

"WE BUILD!"

# THE BUILDER

SEPTEMBER 2, 1975

Program Last Week:

Dr. Paul R. Miller, an eye doctor, did a fine job telling us all about our eyes. Everyone enjoyed his presentation. Too bad we didn't have a full afternoon to listen further. I am sure he could have enlightened us more. There were many questions asked and Dr. Miller answered each one.

The only reason we wear glasses is to give Frank Wilson something to do - isn't that right, Frank???

All the big shots were gone to the District Convention in Hawaii. The fines were light and we sure did miss them (fines).

Fran Brannern and his Committee gives us another week to tell them what we would like for them to do with the excess project fund monies - this week is the deadline.

Mr. Fred Haley had the honors of introducing and bringing into the Club Mr. Nelson Alexander. What Fred read to us was real interesting about Nelson. We liked the part where Wood Frampton was Nelson's wife's old flame. Too bad Woody, you lost out. Of course Woody Frampton is Nelson Alexander's sponsor. Have fun Nelson, all the fines are on Woody.

Talking about fines -- Ed Matteoli was fined and he didn't even open his mouth. It can be done fellows -- that's right, Ed can keep still.

We hit the jackpot with birthdays - five to be exact. The kitty couldn't hold all the loot. George Coppinger tried his best to forget his - George it doesn't work. Good luck next time.

Attention Please!

Board Meeting on September 2nd at 7:30 pm Fran Brannern's home - 317 Matheson Street - good chance to get a make-up. Let's have good attendance at this Board Meeting.

We missed you last week. Could we see you at the meeting Tuesday, September 2, 1975.

"WE BUILD!"

# THE BUILDER

SEPTEMBER 9, 1975

Program Last Week:

Mr. Bill Kassin had two lovely ladies with him and they gave us some insights into the Powder Puff Derby. Our girls came in 4th in the race. One-hundred and two started the race, and ninety-four finished. Some even got lost, but still made the finish line.

Bowling News:

All bowlers - past, present and future - are invited to Waldo's Hideaway - Bar-B-Q on September 10th at 6:00 pm. This is on a Wednesday at Waldo's Mill Creek cabin. Let's have good attendance to this great event!!!! Do you bowl?? Would you like to bowl?? Please sign up for this year's bowling team. We would like to have four teams this year.

Fran Brannern is giving his last sales pitch on your suggestion - where you would like the excess Project Funds to go. Please let him know this week without fail.

Pop Warner Football:

You may purchase season tickets for \$5.00. Mitch says to buy them from those who sell. First game is Saturday, September 6th at 5:30 p.m. for the little fellows and at 7:30 p.m. for the big boys. Let's go and give them our support!!!!

Our boys were back from the Islands. Yes, President Ed was back and in regular form - fines everywhere - even fined us because we were sitting down. It seems like he gets a big kick out of fining people. Ellis Harms talked his way out of one. Ed would make a good C.H.P. Officer.

We missed you last week - could we see you at our next meeting???

"WE BUILD!"

# THE BUILDER

SEPTEMBER 23, 1975

Program Today:

Joe Cox will introduce a representative of the Sonoma County Blood Bank (which our Kiwanis Club has recently joined) who will give us a talk and show slides of the operation of this very fine organization. If you can give a pint of Blood, please do so in the name of the Healdsburg Kiwanis Club--we need to build up our reserve for any emergency that may arise!

Program Last Week:

Robert Malone's speaker, Dr. Marjorie Downing Wagner, president of California State College of Sonoma, certainly gave us a lot to think about! Dr. Wagner is the 1st woman president of a major College in the U.S. Dr. Wagner related the lack of confidence and appreciation today of a higher education, and of groups that campaign against higher education in the United States! She predicted that private Colleges will eventually be phased out of existence due to lack of money. Colleges today are reaching out to all ages, the 18 to 22 year old student no longer predominates the student body. She further stated that her job is more of Management rather than teaching. She concluded her talk stating that "Education is still the core of our Country". Thanks Bob for your program.

Visitor's:

We were pleased to have Elizabeth Wilson, reporter of the Healdsburg Tribune as our guest. Also Ed. Sugars of the High School Education Dept. and Mr. Campion from the Santa Rosa downtown Club.

Bowling:

No date has been set as to when the 49er League will start. The Kiwanis Club is all set with their teams; only two outside teams have signed up and contacts are being made to get more teams to full up the League! New officers of our group were elected at the recent organization meeting held at Mill Creek. They are: Bob Durler, Pres., Virg Bottarini, Secty-Treasurer, Bruno Rodella, Fran Branern and Virg Bottarini on the executive committee to set up the teams.

Fines:

Pres. Ed is going to leave a \$ reputation for collecting fines; since returning from the Hawaii convention he has innoviated more gimmicks to raise funds from his POOR members! I don't think the club got the \$10.00 for Ken's box of cigars that was raffled off?.

Old Members:

It was good to see so many of our SM's present last week, to name a few are: Bob Allen, Bid Bidwell, Monsignor O'Hare, Earl Osborn.

**"WE BUILD!"**

# THE BUILDER

SEPTEMBER 30, 1975

Program Today:

Ernie Gondola will be the program chairman today, Ernie has lined up Ron Caselli from the Sonoma County Vocational Education Dept. as our speaker. Mr. Caselli will tell us of the summer program, job oportunities, etc. that this department is doing.

Program Last Week:

Tony Calamusa from the Sonoma Co. Blood Bank with 21 years of experience with this organization gave us an inside look as to how our blood is taken and processed within the local Blood Bank. This blood bank serves Sonoma, Mendocino and Lake Counties and it is real important that anyone that can give a pint of blood every three months do so in order to keep a good supply on hand. To date our Kiwanis Club has nine pints in the Bank; this is not too much for 65 Kiwanians and their families. How about making up a car pool of members to go down some evening to make a Blood Donation?

Rotary Club Challenge:

Today we are to receive some kind of a challenge from the local Rotary Club, please be prepared to accept this challenge, whatever it may be, in order to show the community that we are the #1 Club in Healdsburg!

Lt. Governor Installation:

On Saturday night, Sept. 20th, our Club was represented by Walt Wright, Ed. Burke, Fran Branern, Roger Christensen, Frank Balbi and Ed Storey and their respective wives to help install Bill John from the Santa Rosa Downtown Club as our new 1975-76 Lt. Governor of Division 32. Bill will be a member of the team of Mort Freedman, District Governor, and Edward Novak, Jr. M.D., Governor Elect, all three of these men were duly installed at the recent District Convention held in Honolulu.

Bowling:

It appears as though the 49er Bowling League this year will be an 8 team league with three man teams! Under this arrangement the Kiwanias Club will be represented by six 3 man teams. We will hear from our Committee today and they will tell us when we shall commence our Wednesday night fun Bowling!

Ramblings of the Week:

Ed Wilson was a welcome guest last week. Ed Langhart was handing out \$2.00 bills last week, did you receive yours? Installation Oct. 7th the sign up sheet seemed to be nearly 100%, if your name isn't on same--be prepared for a \$\$\$ fine! Our poor school teachers, new and old, seem to be getting the --- (shaft) lately, don't you think our President is a little hard on them?
