Kiwanis Christmas Projects In Years Past:

The Healdsburg Kiwanis Club has been involved in many projects during the holiday season in years gone by, but I will mention two I remember. Beginning in the 1920's Kiwanis members and their wives met each year with the children at the Salvation Army Home at Lytton for a Christmas dinner and program. Kiwanis paid for the dinner and gave a cash gift to buy needed equipment at Lytton. This project was carried on for 45 years.

A second project started in the early 1930's was "Christmas Baskets To The Needy". This project was first under the supervision of the Red Cross with the Kiwanis Club paying for most of the cost and then delivering the baskets before Christmas. After many years, the Junior Chamber of Commerce took over the programs and in recent years it has been carried on by the churches in our community.

A Tribute to Russ Stevens: It was 50 years ago this month that Russell B. Stevens joined the Healdsburg Kiwanis Club. In 1934 he served as club president and in 1941 became Lt. Gov. of division 8. He held district offices in 1942 and 1943 and was elected Gov. of the Calif-Nevada District in 1944. Russ was the only man to ever serve as governor from this division of Kiwanis. He was an excellent speaker and was one of the speakers at several district conventions in the years following his governorship. From 1946 to 1955 he served on numerous committees for Kiwanis International. In 1966 he received his 35 yr. pin for 35 years of service.

Those of us who knew Russ Stevens will always remember him as a great leader who served his community and Kiwanis well.

This is an Olympic year. Did you know that the Healdsburg Kiwanis Club sponsored a Pre-Olympic meet for women athletes in the Northbay area in 1932?

Program Last Week: The program last week, featuring Rich Balswick pitcher on the Guanella Bros. softball team seemed to be well received by the large membership in attendance. Rich said they play about 100 games a year in various parts of the U.S. He put on a demonstration of the various pitches used in fast-pitch softball. We thank Bob Rogers for his part in the demonstration. We could have had one of our members, who are former baseball players, do the catching for Rich. Francis Passalacqua, Art McCaffrey, Frank Balbi, Walt Wright were all outstanding catchers at one time.

Plans for This Week: Ed Deas, Major projects chairman, will be in charge this meeting. He plans on dividing the members into groups and have a round-table discussion of possible community projects the club might undertake during the coming year. Think of worthwhile projects for discussion.

New Member Inducted: Bill Branch, brother of Vern Branch, became the latest new member to join the Healdsburg Kiwanis Club. Bill lives at 1824 Peterson Lane, Santa Rosa and works as a school custodian in Windsor. He has two children, Donna and Eugene. He likes to bowl and would like to serve on the House Committee.

On January 23rd, we will have an inter-club with the Rohnert Park Club. They meet at the Green Mill. We will leave Healdsburg at 6:15 p.m.

Ladies Night:

Bruno Rodello announced a "Ladies Night" meeting had been proposed. It would be held in Santa Rosa at the El Rancho or Black Forest Inn. The date now under consideration is March 8th. It would include social hour, dinner and program. Sounds like fun.

2. March 30--Pancake Breakfast
3. May 17--Winefest "Chicken Barbeque"
4. Kiwanis Auction and White Elephant Sale sometime in April

Just a Reminder:

There are times when a member for some reason has to leave a club meeting before it is over. In order to prevent embarrassment for the chairman and his speaker, it would be appreciated if you would tell the speaker you have to leave early and ask to be excused.

Program This Week: Jim Silveira will be program chairman. Jim and Bill Kassin will be our speakers and will tell us about what is happening in the Auto Industry. With the energy crisis,--inflation,--threat of a depression,--high interest rates, etc., it sounds like a very timely topic for discussion.

Program Last Week: Gary Rosenberg, "pinch-hit" for program chairman Francis Passalacqua and presented Ed Anderson a Santa Rosa attorney who spoke on "Estate Planning". Mr. Anderson is an excellent speaker and was very knowledgeable on the subject he was discussing.

February is Boy Scout Month: This year will be the Golden Anniversary for Boy Scout Troop # 21 which has been sponsored by the Healdsburg Kiwanis Club since 1930. There will be a program on Scouting at our Feb. 5th meeting and Neil Iversen Scout master for troop # 21 will be program chairman that day. Phil Rice got a \$10.00 rendition of "Happy Birthday" for only \$5.00

Pictures Every Ten Years: Beginning in 1930 the Healdsburg Kiwanis Club has had individual pictures taken of every member of the club. I don't know whether they intend to carry on the tradition but the last pictures were taken in 1970.

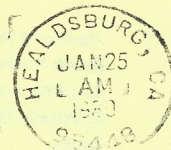

Did You Know: That Bruno Rodello is the only Healdsburg Kiwanian to ever serve two terms as President. Charles Comstock was president for 1 1/2 years.
