MID-WINTER CONFERENCE

The mid-winter conference of the Cal-Nev-Ha District will be held this year at Monterey on Saturday, January 22nd. These district conferences are not only well planned and interesting, but lots of fun. The bigger the delegation from Healdsburg the more fun. See Chuck for reservations or transportation.

FORTY YEARS YOUNG

Kiwanis was born forty years ago (January 21, 1915). Although approaching a half century of service, Kiwanis is still young and still building.

The influence of Kiwanis is felt in the community through individual efforts of its members to help our boys and girls, strengthen our schools, champion human dignity and promote free enterprise. The strength of Kiwanis is in the combined initiative of all its members.

With this in mind we approach our 40th birthday, stronger and more cognizant of our acts and attitudes, that within ourselves we believe in Kiwanis.

ANNUAL INSTALLATION MEETING

One of the best Annual Installation meetings that we have had in quite some time was held last Tuesday evening. Byron Gibbs as toastmaster did an exceptional job. The Committee responsible for procuring Carlton Spridgen, our newly elected Lieutenant Governor, as installing officer should be congratulated, as Carlton did an outstanding job of installing the officers for 1955.

MEETINGS

A meeting of Committee Chairman and Committeemen for the different Boy Scout groups was held at Chuck Campbell's on Thursday evening. If the enthusiasm shown at this meeting carries on through the rest of the projects, we are going to have an outstanding year.

THIS WEEK

Our Club has sponsored the Bluebirds for many years, but this is the first time we have given them an opportunity to show us the results of their work. For this Kiwanis "first" we are indebted to Gordon Jones.

MID-WINTER CONFERENCE

The following Kiwanians attended the mid-winter conference last weekend at Monterey: Mr. and Mrs. Chuck Campbell, Mr. and Mrs. Tod Kello, and Mr. and Mrs. Don Jackson. We are sure these people had a good time and received beneficial knowledge that will be a help to the Club from this Conference.

JUNIOR SAFETY ECONOMY RUN

The students are responding enthusiastically to the Run scheduled for February 5th. Five girls have filed applications just to make the contest more spirited. If anyone would like to take movies of the Run with a 16mm camera, films will be provided. Observers from Kiwanis now include Hick Cooley, Sid Grove, Ross MacKechnie, Len Boyd and Jerry Miller.
