**Spooktacular Quiz at Halloween week evening meeting - Not for the faint of heart but everyone was a winner!**

Our pre-Halloween evening meeting was a fun night devoted to fellowship and a Spooktacular Quiz monitored by Dick Bugarske. The quiz consisted of 25 questions about horror movies as shown below. Scoring was by the honor system with persons claiming the highest scores first to select wine from the large collection displayed – some high quality and others not so much. No one had the audacity to claim a score of 25, but some exaggeration was suspect.

## **The President's Message**

I recently sat down with club member and Past President John Bippart to get some sage advice on what he thought we as a club should do moving forward. His view was clear and simple: There are a lot of people in our community who are in need. Focus on that. That's what we as Kiwanians are all about.

We all agree on that, I believe. The Covid restrictions have prevented us from carrying out many of our usual events but somehow Presidents Terri and then Anna have admirably soldiered on, and we have given much back to the community in these trying times. And we must continue to do so because that is what we are all about.

Dick Bugarske just uncovered an opportunity for our club members to give to the community with some much-appreciated assistance at the Redwood Empire Food Bank. Just a couple of hours can make a difference. Work with others, use your hands, meet some new people, including our own Key Club members who are pitching in. Wear your Kiwanis shirt. Let people know who we are and what Kiwanis is all about. Have fun. It would be wonderful to see some of you that we haven't seen in a while. We need you. The community needs you. We will be keeping a list for other opportunities to jump on board and get it done for those in need in our community.

Rowdy Yates, President

(Co-President, Rich Thomas has resigned for personal reasons.  
A legend in Sonoma County and beyond. Be well, Doctor Vine)

## **Volunteers needed to fill Board vacancies**

Presently, Dennis Stead and Rowdy Yates are each serving two roles with the board and the club by-laws require that they serve only one position on the executive board. Therefore, we are required to elect replacements for the board. If you are interested, please let me know.

Rowdy

## Board of Directors Meeting

*Summarized from minutes by Nancy Arsenault*

The following is a summary of actions taken and items discussed during the October 2021 Board meeting:

### Administration Management

#### Financials

- Total assets are currently \$19,004 of which \$10,000 is in the Admin Reserve Fund, and \$0.00 in the Charity Fund.
- \$100 was approved for Boosters Club last month.
- The Steelhead Festival is cancelled. The Army Corp of Engineers has not approved the festival due to COVID.

### Healdsburg Kiwanis Foundation

#### Grants/Donations/Requests

- Doug Price, Scout Troop 21, will address the Club as a guest speaker on November 2, 2021, to discuss future scout projects and donations to Scout Troop 21.
- Kids Scoop News magazine - \$600. Nicole Nobi, representing the magazine requested funding for \$300 per classroom to be donated to Healdsburg Elementary School. We have contributed for two classrooms in the past.
- Santa Rosa Symphony League - \$1,000. We have donated for the last 7 years.

#### Foundation Financial Report/Business:

- Total assets in the fund are \$93,830. This total includes:
  - Restricted Endowment Fund - \$6,863.
  - Unrestricted Endowment Funds include the Jordan Strong Memorial - \$5,070 and the Fall Pledge Drive - \$32,387 for a total Children's Fund of \$44,321.
  - 3-year reserve @ \$15k per year - \$30,000. (\$15k for the current year has been moved to the unrestricted fund.)
  - Unrestricted funds of \$19,509 are available for donations.

- A motion was made to take the Fall Pledge Drive money total of \$32,387, minus \$4,000 to be given to vocational schools, to be moved into the permanently restricted Endowment Fund. However, the motion was withdrawn after discussion and a decision made that a committee be formed to decide what to do with the funds. Liz will chair the committee. Barbara and Randy volunteered to be on the committee along with asking others in the club who might be interested. There is no restriction on how much of the money we specify for vocational schools.

#### Fundraising Planning Dates and Events:

- St. Patrick's Day Foundation/Project Fund

#### Other Business:

- There are no dictionaries going out this year because unessential individuals cannot enter school buildings. However, could we order the dictionaries and drop them off at the school for school personnel to pass out. We did not hand them out last year either. So, we need to pass out dictionaries to both 3<sup>rd</sup> and 4<sup>th</sup> graders. Denny will contact Dick B. to find out if the school is interested in this new dictionary delivery system to youngsters.
- Rowdy is both president and on the board. He will resign as a board member. Loretta will be contacted by Denny to ask if she would replace the empty board chair. Randy will check with the by-laws to see how to proceed.

