THIS WEEK

Sid Grove has a most unusual program for today. Guest speaker Andrew Golney of Ukiah will discuss life as he knew it behind the "Iron Curtain".

EXTRA! EXTRA!

The Builder hasn't carried a story like this in years. It deserved an "Extra", but we had to wait for Garry Rosenberg to come back from Honolulu with the news.

Garry and Helen Bernhart of San Francisco were married in Honolulu on May 18th. They spent a leisurely honeymoon in the Islands and returned to Healdsburg on May 31st.

Our congratulations, Garry, and we hope Helen will find you as useful around the house as you have been in Kiwanis.

ELEMENTARY SCHOOL BOND ELECTION

Don't forget to vote today on the question of building a second elementary school in Healdsburg.

Your Board of Directors discussed the need for another school at the regular meeting on May 2nd. At the special meeting last Tuesday, they unanimously endorsed the project.

JUNE BOARD MEETING

The Board will meet at 7:30 tonight at the home of Len Boyd in Alexander Valley.

You drive straight East from Jintown past the Calistoga and Geysers Road turn-offs until you cross a bridge at the entrance to the Pine Flat country. Then turn right up the hill. Len could probably do this better. New members and members requiring make-ups are cordially invited to attend.

ANNUAL PICNIC

At a special meeting of the Board of Directors last Tuesday the expenditure of funds to cover the cost of admission and parking for the Kiwanis Picnic at Mark West Springs was approved. The Board authorized the committee to charge a nominal fee that will cover the cost of refreshments. The barbeque will be held on Sunday, June 19th as planned.

THIS WEEK

Robbi William M. Stern, Temple Sinai, Oakland, will address the Healdsburg High School Class of 1955, our guests today. Harold Miller is program chairman.

PRESENTATIONS

Kiwanis will present two awards today to graduates selected by the faculty of the Senior High School.

A student with an outstanding scholarship record will be given \$100 to encourage him to continue his studies. A student with an exceptional record for good citizenship in school and community activities will receive the Citizenship Award and his name will be inscribed on the permanent plaque at the High School.

ILLUMINATED CROSS

We hear that many visitors from San Francisco have noticed the illuminated Cross on Fitch Mountain and asked how it came to be erected.

Our church committee continues to receive many fine compliments for this inspiring thought.

INTERNATIONAL CONVENTION

Al and Evelyn are about to leave for the International Convention at Cleveland, Ohio. Al is our delegate to this convention.

MEXICAN SOJOURN

Relzy and Booch Aiken are leaving after the school term for Mexico City, where they expect to spend the next three months. This may be your last chance to say "Hasta la vista". Do it today.

QUOTABLE QUOTES

President Chuck says the Committee on Agriculture put on a whale of a show with the goldfish at the F. F. A. Fair.

PICNIC - MARK WEST SPRINGS

Remember those old fashioned hay rides out of town to a family picnic ground beside a quiet stream? If you do you are older than I.

On Sunday, June 19th you can make the trip the modern way, in a fine car, your own. Dinner will be ready at 1:30 but the picnic area, behind the swimming pool, will be open all day. Come early and have a swim. Harold Miller, the Chief Chef, has recruited several experienced assistants for this chicken barbeque.

THIS WEEK

Our seven newest "men who wear the "K" will give us a brief personal history today so that we might know them better. Stan McNulty will serve as program chairman.

GRADUATES

Rabbi Stern's inspired address last Tuesday will remain a cherished memory in the minds of graduates and veteran Kiwanians alike.

The art of weaving humorous stories, poetry, sentiment, and words of wisdom for young and old into a complete design for living is given to few men. And did somebody say - fewer speakers?

Louise Davies received the Kiwanis Scholarship Award. With one B plus grade and all the rest straight A's during the 4 year course, she certainly earned the award.

Our own Don Osborn received the Citizenship Award. It would be a gross understatement to say that Don has been busy while in High School. A list of his activities is quite beyond the scope of this publication.

FOREIGN REPRESENTATIVE

According to latest reports the son of Leland Sayre is stationed at the American Airforce Base in Wiesbaden, Germany. His address is:
A/3c Lee S. Sayre A/F 19516580 497 Recon. Tech. Squad. P.M. APO
633 New York, N.Y.

AL HUDDART

We are sorry to report that Al is ill with a virus and has been obliged to cancel his trip to the International Convention. Best wishes for a quick recovery, Al.

ATTENDANCE

The attendance record for the year to date does not provide any leeway for absences during vacations. It is hoped that members traveling this summer will make-up enroute wherever it is possible to do so.

THIS WEEK

Ed Langhart, today's program chairman, will bring us a speaker whose topic will be of interest to all Kiwanians.

REMINISCENCE

The talks last Tuesday left no doubt that our new members are all very busy men. The stories fell so thick and fast that our Historian became confused. The way he tells it, they flew over the North Pole to ask Washington for permission to raise birds for a hot refrigerator on the Lillivau Burn.

GEYSERVILLE BARBECUE

The third annual Kiwanis Community Barbecue will be held next Sunday, July 3rd, at the Geyserville Grange Grounds, starting 12:30 P.M.

Harry Hare and his Kiwanians will provide the chicken Barbecue at \$1.25 per plate for adults and 50¢ for children. The Rebekahs, Grangers, and P.T.A. are also participating in this function. Proceeds will be used to set up a scholarship fund for Geyserville High School students. All Healdsburg Kiwanians are cordially invited to attend.

PEOPLE ARE TALKING ABOUT:

The new freeway through Healdsburg, "somewhere west of the railway tracks",

Charlie East's liquid funds going into the water dam business,

Fred Kellogg's summer venture, a Community Theatre in Oakland near Jack London Square,

Mary Anne Boyd and Jim McHoney of Stockton getting married here in Healdsburg on July 10th.
