### THIS WEEK'S PROGRAM --

Our speaker today will be a young man with some first-hand experiences on a very timely topic-Vietnam. Just returned from the "hot spot" is Louie Muzzin who has just finished a tour of duty with the military there. Waldo Iversen will be the Kiwanian-of-the-Day. Louie makes his home in Geyserville and is a paratrooper.

### NEXT WEEK'S PROGRAM --

Get ready for Farm-City Week by inviting a farmer friend to have lunch with you on our meeting day. Ted Kellogg and the Ag and Conservation Committee are preparing the program.

Along The K T-R-A-I-L: . . . It is interesting to note from a report to the Board of Directors that our club is a typical spender. For the first ten months our expenditures have exceeded our income by \$127.77. The only way to make it more typical is to spend more. Treasurer Ed assures us, however, that the year will end up in the "black." He does a whale of a good job with his pencil. . . . One of our good members of 20 years standing has found it necessary to resign -"BK" Van Cleave, who has made his home in Daly City for the past year, sends his regards to the club with his note of resignation. . . .The directors voted to continue the program of furnishing trophies for the basketball teams at the high school which was done last year, as was an awards dinner. The trophies go to the player of the week, captain, most valuable player, most inspirational player and most improved player for an estimated cost of \$142.00. . . . Also resigned, Bill Bullard. . . .It's time for every member to bring in a new member before the end of the year --to meet our quota.

### THIS WEEK'S PROGRAM -

...This is our observance of FARM-CITY WEEK and members should have a farmer as a guest, or farmer members can bring a "town" businessman. The ag and Conservation committee have arranged the program. Robert Haskell of the Pacific Gas and Electric Company will be the speaker and will address the club on the topic, "Atomic Use on the Farm and in the City." This will take care of both sides of the old potato. Ted Kellogg will be the Kiwanian-of-the-Day.

Along the K T-R-A-I-L: . . . . . It was good to see so many guests present on Tuesday last. . Ever hear of a man throwing himself into bankruptcy? -take a K with a good right arm and a handful of napkinballs -and a president with a sharp eye! -- it helps the treasury! . . . It's almost 11 down and 1 to go -so make one more big effort to get a 100% attendance month . . . . .

### THOUGHT FOR THE WEEK

MOST of us are frantically trying to invent a machine which will solve our problems, when all the while we have within us the proper machinery if we will only set it going. That machine is the human soul. The success of individuals, of communities, and of nations depends on the extent to which the spiritual forces, latent in all of us, are wholesomely developed.

(Perry S. Patterson, president 1918-19)

### THIS WEEK'S PROGRAM -

A charming young lady is going to bring us her version of the Peace Corps in action in historic old Morocco - and you can't go wrong with the charm of such a program. Our Kiwanian-of-the-Day will be Stan McNulty.

### NEXT WEEK'S PROGRAM -

"Rick" McClish, an outstanding young man with a lot of get-up-and-go, spent the summer in Austria and will be on hand to tell us about his assignment in that part of Europe.

:::::

Along the K T-R-A-I-L: . . . We learned from Key Clubbers Dave Shubert and Nick Fowler that the Keys will shortly undertake the Queen of the Redwood Empire Basketball Tourney contest ---this makes the second queen contest this far this year --- now that's a line of activity that is hard to beat ..Our club has been issued an invitation to enter a quartett in the Service Club competition at the annual Cloverdale Citrus Fair slated for February 22-25th -- it goes without a warble - we should have a winner, especially if Walt W puts his "Let's Sing Like the Birdies Sing," on the show. . . . . By the way, the next meeting of the Key Club will be on December 5th - a good time to make up a lost meeting.

oOo

-a thought in color-

With Chivalry

"When bird and sun are moving south once more,  
And equinoctial storms have come and gone,  
The trees, like Raleigh, doff their brilliant coats  
And lay them down for us to walk upon.

-I. W. Schow
