THIS WEEK:

ELMER SANDBORN calls on RUSS STEVENS to address us this week. RUSS entitles his topic "A Nice Customer", an inspiration obtained from the Kiwanis Magazine.

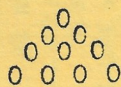

KIWANIS JUNIOR OLYMPICS:

BRENT AIKIN and ED CASE gave the Board a brief outline of the project at the meeting early this month. ED BEESON worked out further details with them for the program last Tuesday.

The plan has two main objectives. The first is to encourage greater interest in athletics and other competitive activities among the youth of this community. The second is to raise funds for other work with boys and girls.

There is no indication so far that this project has been tried in any other town. However, it may have some points in common with the "Junior Safety Economy Run" staged here a year ago. This project became so popular that Socony Mobile Co. adopted it and drew up a method of organization based on the Healdsburg experience which is being used throughout the United States.

Members have been asked to give this project careful thought and be prepared to vote on it by ballot at the meeting today. ED BEESON and his committee will be on hand to discuss any questions which may occur to members in the meantime.

The heading will prepare you for the sad news that our Bowling Team rang up a "zero" at the alleys last week. Saddest of all, the victors are from a Santa Rosa service club, not Kiwanis. Having dropped from first to last place standing in second-half play in the last two weeks, the team hopes to end its losing streak next Tuesday.

FEBRUARY ATTENDANCE:

ED LANGHART is looking for make-ups from the following members: RAY BASKIN..TOM BEAHM..ERNIE BIASOTTI..FRED MARTIN..STAN McNULTY.. HAROLD and GERRY MILLER..FRANCIS PASSALACQUA..HEBER SAINSBURY and "VAN" VAN CLEAVE.

If you haven't gotten yours yet, he hopes you'll call one of the other members on this list and plan to attend a meeting at one of our neighboring clubs.

THIS WEEK:

ERNIE BIASOTTI plans to bring us "The Big Surprise". Unfortunately, he isn't referring to the radio show that dispenses the \$100,000 checks. Should be interesting anyway.

MARCH BOARD MEETING:

President TED asks the Board and interested members to arrive in good time so that the meeting can start promptly at 8: p.m. There are several important matters on the agenda besides the decision on the proposed "Kiwaniis Junior Olympics". TED will do his best to expedite the discussion so that the meeting can be adjourned at a reasonable hour.

Our host tonight is Vice President ED NIELSEN. His address is 327 Second Street.

BOWLING:

Our valiant team lost two of the season's closest games Tuesday - one by three and the other by seven pins. We can take consolation in the fact that their opponent was the speedy McDonald Chevrolet quintet and hope for better results this week.

NEED a MAKE-UP?

For February? If you are on this list you do. BOB ALLEN--BILL AULT--RAY BASKIN--TOM BEAHM--ERNIE BIASOTTI--FREL MARTIN--STAN McNULTY--HAROLD MILLER--FRANCIS PASSALACQUA--BERNAL VAN CLEAVE.

THIS WEEK:

Mr. G.F. MILLER of Healdsburg will be keynote speaker on our program today. He brings us a message of vital importance. In addition, a choral group and trombone soloist will supply musical entertainment. Program Chairman? Music Committee Chairman TOM BEAHM, of course.

KIWANIS JR. OLYMPICS:

The Board of Directors gave final approval to the Jr. Olympics as a youth project as well as a fund raising project. The board stressed the need of going all out to make the venture a great success this year so it will catch on and grow year after year.

The date for running all events has not been definitely set but it appears the weekend of May 25th will be best suited for the Jr. Olympics. Committee will be appointed and meeting dates announced in the very near future.

BOWLING:

Last Tuesday was a bad night for our bowling team. They lost all four games. Perhaps we should send them "Get Well" cards. The scores:

TOM BEAHM	132	201	160	493
BY GIBBS	122	138	140	400
WALDO IVERSEN	114	114	171	388

BERNAL VAN CLEAVE	151	97	115	363

THIS WEEK:

KELZY AIKIN brings us Frank and Adelle Smith, noted local photographers of world famous places who will show us the highlights of their latest travels.

KEY CLUB:

Now that all the members of the Key Club Committee have attended a meeting of the Club, a Kiwanian "at large" will be selected each week to instruct the coming generation in the finer points of napkin dodging. Selection will be by our alphabetical roster. Members unable to attend should arrange to "switch" with another member or expect a visit from Fireman Frank. CHARLES ACKLEY gets the call for the noon meeting to be held Thursday, March 22.

ANNOUNCEMENTS:

Hope you've noticed the ever increasing use of The Builder by Committee Chairmen to get their announcements before the Club. Leaves more time for the speaker, too. Press time: Thursday noon. Leave the copy with ROY or IRA.

BOWLING:

Our bowlers used the lopsided balls again last week when they met the Pepsi-Cola five minus one. We're looking for big things in the tournament this Saturday, boys, or AL won't sign that \$15.00 check.

BOYS SCOUTS:

The Boy Scout committee is planning plenty of activities for our own Kiwanis sponsored Troop #21. Plans for the year include: primitive type outpost camping. reforestation of burned over lands in cooperation with the Forest Service, disaster relief coordination with Civil Defense and a year round schedule of interesting programs for each troop meeting.

CITY-FARM WEEK:

LEN reminds us that we will observe City-Farm Week with a special program on March 27th (next week). To make this meeting a real success each member should plan to bring a farmer friend as his guest. Be prepared to let LEN know today if you are bringing a guest so he can order enough T-bones.

THIS WEEK:

In observance of City-Farm Week, LEN BOYD, Chairman of the Agriculture and Conservation Committee, has called on Bill Adams, Farm Announcer for Radio Station KGO, to enlighten us. Bill is no stranger to Healdsburg having devoted a great deal of his energies to publicity for and assistance at our Future Farmers Fair. From the show of hands that was to indicate the number of farmer guests, we'll have another "Standing Room Only" meeting Today.

AULD LANG SYNE:

There doesn't seem to be too much sorrow among the membership to mark our last meeting in the American Legion Hall. The wreckers will begin demolishing this landmark shortly. Looking ahead to our new meeting place and its ideal furnishings, it's not easy to feel that we have suffered a great loss.

BOXING:

The Healdsburg and Santa Rosa Boy's Clubs meet Friday, April 6, at 8:00 PM at our Junior High to show us their boxing skill. Fifteen bouts are on tap - our Boy's Club Committee members have tickets. Remember, The Boy's Club is Kiwanis Sponsored. Let's show them we're behind them with more than our check book by our attendance at this important event.

EVENTS COMMITTEE - JUNIOR OLYMPICS:

An important meeting of this committee will be held at the Junior High School on Thursday, March 27th at 8:00 PM.

A program of events will be set up at this meeting so that trophies can be ordered, and an organization chart established to carry out the duties of the committee. Chairman BOB MALONE urges all committee members to attend.

KEY CLUB:

No Free lunch today; Easter Vacation is here. You're on deck for next week, RELZY.
