### Club Welcomes Third New Member

**President Jan Gianni, Sponsor Patti Robarts, Darlene Prigmore, Membership Chair Loretta Strong**

The club welcomed Darlene Prigmore as a new member at her induction ceremony on December 9. Darlene was sponsored by her friend, Patti Robarts. Patti says that Darlene is a great Bocce player. The two first met on the Bocce court at Brutocao winery in Hopland several years ago and have enjoyed playing together since. Darlene is a native of San Francisco and has lived in Cloverdale for the last 12 years. She is a member of the Cloverdale Kiwanis Club but has visited our club a number of times and likes the people and what she sees and hears. Since she dislikes the 7 AM Cloverdale meetings she has decided to join us, although she will also remain on the Cloverdale roster. Darlene is the caregiver for her 97 year old mother.

### Another Successful Year for Christmas Tree Lot Sales

The closing of the Healdsburg Kiwanis Christmas Tree lot on December 22 marked the conclusion of another successful season for tree sales. All but about 25 trees out of the total inventory of about 1400 were sold. Gross sales for the season were approximately \$97,000 and the net proceeds, pending receipt of final invoices for expenses, are expected to be about \$40,000.

The success of the tree lot is because of the many hours of hard work by lot managers and other members of the tree lot committee led by Ken Scharer, Chair, as well as all able bodied club members who staffed the lot every day. Special thanks to members of the Cloverdale Club who staffed the lot on one of the busiest days of the season and the Salvation Army men who worked the lot every weekend. A number of Troop 21 Boy Scouts also pitched in.

**The President’s Message**

By Jan Gianni

**Happy New Year dear Healdsburg Kiwanis Club Members!**

Phew!! We can ALL breathe a sigh of relief that another holiday season and month long Christmas Tree Sales are behind us. I have to say what a “feel good” feeling it is, as a cashier when I watch a local family hit the lot, be greeted by one of our awesome sales folks and have fun choosing their holiday tree. When they hit the trailer with the little ones eyeing the candy canes and tell me a little about how they will decorate their tree, I am reassured that this is a good thing we all do. We will ultimately be serving the community and others as well, in many different ways. Thank you to all club members who worked their shifts and especially to those committee members who put in countless hours many of us do not even realize. Hopefully everyone was able to leave the hard work behind and enjoy the rest of the holidays with friends and family!

What’s ahead for you in 2015? Dan and I plan to continue having more fun with all of you in the New Year, while working hard on all of our annual projects like the Pancake Breakfast, the Memorial Weekend festivities, the Fitch Mountain Footrace, the Brandt’s Beach BBQ and the Golf Tournament too. We are also continuing to bring in “pocket change” for the Project Eliminate Neo-Natal Tetanus program. Thank you all for this generosity!

We ask you for your assistance once again if possible, to continue helping invite guest speakers to our meetings this year. As you know, the attendance at the November evening meeting was considerably up and we hope to see this continue.

Our wishes for all of you are good health, happiness and continued service, as we work together and enjoy good times in 2015!

There was no Board of Directors meeting in December.

## Meeting Programs

### December 2: Margie Pettibone, Catholic Charities

Margie Pettibone, Assistant Director of Advancement of the local Catholic Charities organization presented an overview of the services Catholic Charities provides the community.

Catholic Charities is an independent 501(c)(3) nonprofit serving people of all faiths, touching the lives of over 76,000 men, women, and children from Sonoma to the Oregon border with more than 20 different programs of service. The services focus on three areas:

- **Challenging Poverty:** Tonight in our communities more than 7,000 people will be homeless and 136,000 people will go hungry. Basic needs of children and adults in crisis are met and the volunteers help create long-term solutions for stable lives. The 138-bed family support shelter in Santa Rosa provides a warm, stable home for families coming from cars, tents, and crowded motel rooms. Geared to meet the needs of every family member, with a special focus on children, services include case management, employment and housing
- **Caring for Seniors:** By providing loving support for seniors, their caregivers, and their families. Almost 200 people annually are enabled to age gracefully at home rather than in an institution.
- **Counseling Immigrants:** Almost 2,000 people per year are helped with legal resident applications, citizenship classes, and refugee services.

Thanks to [www.srcharities.org](http://www.srcharities.org) for the above.

Although affiliated with the Catholic Church, the organization is independent and receives no financial support from the Church. Funding sources include federal and local grants, fee based programs, and donations from individuals and businesses.

The entertainment for the day was provided by Santa Claus himself, aka Dennis Stead. Santa read letters from several members who claimed to have been especially good and deserving of the gifts they were requesting from Santa. Santa had a full bag and, with the assistance of his elves, distributed gifts to a number of the deserving members. The photos on the following page show some of the victims with their gifts.

Following the luncheon, Dan Mariviglia led a number of members in caroling at Healdsburg Senior Living on Grove Street.
