OPENING CEREMONY

Bruno Rodella led us in song, followed by salute to our flag under the able direction of Jim Birdsong and lovely Nancy Curnow blessed all of the Kiwanians world wide . Thank you all.

Our illustrious president, Don Reukema, then abruptly fined Nancy for not signing Bill Talley's apron and many many more, most of whom were not present.

ANNOUNCEMENTS

Rich Iverson spoke in behalf of the Historical Society, announcing the appearance of Paul Erdman, noted financial author who will speak on the subject of investing in the market. This event will take place at the Alexander community hall on August 11th at 5:30. The seating is limited and the tickets are \$25.00 ea. For tickets or more information, please contact Rich Iverson.

Jerry Strong complimented Art McCaffrey saying he never saw him look so good. Jerry is also in charge of the future farmers parade, and stated that Hugo Bauer is making his flat bed truck available with many bales of hay so for those who has not had the pleasure of a hayride, please notify Jerry that you wish to ride the truck.

Jerry also said he needs more bicycle riders. If you don't have a bicycle, the bike shop on center st will rent one to you at a special low price for Kiwanians. If someone wishes to ride a tandem bike, I beleive Patricia Williams is looking for a partner and share the expense of the rental. If interested, call Patricia.

Decorations, as usual, will take place at Fred Haley's house, 506 Tucker st. at 4:30 this thursday. We still need more bodies for the Fitch Mountain foot race. Please Contact Carl Elze for assignment spot. Urgent.

Paul Garayalde introduced John Ponts as student of the month. His GPA IS 3.5. He was the star of the recent production "EVERY 15 MINUTES" All Empire soccer player for the 98 season. Amatuer skateboarder; sponsored by Brotherhood Skate Shop and Greenhouse Clothing Co. Working two jobs, Bistro Ralph & Chateau Souverain and raising two lambs for 4H. Would like a job in which he can help people have a better life.

WHO STOLE THE GAVEL

Don beleive's that one of the prior 6 presidents is responsible for it's loss, therefore he is fining right and left.

For all who new Bob and Betty Meyer, this was a very sad day. I'm sure that Bob would welcome a comforting hand and a little conversation whenever time permits. Bob, we all hope that you will soon find the strength to once again brighten our table . your friends of Kiwanis.

BULLETIN WRITERS

Once again, a friendly reminder that the following fellows are scheduled for duty for the remainder of our year;

- LES DAVIS MAY ALTERNATES
- RICH IVERSON JUNE
- TED ETHEREDGE JULY DORSEY CROGAN
- GEORGE CLOUGH AUGUST FRED HALEY
- GLENN KEITH SEPTEMBER

If the assigned writer should be unable to attend the luncheon, it is his duty to make arrangements with another writer or one of the alternates.

COMEDY TIME

I don't make jokes, I just watch the government and report the facts.

The man who laughs has not yet heard the news.

Laughter is God's gift to mankind, proclaimed the preacher ponderously. "And mankind," responded the cynic, "is the proof that God has a sense of humor."

Everything is funny as long as it is happening to somebody else.

A husband is whats left of a man after the nerve has been extracted.

My wife thinks that I'm too nosey. At least thats what she keeps scribbling in her diary.

Ive been asked to say a couple of words about my husband, Fang. How about "short and cheap".

GUEST SPEAKER

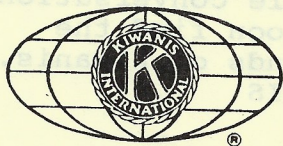

Lee Gunnerson introduced Council Member Jason Liles who enlightened us on the current subject of controlled growth. It looks as though it's dammed if you do and dammed if you don't sort of thing. Can you visualize Healdsburg at forty thousand population? I honestly see Jason as a good council member but can any one person stop a runaway freight train?

June 8, 1999

"To be completely frank, we have now discovered all your country's secrets, except how to make a million dollars in one's spare time at home with no personal investment."

ANNOUNCEMENTS

Fitch Mountain Foot Race - June 13, 1999

Chairman Dan Maraviglia is having a meeting at his office, 1201 Vine St. on June 8th for all Foot Race Chairmen. Call Dan for the time. Remember that all club members are vitally needed for this event. Be at your assigned locations at 7:30 AM so that you can receive your red vests and any final instructions. Chief Rick Alves suggested that if you can't find a replacement for your assignment he will help you hire a policeman to fill the post. Otherwise the club would have to do this.

