This will take place at Marine World in Vallejo and the cost is \$19.50 per person. This event will give you all a chance to have a great outing with family, especially your grand children and at the same time show support to our own Key Club. The Key Clubbers will be at the High School parking lot at 7:45 am. They will need rides to and from Vallejo so please volunteer if you are able. Call Jerry Strong, Dennis Stead or Mark McCoppin for more info.

HAPPY AND DAD DOLLARS

Whether it is because this was the first meeting of our new year or you all were showing off for our New President, John Bippart or for any other reason, the response was overwhelming which didn't give me time to take accurate notes. However, I will offer the following to the best of my ability. First there was Bob Meyer who related my screw up of his trip back east and Reno on the way home. I inadvertently gave credit to his daughter back east in presenting Bob with a new grandchild. Not only was this information incorrect, but his daughter isn't even married.

Dale Lynch un-happy with CHP upping Alexander hwy. to 55mph. This makes for a more dangerous situation to bicycle riders. Dale welcomes all who agree with him to protest to the proper authorities. Rich Lehrmann suggested all who agree with Dale to lie down in the road. Bob Marmor said he felt very safe while attending our luncheons with so many Attorneys in the room Jack Brandt happy that he attended the last interclub last week which made our goal of attaining the super round robbin. Phil Rice also attended in which the foursome played golf afterwards and Phil and His partner beat the pants of of Jack and his partner. Alvie did his first official act as Lt. Governor by attending the Fort Bragg Installation of new officers. As Alvie was inducting their President, The Ex. Pres looked over Alvie's notes and then immediately inducted the rest of the officers. Alvie said it was the easiest installation ever. Jim Birdsong traveled with one of his co-workers at the bank, to a Mendocino Harvest fair in which Jims co-worker wanted to enter a cow milking contest. Guess what. He won.

There were many many more Happy And Sad dollars from George Clough, Tim, Sandy Dunn, and Bob Young. I am sorry that I couldn't catch the why or wherefore of each but thanks for your contribution. I will offer this suggestion as a remedy for this problem and that is a cordless microphone that could be passed around the tables for each speaker. It would make it much easier for the writer to hear and identify each speaker. Believe me, it works.

FINES

John Bippart surprised us with a new twist to the apron fines. He asked that the following names please stand. At that moment, those whose names were called all had happy looks on their faces expecting to receive some award. Instead, John said they all failed to sign the aprons of the newly inducted Kiwanians of the past few weeks and consequently were fined one dollar each. Unfortunately, their were many names called in which they were absent today and how we will collect their fines will be up to John Bippart.

PROJECT REPORT

Rich Lehrmann reported that the CAT HOUSE is progressing nicely. Bill Arrow, the Electrical Contractor, has completed the wiring rough in, Tuscan Plumbing has not as yet started work. Rich will follow up on the plumber. Ken Turnbow, director of Carpentry said that phase of work is progressing. Bill Talley, City of Healdsburg Bldg. Inspector as well as one of our new members is making sure all work is in compliance with City Code.

INDUCTION

Bob Meyer was pleased to introduce his long time friend and co-worker at Geyser Peak Winery, Dolores (Dee) Whitehall. Tim Tuscan then began induction proceedings in which Bob, her sponsor had the pleasure of pinning her, and she then reciprocated by pinning Bob with a pin for bringing in a new member and the ceremony was concluded when 6 Kiwanians stood and each stated one of the six principles of Kiwanis. GUEST SPEAKER

Lee Gunnerson introduced our Mystery Guest Speaker who graciously consented to fill in for the scheduled (no show) speaker and up popped our own DALE LYNCH. What a man. Dales topic was Safeway Stores. Dale started with Safeway at the age of 16. Not by choice mind you, but because his Father asked the local Safeway Manager to give Dale a part time job while he was in High School. After High School, Dale continued with Safeway while he was attending Long Beach State. After graduating College, Dale joined the Army and after he completed his term of service, which left him in Banning, Ca., he and his wife new one thing for sure and that was to get out of Banning. It is a little Town surrounded by sand; however the local Safeway Manager new of Dales Abilities and begged him to come back to which he agreed.

From that point on Dale worked his way up the corporate ladder. Soon he was transfered to Seattle where he learned most all facets of the super market business at which time he became a dist. mgr. and continued to learn more about the business of super market operations.

When his territory included Alaska, Dale wondered how a food products store could exist in Sub-zero temperatures in which perishables would freeze and turn to mush when thawed. When special door seals were made for both trucks and warehouse, this problem was solved and so it went for Dale in which his talent as a manager took him right into the Presidents Chair, but not until after he refused the first offer of the position. Two years later, Dale was invited to Oakland, Safeways Home base, whereby they did not ask Dale if he would take the top job, instead they told him he was it and so it be. Before retiring, Dale advised the Board that he would like to retire at age 62, but would serve on the board if they so desired. Safeway reluctantly accepted. I for one am proud to say I am a fellow Kiwanian along with Dale Lynch

One last reminder about our meeting next Tuesday. Oct. 12th. It will be held at Nancy's place. LYTON SPRINGS SALVATION ARMY @ 12:00 NOON. If you do not know where this is, please call someone who does. Thanks

Lee presented Dale with a bottle of Geysers Peak wine which Dale graciously accepted and remarked that the wine was made from his grapes. John then brought the meeting to a close at exactly 1:30

LAST REMINDER REGARDING MEETING NEXT TUESDAY OCT 12th. IT WILL BE HELD AT NANCY'S PLACE LYTON SPRINGS, SALVATION ARMY AT 12:00 NOON. IF YOU ARE NOT SURE WHERE THIS IS, PLEASE CALL SOMEONE WHO DOES, THANK YOU.
