passalacqua, Waldo Iverson and Gary Rosenberg all received Legion of Honor Awards at the Installation dinner and Francis received his 40 year pin & Waldo and Gary received 35 year pins. That is quite an accomplishment. All in attendance enjoyed the social event of the season as Glen was installed as PRESIDENT at Los Robles last Saturday evening. The bowlers will have their annual banquet the the Highland House on October 16, at 7:30. Warm ups with John Cochenette at 6:30.

Birthdays included Waldo Iverson, Ernie Biasotti and Al Barbieri. A total of 280 years old. Watch out Bruno, we know it's your birthday, too.

Ray Blatt will present our draft budget for the year so all committee heads are invited to review it and offer input. The next Board of Directors meeting will be at the home of Allen Owens on November 10th at 7:00.

We hope that Frank Balbi is feeling better and Walt St. Clair, who will be entering Presbyterian Hospital in San Francisco for an operation, has a quick recovery and hurries back to our meetings.

Continuing to edit and publish the Kiwanis Builder so that the members know what is being done in the club. Planning the installation of the new officers on Oct 2 at the Los Robles Lodge.

(All service projects are to be reported on the reverse side of this form.)

SERVICES RENDERED BY THE CLUB

In this section report only services rendered *by the club*. A single sentence indicating the *service rendered* and *to whom it was rendered* (individual, group, organization, community-at-large, etc.) is adequate for each service project. (Longer reports of service projects of an exceptional nature are welcomed as attachments.) Do *not* report on this page: invocations before meals, or sponsorship of club meeting programs unless a club service is thereby rendered and this service and to whom it was rendered are clearly identified.

In each category number the projects consecutively. Indicate manhours and funds expended.

SUPPORT OF SPIRITUAL AIMS

Report in this section only *services rendered* as a result of projects initiated by the Committee on Support of Spiritual Aims.

This club is still providing transportation to any person who needs to get to the church of their choice. We have encouraged the different church leaders to become involved in each others churches.

Number of projects completed 1 Man Hours 20 Dollars spent 25.00 No. Kiwanians involved 12

YOUTH SERVICES

Report in this section only *other services rendered to local children and youth*, exclusive of administrative sponsorship of Circle K and/or Key Clubs. Include in this section activity with Builders Club.

We are continuing to provide leadership and funds for the Boy Scout Troop that we sponsor. The club has also committed a large sum of money to the local Boys Club to upgrade the lighting in their gym.

Number of projects completed 2 Man Hours 50 Dollars spent 2000.00 No. Kiwanians involved 40

CITIZENSHIP SERVICES

Report in this section *all other services rendered by the club*, including but not limited to: agriculture, conservation, environment, pollution control, public and business affairs, international relations, and safety.

The wine auction has kept some of the members busy trying to tie up the loose ends so that the club will know how much was actually made from that project. Half of the proceeds will be given to the Wine Library group.

Number of projects completed _____ Man Hours _____ Dollars spent _____ No. Kiwanians involved _____

MAJOR EMPHASIS PROJECTS

Report in this section those Projects—regardless of the Committee which initiated them—which reflect participation in the Major Emphasis Program. Identify and underline the Committee that initiated each project.

The club assisted the Sonoma County Blood Bank mobile unit that came to Healdsburg on Sept. 28th, They received 83 units of blood at that time, which was great for this community. We are also working with the schools in the area to try to establish better health standards .

Number of projects completed 1 Man Hours 15 Dollars spent _____ No. Kiwanians involved 10

SPONSORED YOUTH ORGANIZATIONS

(Circle K and/or Key Clubs)

Number of Circle K Clubs sponsored: _____ Number of Key Clubs sponsored: 1

Use the rest of this space to provide information or judgment which reflects the health or lack of health of (1) the sponsored youth club-Kiwanis club relationship and of (2) the separate youth organization(s) itself:

School has just started in the area and the Key Club is just getting started again after the long vacation, the Kiwanis club has a very good coordinator to help in getting the Key club started on the right foot.
