THIS WEEK:

Tuesday's Second Annual Appreciation Day Program honors all non-Kiwanians who have given of their time and energy to assist us in our many projects. Each of us will have an opportunity to personally thank our Scout leaders, Camp Fire leaders and the large group that helped us with the Junior Olympics as well as many others. A shake of the hand and a word of encouragement at the close of our meeting will mean a lot to our guests today.

KEY CLUB:

Enthusiasm for bowling teams is spreading. The Key Club boys are trying to promote a bowling league to include Santa Rosa and Sebastopol.

CHRISTMAS TREE SALE:

Our main fund raising project for 1956 starts officially tomorrow (Dec. 5th) and Co-Chairman LEN BOYD will be on hand today with the list of duty assignments. It will be the responsibility of each member to adjust the hours assigned to him if necessary by trading with another member. We have over \$2,500 invested in these trees and will all have a happier Christmas if they are converted into cash by December 15th the tentative deadline.

CHRISTMAS PARTY-LYTTON HOME:

Our annual ladies night at Lytton is now scheduled for Tuesday, December 18th. Dinner will be served at 6:30 P.M. This advance notice will help members to plan accordingly.

BOWLING NOTES:

Results of Nov. 20: EXTRA! EXTRA! Kiwanis #2 team out-bowls Kiwanis #1 team-- taking 2 of 3 games!! Something about a "Kitty" being involved which spurred team 2 on to a smashing victory. Could be team #1 had too many "90" bowlers that night? Results of Nov. 27: Team #1 bounced back from hard-to-take defeat last week at the hands of team #2 by upending the Roseland Lions 2 to 1. CLUE: Watch out now! Team #1 WILL keep rolling smoothly along and when the 2nd half of the season gets under way will be in strong contention to lead the league (I hope, I hope, I hope). Team #2 back to "normal" again this time losing 3 to the Montgomery Village Lions in spite of the outstanding bowling in the entire league that night by RAY SKINNER who hit a high of 553 including a 201 game. Nice goin' RAY. P.S. WHERE'S YOUR SHIRTS, TEAM #2? Haven't lost 'em before you got 'em, have you?

PUBLIC and BUSINESS AFFAIRS:

This committee has a brand new job and a bank account to go with it. A member recently donated a pint of blood to Kiwanis. A bank book credited with the deposit, currently valued at \$32.50, has been received. The Board has assigned the book and supervision of the account to this committee.

KEY CLUB:

ROY HALEY will answer the call at the Key Club's meeting this coming Thursday, December 6.

THIS WEEK:

RAY BASKIN is preparing a Christmas program which will include the Junior High Choir.

FUTURE MEETING SCHEDULE:

December 18th: This is our annual ladies night with the children at Lytton Home. A round table will be held at the Guild Hall at 12-12:30 for members unable to attend the Lytton dinner. President-Elect ED NIELSEN has arranged a fine program for Lytton including a magician for the children and the 4 Sharps and their wives (who are not known as the 4 Flats) to entertain the adults.

Confidentially among us members, our Christmas present to Lytton this year is a television set for the hospital quarters.

Let's all be sure to save the 18th for this special event. A large turn-out will assure its success. Remember, this is an excellent opportunity to entertain guests. They will be most welcome.

December 25th: No meeting and no round table. Members may all relax at home with the blessing of Kiwanis.

January 2nd: Since the New Year Holiday again usurps our meeting time we will lunch at Bellevue Villa the following day (Wednesday) at the usual hour. A round table will be held at the Guild Hall to contact guests and members who forget what they read in the Builder.

1957 ORGANIZATION CONFERENCE:

ED has set Sunday, December 16th as the date for the annual get-together of committee chairmen and Club officers. Be sure to mark your calendar for this important morning's deliberation.

DIVISION NEWS:

Lt-Governor-elect (and our own past-President) Tom Ludke returned home Sunday from the hospital and is making good recovery following his recent illness.

