Dr. Leonard W. Hines of Santa Rosa will address us to day on the subject of Socialized Medicine. Don Oakleaf, chairman.

What a thrilling story - A River of Gold - as related at our last meeting by Commander A.W. Scott. This, in addition to other tales of "Unreal Realities", made for real enchantment. Thanks to the Greyhound Bus Company for the featuring of a most exceptional program.

Our delogate, President Harry, together with his good wife, now on the way to the International Convention in far away city of Boston. A financial sacrifice by the club, it is true; but we trust that end will justify the means, via a comprehensive report on the BIG SHOW, plus a fuller education, thrill and profound love for things Kiwanis. Sorry our delegate could not have had the privilege of representing another club or two, the sacrifice of effort and expense attached to a journey all the way to the Atlantic Coast. being considerable.

That our last meeting was held on Wednesday instead of the proverbial Tuesday spelled little loss in point of attendance; for the few absentees save one, gallantly, faithfully, loyally "made up." That's the spirit, boy!

Owen Sweeten is jubilant. And well may he be. For, ^{from} the proceeds from the band concert and that memorable "smoker" there shall be uniforms and music sheets for the "talent of the town."

Chairmen of Committees: We need your written reports NOW.

Except for purely Kiwanis purposes, by recent action of the Directors, there's a ban on buying tickets for all sorts of functions for one long time. We've been ticketed nigh unto death of late. Let's lay off.

TUESDAY

JUNE, 13, 1939.

If there be spice in variety most surely we have been tolerably well seasoned in the manner of diversified programs. For instance: "Am I A Kiwanian?" - "World Affairs" - "Pro-rate in Fruit" - "Narcotics" - "Socialized Medicine" - "Travelogues" - all considered in the past recent weeks.

Something still different to day. "A Musical", and under the direction of our music-minded Elmer Sandborn, the chairman for this meeting. Our local High School musical organizations will be on hand, with voices and instruments in sweetest tune. No time or place for absentees, this.

And this reminds "Ye Editor" of that tripple quartette, or thereabouts, taking that crucial screen test last Tuesday, with Owen starting in with those "fundamentals" and ending in such extraordinary harmony as would befit an International Convention specialty. What orioles these songsters be!

SENTIMENT : "KNOCK AND IT SHALL BE OPEN UNTO YOU"

Place: Buffi's Inn. Occasion: Kiwanis Directors' Meeting. Time: May Fourth. Present: A Full Board, And Our Lieutenant Governor, In Official Visit. Spokesman: Eddie B: "Earl, Healdsburg Has A Deserving Girl, Well Qualified For A Scholastic Berth; Will You Keep Her In Mind ? Kiwanis Is For Young America, You Know." The Governor: "Gladly (making pencil notations); What Can She Teach?" Eddie B : "Physical Ed." Governor Earl: "I'll Got Busy."
Result: Nina R. holds a signed contract - an attractive position. That's VOCATIONAL GUIDANCE; THAT'S KIWANIS SERVICE.
And all Healdsburg pays gratitude to Lieutenant Governor, the ever ready Earl Crawford.

TUESDAY

JUNE 20, 1939

As is our wont in month of June, again we have the High School graduating "crop" of Young Americans as our guests. Chairman Eddie Beeson has the program in hand. It's a high jump from breaking the world's record over the bar to marshalling a whole flock of youths at the festive board; but Ed will win the event - provided the reception committee will do its stuff in seating each of our members "twixt" two of the graduates.

One number is to consist of awarding the Kiwanis plaque to the designated "most outstanding citizen student". For many months this coveted trophy, perched upon the High School walls, incentive-like, has appeared anxious to move from its inanimate moorings into the arms of a worthy boy or girl.

In the history of our club no more delightful entertainment has been presented than that of last week, when the High School band, orchestra, glee club and director performed in artistically executed numbers - the band all decked out in beautiful gaudy uniforms. And to put on a touch of finest finish it was Elmer's considerate jesture to act as host to the talent in having served delectable refreshments. A classy event all round.

ROMANTIC!

CAPPED IN BIG BOLD HEADLINE DRESS,
IN THE METROPOLITAN PRESS,
OUR UN-ASSUMING "GENTLEMAN JIM"
STALKS DEEP IN LOVE - MORE POWER TO HIM.
PHI KAP IS HE; KAP GAMMA, SHE,
MYSTIC SHRINES AT OLD U.C.
BUT SOON A JOINT FRATERNITY;-
THE PASSWORD SEALED WITH A SWEET KISS -
SHALL CLAIM THE TWAIN IN HEAV'NLY BLISS.
VIRGINIA SWEARS IT'S A ROMANCE;
AND BOTH ARE "KETCHED" (in love parlance)
THAT SOON 'TWILL BLOSSOM IN THE VOW
OF MATRIMONY - - - - - OSKI WOW!!!

Most delightful time - Tuesday last - when the whole High School graduating class, plus several instructors, dined, chatted and sang with ourselves. Reception committee did nobly. Ditto, music leaders. President Floyd Bailey, of the Junior College, made a decided hit in his words of uplift and encouragement for the disbanding youths.

Walter Eagan, winner of the Kiwanis plaque. Richard Foote, copping the Leaver scholarship. Patsy Ratcliff and Pat Dennes, graduate - speakers. All told, an exceptional class. And is Princ. Paul Crabb proud?