## Meetings

September 14:

Nancy Arsenault's guest at our September 14 meeting was Tony a formerly homeless man who she befriended at the Redwood Gospel Mission Nomadic Shelter. Nancy helped Tony get back on his feet by guiding him through the processes of getting a birth certificate, social security, a bank account, and other needs for a normal life.

### Tony's Story

*From Redwood Gospel Mission handout*

A few winters ago, Tony was living on the street, sleeping under the 6<sup>th</sup> Street bridge or wherever else he could find some sort of cover.

Then the weather changed.

*"When the rain started coming, I had a hard time trying to find a place to sleep", he says. "The Nomadic Shelter was the only other place I could go that was immediate."*

*"When I got to Nomadic Shelter, I didn't expect to be blessed the way I was," Tony remembers. "It was just like hitting the gates of heaven. It was very Welcoming."*

One of the people Tony met was Nancy, who was volunteering. God had ordained them to be friends. There's just no other way to say it. Unprompted by anyone at the Mission, Nancy decided she wanted to help Tony.

*"I needed help getting my social security, I needed help going to doctor's appointments, I needed help doing all kinds of things," says Tony - "Nancy got involved, and so we started hanging out, she started taking me to my doctor's appointments, helped me get new glasses, and an ID. I didn't have an ID before for 30 something years! She got me started."*

*"I was broken inside, and I was physically broken, but once I hit the Nomadic Shelter, everything changed. It*

*seemed like everything was healing for me, and that's where I met Nancy," Tony says. "I have a lot of connections now and all that stems from the Nomadic Shelter"*

Now Tony and Nancy go to church together, and Tony has become part of Nancy's extended family.

*"I thank God because without the Nomadic Shelter, I don't know what I would have done," says Tony. "Now I'm taking care of myself with His help, the church's help and everybody else."*

The Nomadic Shelter is a county-wide ministry organized by the Redwood Gospel Mission to help provide shelter to the homeless community in Santa Rosa.

During the colder months of the year RGM's facilities reach max capacity—often having to turn people away. The nomadic shelter partners with churches across the county to help offset the surge for those needing warm shelter and providing additional care, support, and food night-after-night.

Randy was recently presented a plaque for the Cal-Nev-Ha Children's Fund Distinguished Service Award "In appreciation for the many hours of service rendered for Kiwanis and your Community". The honor was first presented at the Governor's visit on July 18. A well-deserved honor!

## Please help update our banners

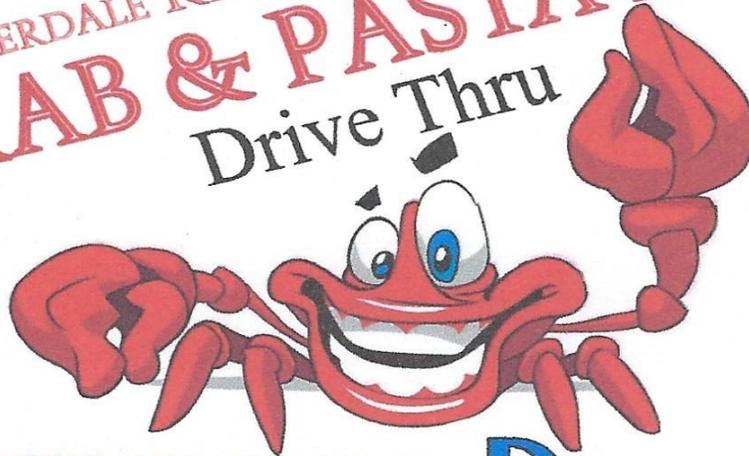

Our club has 8 Kiwanis Honors banners that proudly hang on our meeting room wall during our meetings. Two of them shown below.

The banners display award patches received by the club and individual members over many years. The banners have not been updated for several years. Recent award patches have not been sewn on the banners and they probably reside in members drawers or other stashes at home. Please help locate them so they can be displayed.
