Chairman, Sid Olmstead.

Program on T.B.

Pictures projected by Byron Gibbs and Elmer Christensen.

Reports on Presidents & Secretary's Convention

PART ONE

In matter of fact and serious vein Jim Clarke recited the doings in Fresno, January 21st. Well prepared, Jim, and well executed.

PART TWO

Walt, Byron, Steve and Ern entertained us as one should expect from such mirth-minded perpetual Convention goers. Specialists than whom no humorists ever excelled. No doubt some episodes, accidentally (or otherwise) were omitted. What a double sextette, benedicts and wives ! Who should say Healdsburg was not on hand ?

According to reports that evening Convention session, under Steve's clever conducting, must have been smoothe as chain lightening.

Directors' meeting this Tuesday night at Bud's home. Gents, there are many make-ups due on this occasion.

Date: February 10th; place: High School Gym; Occasion: Barbieri's boxing bouts; time 7-30; who must be there: everybody; cooperation the key to success. Remember, Boys' Club a part of Kiwanis. Come.

BOY SCOUTS DAY. Chairman Waldo will have his Troop on hand to disport themselves as only Scouts can do. Aiding and abetting the program the Cubs, under Tom Ludcke, will do their stunts too. After our luncheon adjournment will be taken to the auditorium to take in the youngsters' show.

Those T B pictures plainly showed that tuberculosis can be checked or cured. Thanks to our school principals and Byron's son for the excellent service.

Observation: Whenever pictures are to be shown the subject of ventilation should call for respectful attention. Before closing the windows a generous quantity of life-giving ozone will help.

To "fill a vacancy" a brand new member will ride the goat to day.

Absentees are making up these days pretty well. Yet, how much nicer to be there Tuesday noon.

Anyone notice the up to date club roster in the Bulletin? New names; changes of address etc? Look it over and register your complaint.

We're here to day; we're gone to morrow - as instanced by ^{the} missing one who was the subject of that fitting memorial ceremony one week ago. "Men may come, and men may go; but I go on forever." So wrote Alfred Tennyson. So it is with Kiwanis - forever.

A "humdinger" of a directors' meeting, the 7th, at Bud's comfort-home. When the inner man needs refreshments, just call at Lena's.

Don't miss this. Would you know more about the dog which leads the blind then listen to day to Mrs. W. Blain Smith in her recital how the Boxer or the German Sheperd guides the afflicted one to walk the ~~xxx~~ streets head up and unhesitatingly, perfectly confident in his pilot's "navigation."

Furthermore, after our in-door program all hands, plus friends, are to be entertained in the vicinity of the Bank of America to observe Mrs. Albert Lindner demonstrate the dogs in action.

Let us broadcast this that the public may have the benefit of the almost unbelievable service in the realm of dogdom.

Scouts and Cubs. Didn't they look nifty last week all decked out in uniforms, spic and span. And what a classy program under auspices of Waldo and Tom. Previously, that Scout Week was observed in thoroughgoing o'going fashion was related in Van's exhaustive rendition. Have our boy organizations ever ^{been} so well looked after as at present?

And this reminds us of the boys' boxing bouts, February 10th. The biggest turnout of all; the best cooperation; the most lucrative results - bordering on five hundred spondulacs! Hurrah for Big ~~xxx~~ Al Barbieri and his (our) Boys Club. Those Little Golden Gloves.

Abraham Lincoln is never forgotten. Neat talk, that, by Larry Smith. The two BIG BUGS from the Stockton club seemed to enjoy our program.

By another up-and-coming Kiwanian a second signal victory is in the process of completion. Story in the near future.

To Philip Cadosi ; Now, that you are a Kiwanian, we welcome you.

In our business we shall need you. We know we'll profit too.

"LIVE AND LET LIVE" - a good motto for all to follow. This is the topic for discussion, and by Mr. James G. Black, of the Public Relations Dept. National Automobile Club. Chairman, Bill Reynolds.

Dog Days in the winter ! Non-understandable, wouldn't you say ? Fact is, dogs did command our attention, February 21st, and worthily too. What these German Shepherds and Boxers do for the sightless is next to miraculous.

Thanks to Mrs. Edwards and Mrs. Gross; to Chairman Russ; to the dogs also - all contributing to an interesting program.

Of course, we couldn't forget the Father of Our Country. President Al coming forward in fitting observations on George Washington.

To Ukiah our delegation went, saw and conquered. "By diplomacy, threat and coercion" they reclaimed the "stolen property" - that baseball trophy. Those Mendocino County thieves should be charged, arraigned, tried and convicted on a charge of Kiwanis thievery.

Politics in Kiwanis ? Well, not of the irritating partizan sort, anyhow. We have candidates for office, yes. Let the best men win.

Once again, we ask that the chairmen advise the Secretary a few days in advance their program for the following week. Otherwise, in the future, what's on for Tuesday next shall be left to the imagination.

Immediate Past International President J. Belmont Mosser is now in eternity. At last meeting, most fitting to have adjourned in his memory.
