## FUTURE PROGRAMS

**TODAY - Rubin Arminana** - The President of Sonoma State University

**November 23, 1993 - Bruce Rochester**, the son of **Al Rochester**, who will talk about gangs.

**November 30, 1993 - Dr. Joan Dahmer**, will talk about the changing Health Care System

**December 7, 1993 - Christmas Party** - At the Villa; Cocktails at 6:00pm and dinner at 7:00pm. No noon meeting this day.

## LAST WEEKS MEETING

The thought for the day was given twice by **Bruno Rodella** because **President Ted** was late. The thought was "*It is better to have people think you are a fool than to open your mouth and remove all doubt.*"

On November 2, we had **Robert Hardy** as our Student of the Month. Robert is the Lt. Governor of the Key Club and Past President of our Key Club. He plans to enter the Air Force Academy and major in engineering.

**Jay M. Behmke** was the guest of **Bob Young** (for the last time he says). Jay is to be inducted today.

**President Ted** asked for someone to act as an advisor to the Key Club. If you want more information on what is involved you could talk to **Barclay Nalley** about it as he has served in that position often.

**Jack Brandt, Jerry Strong, Allen Owen, and Richard Iverson**, all celebrated their 39th birthdays? Well, some may have.

Lucky **Gary Rosenberg** won the lottery.

**Steve Tice**, who had to start the meeting because our President was late, was the program chairman, and introduced **Officer Gary Hogan**, of the California Highway Patrol. Gary came to USA from Ireland at the age of 17. After serving in Vietnam, he resolved never to wear any uniform again but has now been with the CHP for 20 years. He said that there has been a 6 year decline in highway fatalities and attributed it to seat belts and helmets in large part. He predicts toll roads in our future and warned us against parking in handicapped spaces and driving without uninsured motorist insurance. Good program Steve.

Some of the happy and sad dollars were **Tom Roscoe** glad to be back on his feet from knee surgery; **Tom Rackerby** sad for a death in his family but glad for his successful audit; **Bob Young** happy to return from elk hunting to find his harvest completed; **Jerry Strong** was either glad or sad to have had a surprise 60th birthday party; **Ray Baskin** very glad to be celebrating his 57th wedding anniversary.

*How about the free publicity in the Tribune our attractive new bulletin received!*

### FUTURE PROGRAMS

TODAY - Dr. Joan Dahmer will tell us about the changing Health Care System in this country and something of Health Care in Canada.

December 7, 1993 - Christmas Party: Our annual Christmas Party begins with cocktails at 6:00pm at the Villa Chanticleer. Dinner is at 7:00pm. Erle Cook will be collecting payment for the dinner today.

December 21, 1993 - Philip Arron - Our Lt. Governor will visit our club. It is our chance to find out what is new in the world of Kiwanis. It may also be a good time to put your hat in the ring for his position. President Ted said that they are looking for a candidate. Lets nominate Vince Dougherty!

### LAST WEEKS MEETING

Tad Curtis gave the thought for the day again. *"Don't major in minor things."*

Clarence Ruonavaara gave us a brief history of American Field Service. The local chapter began in 1961 and now raises close to \$6,500.00 a year to support sending deserving students to foreign countries to study and help locate foreign students in homes in this country. If you would like to join many of your club members in supporting this cause you need to let Clarence know by December 12th.

Hunt Conrad asked our members from Midtown Realty to sing Happy Birthday to him. We probably will not get that request again soon.

President Ted announced that Lee Gunnerson will act as an advisor to the Key Club.

Earl Osborn and Gary Rosenberg were awarded the Legion of Honor certificates recognizing their 45 years as members of Kiwanis. Very impressive, fellows. It is also hard to imagine that the club was 30 years old when they joined. Think about it.

November 24th is the opening of a Christmas toy show at our local museum. Drop in any day Wednesday through Sunday from noon until 5:00pm to see a very interesting exhibit. Bring your children or grandchildren. There is also a gift shop in the museum where you may find a gift for someone for Christmas.

December 1st there will be a Board Meeting at the home of Al Rochester at 7:00pm. All members are welcome. Attendance at a board meeting is good for a makeup.

Kurt Hahn went all the way to Alaska to learn how prominent our Bob Young is and that they know about him on the Alaska Airlines. There was a nice story about Bob and his sons in their magazine.

Vince Dougherty introduced Bruce Rochester and Dennis Smiley, from the Sonoma County Sheriffs Department. These two gentlemen told us about the history of gangs in California as well as Sonoma County. In 1988 there were 80,000 gang members in Los Angeles. We have 10 certified gangs in Sonoma County and are fortunate that they have not started to market drugs. They are doing all they can do to inform parents about gangs and how to see signs of them. They also go to schools and try to instill self pride in the children to help them avoid joining or being involved. A very interesting program.