BOY SCOUTS:

Kiwanis' own Boy Scout Troop #21, has had an active year to date, under the excellent leadership of Scoutmaster Ron Bynum. Thirteen boys from our troop participated in the council "Fall Roundup" held at the Two Rock Army Base on October 19-21st. The 6th Army took the scouts and scouters under their wing and put on many demonstrations of interest to the boys. The troops camped and cooked their own meals, with competition in games, sports and woodsmanship. Our troop participated in the national "Get Out the Vote Campaign," and distributed 500 posters and door knob cards the day before elections. On the agenda for the near future is a row boat trip from Alexander Valley to Healdsburg which will include members of both our scout troop and explorer post. The boys will cook a lunch enroute and undergo training in boat and water safety. Our troop has taken three camping trips to Camp Rosenberg, learning woodsmanship, cooking, campcraft and other subjects.

DECEMBER 18, 1956

THIS WEEK:

One of the year's highlights will take place tonight when Kiwanians and their wives dine at Lytton Home with the Home's children. ED is planning an outstanding evening for us! The entertainment will be designed to hold the interest of both the children and Kiwanians. Six-thirty is the hour. The usual Round Table will be held for out-of-town Kiwanians who wish to make-up at our meeting.

BOWLING:

Both our Bowling Teams have decided to forego this week's outing so they can attend the Lytton Home dinner and assure its success. Due to the up coming Holidays, bowling competition will not resume until 1957. Our number one team finished its first game with the Montgomery Village Lions in a dead heat (a most unusual event). The last two games were split one each, notwithstanding Tom's one game which was somewhat below his average.

BOWLING "CASTS": Kiwanis team #1 held to a split in their 3 games with Montgomery Village Lions, each winning $1\frac{1}{2}$ games. And it finally had to happen, TOM BEAHM bowling a low, low 99 and being eliminated for low-man-out in the second game!! And to rub a little more salt in to the wounds, the team went on to win the 3rd game without him!! MORAL: "TOM'S a better secretary than a bowler". Better you bowl other 2 by very slim margins. Probable "dark horse" team when the second half gets under way about January 15, 1957. Good "longshot" bet!

CHRISTMAS TREE SALE: This fund raising venture has moved into the black and all the cash now coming in is replenishing our Project Fund. So far we have been dealing with early buyers looking for choice trees. Any day now, the Christmas rush will be on and we will be out of business. In the meantime our members, who are all experienced tree salesmen by this time, can help by steering customers to the lot in the course of their daily rounds.

BON VOYAGE: FINNLY and GERTRUDE FRISCH are off to New Orleans where they will board a cruise ship, the Del Sud, for a voyage down the East coast of South America to Buenos Aires. They arrive in Argentina on January 16th and can be reached there at the following address: C/o Delta Line, Av. Pte. Roque Saena Pena 734-736 Buenos Aires, Argentina

THE BUILDER: The roster in the Builder is being revised in preparation for another printing. If any change is desired in your listing, please phone CHUCK CAMPBELL or ROY DOOLAN.

KEY CLUB: ELVIN calls on AL HUDDART to visit the Key Club at noon on Thursday, December 20th. This will be our final meeting with the group in 1956.

ORGANIZATION CONFERENCE: Committee Chairmen and Board members will meet next Sunday (December 16th) at ED NIELSEN'S for some words of wisdom. The hour: 9: A.M.

NEW SECRETARY: At the December Board of Directors meeting, BOB MALONE was appointed Club Secretary of 1957. Congratulations, BOB.

DECEMBER 25, 1956

THIS WEEK:

Santa reigns today and Kiwanis pays him his due by dispensing with the customary Tuesday meeting. For club members and those who would attend our meeting from points afar, a Roundtable will be held on Wednesday, Dec. 26th at the usual place and time.....Merry Christmas.

ORGANIZATION MEETING:

The officers, directors and chairmen of committees for 1957 met at President-Elect ED NIELSEN'S home Sunday morning, December 16th. Fortified with coffee and donuts, they discussed the duties of each key post in the organization and made tentative plans for the new year. 18 members attended the meeting and much was accomplished toward getting the year off to a good start. The final step in organization will be meetings of standing committees in January to formulate their programs for 1957.

QUOTE FROM LOUIE GALEAZZI:

This week's award can only go to the Kiwanis Club for having the bags printed that cover the meters and to the City Dads who took the fun away of overparking and getting away with it.....

GREETINGS:

The Builder staff wishes all Christmas tree salesmen and their wives a delightful Christmas at Home beside a special tree...their very own.
