Today, Frank Turpin will introduce Mr. Rodney Strong of the Windsor Vineyard Company who will talk to us about the booming wine and grape industry.

Last week, Earl Osborn presented his own program, telling us about the economic development of the United States from the landing of the Pilgrims to the present, and about his "dreams" of our nation's and the world's future. His "do-it-yourself" program was one of the finest and was a fitting close of the old year.

Be reminded that the Board of Directors meets tonight at 7:00 P.M. at the home of "Fran" Branern on Matheson Street. A good opportunity for the few members needing a "makeUp".

Bill Reynolds has an interesting program for us today. He will introduce Mr. Klyde L. Petersen, Plant Engineer of Pacific Telephone Company, who will tell us about the miracle, "Lasser Beam".

Frank Turpin should be drafted by the Ag. and Conservation Committee. He brought to us, last Tuesday, Mr. Rodney Strong of the Windsor Vineyard Company. Mr. Strong told us of the bright future of the local grape and wine industry. Good news for Sonoma County Agriculture!!

GOOD DIRECTORS' MEETING

Lieutenant-Governor, Frank Herring, of Santa Rosa, made his official visit to the Directors' meeting last Tuesday.

Bob Rose, Chairman of the Special Projects Committee, gave a progress report on the playground project. Bruno Rodella and Elmer Sandborn were appointed a special committee of two to raise finances for this project. A stupendous sale is being planned. Start now gathering saleable articles.

Fred Haley reported the prospects for a new club in Sebastopol are progressing nicely.

The club's Valentine dinner-dance is scheduled for Saturday, February 13th. A four piece band from Santa Rosa has been secured. Tickets will be on sale today. Five dollars per person. Let's all attend and bring our wives and friends.

Sorry to hear that Roy Doolan is again in the Healdsburg Hospital. He expects to be home again in a few days.

The Education Committee is providing today's program. Committeeman, Bill Kassin, will preside and introduce Walt Woodard, past Lieutenant-Governor of Division 32. His talk will be especially directed to the Educational Committee. Lieutenant-Governor, Frank Herring, is bringing some members of his Santa Rosa Redwood Empire Club. A group from the Ukiah Club will also attend. A Big Double Inter-Club day.

Thanks to Bill Reynolds for bringing us Klyde Petersen. After his informative program on the Lasser Beam, we are prone to think the "nothing is impossible."

Saturday, February 13th is drawing closer. This is the date of the Valentine Dinner-dance. Tickets are now available from Bruno and Ed Burke. Get your tickets now and assure a good turn out and a successful party.

Welcome to our new member, Celso Rosales. He represents the High School public relations with Spanish-Americans. His sponsors are the school trio of Bud, Bob, and Art. Hi! Celso.

Charter member, Ed Beeson, underwent knee surgery in the Santa Rosa Memorial Hospital last week. He will welcome visitors there during the next few weeks.

With the death of Roy Doolan, the Club lost an esteemed and very active member. Sincere sympathy is extended to members of his family.

To Fran Branern and Al Valette our heart-felt sympathy goes to you in your time of sorrow.

JANUARY 26, 1971

This week, Stan Borges brings us an interesting program from the High School. Mr. Frank Romano, a graduate from Stanford University, has been an instructor at the High School during the last two years, working with those students who are a bit slow in their classes, mainly due to a language barrier. His subject will be on, "A Study Program at the High School".

Last week's program, chaired by Bill Kassin, really educated us on the history and the growth of Kiwanis. We can be proud of our Club. Thanks, Past-Lieutenant-Governor, Walt. In the absence of President Bruno, Vice-President, Elmer, conducted the meeting like a veteran.

Bruno reports that Lieutenant-Governor, Frank Herring, has announced that our Club led the Division, last month, with a 97% attendance record and a score of 99% in club ranking. Congratulations, members.

Now, something not so good. Ed Burke and Al Valette, working on the Club's Valentine Dinner-dance, Saturday, February 13th, state that the sign-ups for this gala party are coming in quite slowly. This is a club function, so please get your tickets now and thus prevent its cancellation.

Those needing make-ups for this month are: Borges, Cadosi, Campos, Durler, Kreuger, O'Hare, Rodella, Garry and Ira Rosenberg, Turpin, Wilson, Winter, Wright and Rosales. A word to the wise is sufficient.

International Relations

meeting four members of the committee present. Continuing to work with the American Field Service to provide funds for the purpose of bringing foreign students to this country to further their studies. Believe this is the best way to promote better relations between this country and other countries.

Public and Business Affairs

1 meeting with three members of the committee present. The fund raising program for the Kiwanis Olympics project is coming along quite well. A planned program of support of our local police and fire departments is being formulated now.

Support of Churches In Their Spiritual Aims

1 meeting with four members of the committee present. Arranged with the Healdsburg ministerial Assn. concerning the youth of the month award, which will be given to the boy or girl chosen by the Assn. The Plaza bulletin board for the Churches of H'burg is in the process of being updated to take care of the change in the number of churches.

Kiwanis Education

1 meeting with three members of the committee present. One new prospect was indoctrinated and inducted into the Club on Jan. 12th. The attendance and inter-club board that was constructed at the beginning of the term seems to be improving the attendance of the members, they are now trying their best to keep the red buttons off of their names and thereby get a gold star for the month.

Inter-Club Activities—

In reporting— indicate date, place, number of clubs represented, total number present, and number of your club members attending. Describe any special features.

INTER-CLUB MEETINGS	Club Visited	Miles (One way)	Number of Members	Date	Visiting Club or Clubs	Number Visiting
Date

1/29	"	7	9	1/19	Santa Rosa Suburban	5

Activities Not Otherwise Reported

(Note: Include Public Relations, Fellowship, New Club Building and Fund Raising)

Major Emphasis:
 The drug abuse program is being pursued with renewed vigor by this committee. The park program that started with such a bang has now gotten down to the real planning stages through the city and county planning departments. We hope to have completed and concrete plans in at the next board meeting. The fund raising program for this park is now all set for the month of April.
