Jack Mount will be program chairman for today and has arranged for Mr. Warren Wood, soil conservationist for the Sotoyome Soil Conservation District, to be the speaker. The topic will be in honor of Soil Stewardship Week which commences May 19th.

The program by the talented students of Redwood Academy and their principal, Mr. Oren Hewett, was greatly appreciated last week. It appeared we also had almost a record number of visitors.

The Board of Directors voted Tuesday night to waive the initiation fee for ministers who join the club.

The attendance contest is now all tied up with Bob Allen's Astonishing A's with four absences and Bob Malone's Mighty M's with a like number of misses.

The pancake feed went off without a hitch, thanks to the work of Chairman Eddie, Ernie, Waldo and all the other talented volunteers....

Healdsburg was represented by a delegation of 12 at the Governor's reception in Santa Rosa Friday.

This is National Salvation Army Week and we are delighted to learn that a former member of our club will present the program. Lt. Jim Parton is program chairman and will bring us Brigadier Lawrence Smith who is now the Salvation Army Public Relations Secretary. He served as superintendent of Lytton Hall some 13 years ago.

Jack Mounts and the Conservation committee gave us a very timely program last week with Warren Wood delivering some important thoughts on soil stewardship, which he illustrated with some good slides.

Sid Grove, Merle Smith, Bud Knutson and Bob Allen are all proudly wearing their Circle of Distinction on their pin for the new members they introduced to Kiwanis. Bouquets to Merle who has certainly magnified his calling as membership chairman.

Ted Kellogg is firming up his list of entries for the Kiwanis Gold Fish Bowl at the Country Fair this week-end. Incidentally, WEAR WESTERN this week to add a touch of authenticity to the occasion. Take a couple of half hitches around your finger right now so you won't forget by Tuesday - or it will be \$\$\$\$\$\$ for you.

Be sure your autograph has been freely given to all the new members, or beware of the man with the loose noose on reckoning day. \$\$\$.

In passing - "Our most valuable possessions are those which can be shared without lessening; those which, when shared, multiple". Danforth.

Jim Steele has today's program and will bring us a program featuring John Cooper. Mr. Cooper is on the staff of the Mobile Youth Camp, an experimental operation for delinquent boys. It is the only such camp in the United States.

Today is the last opportunity to place your autograph on the aprons of the new quartet of members. When the apron roll call is taken, those whose autographs are missing will be afforded the opportunity to enrich the coffers.

Those citizens interested in sending the two young people to Europe with the band will have an opportunity to help them when the Music Boosters give a dinner dance on June 1st. Boost the Boosters.

Those who still have money outstanding from the pancake breakfast ticket sale should be sure to bring it to the meeting today and check in with Treasurer Bernie Beller.

At last report, there were no empty gold fish bowls in Healdsburg due to the successful operation of the Kiwanis' fish vending operation at the FFA Country Fair. Our thanks to all the fine workers and a sweepstakes congratulations to the management of the Fair.
