

Believe it or not, the program for today will be what the program should have been for last week - a great juggling job fellows!

LAST WEEKS MEETING

A great deal transpired at last weeks meeting, so here is a recap:

First of all, president Bob chose to pay \$4.00 for the bell which he misplaced. Bob Marmer, an attorney with Short and Welty, told us about Law Day and the program to be given at 7:30 p.m. on Thursday, May 1st at the Community Center. Bob is a member of the Santa Rosa Downtown Kiwanis Club. Scott Bauer and Kirk House were Key Cluber guests for the meeting. Gary Solem introduced Jack Lawyer who is the Manager of Healdsburg's best radio station - KREO. Attention: Bruno needs five more cooks for our Saturday, May 17th Wine-fest Chicken Bar-B-Que. This is one of our "new fun" fund raisers. Waldo will head up an inter-club to Clearlake Highlands on Monday, May 12th. Our contingent will leave Healdsburg at 7:30 a.m. and play a round of golf before and after the noon meeting. Tuesday, May 13th will be Mother's Day for Kiwanis. This is the day you can bring your Mom to lunch. If she won't come, bring your Wife, or someone else's Mom or Wife. The program will be a cake decorating display presented by our own Terry Stringfellow. Sounds good. Cost will be \$3.00 for each mom (guest). Waldo promised to tell us more about the new golf and tennis tourney later. Fred Besio announced the Sunday, July 27th Giants Vs Pittsburg Kiwanis bus trip. Cost \$10.00 per person for bus fare, drinks and tickets. It does not include dinner on the way back. Fran briefed us on the state bowling tournament. Fran said there were some very high scores but some of the old "squirts" were pretty tired. Good show bowlers! Walt Wright and Bill Loofbourrow inducted a new member - Byron K. Possan, a new resident of Healdsburg. Byron is a machine tool salesman. Welcome, Byron. - The days program - Brigadier Mosely from the Salvation Army, gave a talk on their mission. Alcoholism results generally from running from problems such as stress. Temporary relief is achieved but then you are left with the hangover. Most alcoholism programs do not provide for the spiritual needs as does the Salvation Army. It is nice to know that such a successful program is self-supporting.

"WE BUILD!"

The Kiwanis Club of Healdsburg

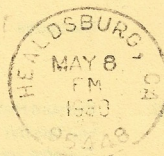

KIWANIS BULLETIN  
May 13, 1980

Attendance - This editor is certainly aware that spring is here, however, let's not let it screw-up our excellent attendance record. Next week, come to club and bring your mom and see Terry (String-fellow) lay on the frosting. The following week, Francis Passalacqua will present Judge James Jones, and the week after, Lew Sbrana will introduce Al Rizzo as the speaker. The speaker of the day is the highlight of the meeting and in recent times this club has had its share of interesting and worth-coming-to-hear speakers. It's our club; we all want to see you there.

The Meeting - Walt Wright introduced Ray Boldt as a guest. The Key Club presented two of its members, Dean Borg and Elias Montenegro. Jim Silveira put another bean in the jar. Happy Birthday! We were reminded that the Key Club will take over the fish booth at the FFA fair as their project this year. The monthly Board meeting was held at Frank "the cook" Balbi's home last Wednesday, the 7th. More about that next time. I think Bruno got his cooks, but we will have to wait for a report from him. Glen Davis mailed out the tickets for the Kiwanis Community Activities Benefit Golf Raffle last week. If you don't get yours, call Glen. \$500 in prizes to be given away on June 1st, the day of the tournament. If you can't play, you can help with the support activities. Entry forms must be in by May 30th at 6:00 p.m. Entry of \$20.00 gives prizes and barbeque dinner. Fred Besio reminded us of the Giants vs Pittsburg bus trip on July 27th. Waldo tells us there are 20 members running around who haven't been on an interclub. If you know one of them, bring him in dead or alive (to the next interclub).

The Program - Gary Antolini, the deputy district attorney who is running for Muni Court Judge #3, spoke about "common Sense in our Courts". Even though he changed Karl Esposti's name to Nick (Nick who?) he gave a very persuasive talk. We hope whoever gets elected will help clean up the problem.
