## THIS WEEK

Rear Admiral Armand J. Robertson, USN (RETIRED), will discuss "The Effect of the Geneva Conference on the Far East". Admiral Robertson, a veteran of many years service in the Navy, comes well qualified to speak on this subject of vital international importance. Russ Stevens brings us this most interesting program.

## INTRODUCING -

the officers for 1956 that you elected last week:

- President - Ted Kellogg
- Vice President - Ed Nielsen
- Treasurer - Al Huddart
- Sgt-at-Arms - Frank Thrall
- Directors - Perry Beeson, Roy Doolan, Lee Silveira, and Jack Wheeler

## ANNOUNCING -

that Kiwanis now officially sponsors Tom Beahms' bowling team competing in the Santa Rosa Tournament. The team rose to the occasion by winning 3 out of 4 games last Tuesday while the Board was in session.

## WHITE ELEPHANT SALE

Net receipts of over \$600.00 greatly exceeded the estimate in our budget. As expected, merchandise of value was much scarcer than in previous years. There have been so many rummage sales.

Then how did we reach this goal? Frank Thrall played a part in it by careful planning and inspiring leadership. So did the small group of hard working members who solicited, collected, delivered and sorted the merchandise, putting the show on the road.

The stage is set-----. Spotlighted on it are Co-chairmen Katherine Kellogg and Ruth Thrall, and all the lovely ladies who worked in the dress department. Who else would know whether to price a dress at 25 cents or \$2.00? The dress section was the money counter at this sale. Then to show that their special talents were not confined to dress sales, they had a food sale!

The office of the Builder has been swamped by visitors insisting that we "thank the ladies". As if we didn't know.

## KEY CLUB

Kiwanis will be represented at the Key Club luncheon next Thursday by none other than Vice President Elect and Key Club Chairman Ed Nielsen.

## THIS WEEK

Jerry Miller brings Past President Tom Ludcke to us from Vallejo. Tom's many friends in the Club always look forward to his visits, especially when he comes with words of wisdom in what promises to be an electrifying program.

## PINSETTERS HOLIDAY ENDS

0 0 0 0 Our bowlers had strikes to spare last Tuesday night. They made a  
0 0 0 clean sweep, taking four out of four; thus avenging the initial 0-4  
0 0 and placing the team in an unofficial second place. Mainstay of the  
0 team was By Gibbs who got his "three-holer" at the White Elephant Sale for \$2.00. After leading the team to victory Byron indicated that the ball's value had increased considerably and he would no longer be willing to sell the same for \$2.50. Enough interest was shown to organize a second Kiwanis team, but the late date forced Tom ( the man who got the ball rolling in the first place) to postpone those plans until a later date.

## CONVENTION BOUND

Chuck and Russ leave this week-end for San Diego and the District Convention. While Russ will be scratching his head over problems of District Finance, Chuck will be offering sage words of wisdom to Club officers "coming up the ladder". More of this next week.

## THIS WEEK

We entertain the Key Club today and will observe the induction of their new members. Program chairman will be Ed Nielsen, Chairman of the Key Club Committee.

## CONVENTION WEEK

At the District Convention last week, our Club was represented in color by Past Governor Russ Stevens and Cleone, President Chuck Campbell and Ruth.

President Elect Ted Kellogg presided at last Tuesday's meeting with aplomb and decorum, loyally supported by two Past Lieutenant Governors and 14 Past Presidents, Roy Haley being away on vacation. Walt Marshall pitched.

## SONG TEAM

A new song team was enthusiastically cheered at this meeting, Tom Beahm on the rostrum and Ray Baskin at the piano.

## PROGRESS

Those who listened to Tom Ludcke's inspiring talk instead of trying to figure how much Ray Wainscott won at the Fairs were well rewarded.

Tom's speculations on the future reminded the writer of the new miracle farm implement, the Wonsover, which is already on the market. Attached to a tractor or harvester, this machine fertilizers, plows, discs, levels, seeds and spreads insecticide all in one operation. There is just one drawback. The farmer has to go along.

## KIWANIS BOWLING TEAM

The interest in our bowling team is building up and our players are recipricating with winning scores. Wouldn't they look splendiferous in pink silk shirts with "Healdsburg Kiwanis Club" across the front? And while we are speculating, would Music Director Tom Beahm bring them to a meeting sometime for a rendition of "Sweet Adeline"?

## KEY CLUB

Elvin Jackson will represent Kiwanis at the Key Club meeting Thursday, October 27th at the Senior High, room 46.
