VOTE! VOTE? VOTE?????? Don't forget today is the day we select our representatives in the various branches of Government to run our Country. Also, to decide the various propositions that are on the ballot. Pres. Ed will probably \$fine\$ all Kiwanians that do not have their ballot ticket stub in plain site.

Tonight, Nov. 5th, is the regular Board of Directors meeting, to be held at Ed's house, located at 1024 Harold Lane. Time, 7:30 PM. Budgets and setting up a calendar of events for the year will probably be the main topic of discussion.

Last week's program, chaired by Bill Hayes, introduced Rev. Marvin Bauers of the St. Paul's Church. Rev. Bauers gave us his viewpoints on the Religious Values in connection with Elections and Government in the past and present times.

Gary Williams was inducted into our Club today by Fred Haley.

Gary is the new Golf Pro at Tayman Park. Gary's is married and her name is Gale. Welcome to the Club, Gary. Gary's interest lies in youth work and he was sponsored by Bruno Rodella.

Walt Wright presented immediate Past Pres. Fran with his Past-President's Plaque. This memento of a job well done comes from International, and was not delivered in time for our installation.

Al Rizzo enjoyed our Happy Birthday song, last week. Congratulations, Al.

Pres. Ed put Art McCaffery on the spot to get our Key Club members to our meetings or PAY A GOOD BIG \$\$\$ FINE\$\$ -- Let's see what luck Art has?

On October 31st, enough members attended the Santa Rosa Club's pancake breakfast at Los Robles Lodge to make an Interclub. Let's try to have at least one Interclub per month this year.

Virg Bottarini enjoyed a 633 bowling series, last Wednesday night, Nice going, Virg! To date, our teams standing, in the League, are as follows: Able, second; Ready, third; Willing, fourth; and Maybe, fifth.

This Weeks Program:

Today's Program Chairman is Ken Gonsalves. He has as his program speaker Bob Gelber from the research division of Optical Coating, Inc., Santa Rosa. Mr. Gelber will speak on some new technologies and applications of our new potential source of non-fossil energy-solar energy. A slide presentation describing mechanisms and systems already in use will be included. Mr. Joseph Apfel, Director of Research and a member of the Santa Rosa Kiwanis Club will accompany him.

Last Weeks Program:

Last weeks programs were very interesting. The first was by Lee Sayre who hates to give up the podium when he gets the bit in his teeth. The second was Ed Wilson, Lee's partner & Phil Cadosi's son-in-law. Ed showed slides and talked about his experiences in Vietnam flying Caribou. Have any of you hunters had the courage to tell your wives or friends that you shot at a flying Caribou? I dare ya.

Are there any old timers still in the club who remember when this day was a national holiday? Changing times!

Jerry's interclub committee is off to a start for another round robin award with an interclub with Sonoma - 11/11/75, (Tonight) at 7:00 pm at the El Dorado Hotel, the North West corner of the Square in Sonoma. Anyone wanting a ride or offering a ride meet at the Federated Church here at 6:00 pm.

Note the new time and place for the Sebastopol club. Tuesday NOON at the Odd Fellows Hall on McKinley Street.

It is time to plan your Christmas Cards and Bud Christensen is again taking orders & money for the Community Card sponsored by A.F.S. This stands for American Field Service which organization handles the exchange student program in our High Schools. Yours truly hosted a Turkish daughter in 1967. Sutfiye truly became a member of the family and her return to Turkey was a traumatic and teary affair. I most heartily recommend the program.

Ken Gonzalves is program chariman this week and is keeping his speaker a secret.

GIVE BLOOD!!! It's easy and the Bank really needs o- especially.

"WE BUILD!"

THE BUILDER

NOVEMBER 25, 1975

Program Last Week:

Last weeks program was brought to us by Fairchild!! Program chairman for the day, George Coppinger of Fairchild, he introduced Chet Lauchner also from Fairchild, who gave us the inside scoop on how Fairchild happened to locate in Healdsburg and the problems involved in getting a plant like this set up in Healdsburg. Chet related the fine cooperation he received in all of his dealing with the city and the local people. Fairchild is apparently happy to be a part of the community and I'm sure the community is happy they are here.

Next Weeks Program - Nov. 25, 1975:

Program chairman for this weeks program is Robert Allen. Bob has several good programs lined up but he wasn't going to reveal which one he'll have this Tuesday. He wants you to come and see. I'm sure we'll all enjoy this weeks "Special".

The Healdsburg Kiwanis Club blood bank account continues to grow. Several of the members have recently given another pint of their blood. It's available when needed for you. Also you can add to this account at any time. Don't be bashful, that needle really doesn't hurt!!

Jerry Miller is doing a good job in setting up for our inter clubs. Don't forget each of us is expected to make at least one inter club each year. One isn't very difficult. Don't hesitate when Jerry announces his future plans for these inter clubs. Plan to participate in meeting with the clubs in our surrounding areas, its fun!!!

Who are you going to invite for lunch this Tuesday? Get on the phone and call him right now while you're reading this. Share Kiwanis with your friends.