Acting President John Bippart encouraged all members to meet in the plaza after the race for fun and to show the clubs support for the event and appreciation for the participants.

Bob Marmor reported on the progress of the club project to beautify the entrance to Healdsburg. The committee has met with city council, planning commission, Landscape Architect Phil Manoukian and others. The city is very pleased to have us intercede with property owners in this project. They think we will receive much more support than they will. Bob said that club members will probably be asked to help with some of the actual physical work when it begins.

Dennis Stead reported on the Chili Cook Off. Plans are underway for the club to win this year.

Ticket seller **Richard Iverson** still has a few Instant Wine Cellar tickets to sell. You could be the winner of 101 Bottles of premium wine. Also, he has tickets to the Paul Erdman talk to be given on August 11, 5:30pm at Alexander Valley Community Hall. It is always a sell out.

LAST WEEK'S MEETING

Happy Birthday was sung to a record number of members. **Fred Haley, Al Rochester, Ted**

Etheredge, John Bippart, (these four have very poor judgement - they asked Vince Dougherty to sing to them) **Mark McCoppin, Clarence Ruonavaara, Ken Turnbow, Jim Birdsong, and Garry Rosenberg**. Our missing President was also to be sung to. Maybe he wanted to be exclusive.

There were lots of happy & sad dollars. Among them was a sad dollar for **Ruthie**, one of our favorite servers! She fell and will be out for a few weeks. Thank goodness she did not break anything. Get well soon, **Ruthie!**

Arnold Santucci introduced our speaker - Ray Holley, columnist from the Healdsburg Tribune. Ray has been in Healdsburg since 1988 and with the newspaper for a year. His column, called "Main Street" and covers local politics, land use, business and current local issues. He intends to stir up trouble and educate readers. He is currently writing about the proposed growth control measures, agricultural ordinance, route of Santa Rosa sewage effluent, and a new Indian Casino?

Bulletin writers for the remainder of the year are as follows:

RICH IVERSON -----	JUNE	ALTERNATES -DORSEY CROGAN
TED ETHEREDGE -----	JULY	FRED HALEY
GEORGE CLOUGH -----	AUGUST	
GLENN KEITH -----	SEPTEMBER	

If the assigned writer is unable to attend the luncheon, it is his duty to make arrangements with another writer or one of the alternates.

COMEDY TIME

During a priest's daily visit to his ailing 90-plus-year old mother at a nursing home, she asked one day; "Why doesn't God take me to join your father?, I'm ready to go". To which the son responded: "Mom, Dad's in heaven, and knowing Dad, I think he's saying to God, : just another month, Lord! Please, just give me another month!"

Saw an article in an architectural magazine: "Build a House from scratch." Would've sent for the kit, only I didn't have enough scratch.

I thought maybe I could become a golf pro and give golf lessons, this fellow said to his friend, but I gave it up. What happened?, asked his friend. Well, he replied, this one lady had a slice, and after three lessons with me she turned into a hooker.

FUTURE FARMERS PARADE

Congratulations to our Kiwanis Bike riders and BIG thanks to Hugo Bauer, his Son who drove the truck and the five riders on the back of the truck. I don't know which of the parade entrants furnished the most entertainment, but in my book the award would go to our own Patricia Williams and her antics on the bicycle built for two and the bravest participant in the parade would have to be our own Dennis Gary who rode with Patricia. Riders on the truck were Phil Rice, Alvie Rochester, Bruno Rodella, My wife Shirley and yours truly . Bike riders as I remember, were: Don Reukema, Lee Gunnerson, Jerry & Loretta Strong and their Son and I appologise for not remembering his name.....

75th ANNIVERSARY TABLOID

This summer, as part of our 75th anniversary celebration, we plan a tabloid insert in the Tribune similar to that done 25 years ago for our 50th anniversary. Those areas also needing assistance include:

GIBBS (KIWANIS) PARK

PROGRAMS ASSISTING SERVICE MEN
AND ANYTHING I MIGHT HAVE LEFT OUT.

Thanking all of you in advance for what ever assistance you may render in regards to the above, I remain respectfully yours

ANNOUNCEMENTS

June 22nd Meeting of Kiwanis will be held at Lambert Bridge Winery and will be catered and we

must have an exact count for the caterers, so don't forget to sign up for this luncheon. They have beautiful new picnic facilities and is a popular setting.

Fitch Mountain Foot Race - June 13, 1999

Remember that all club members are vitally needed for this event. Be at your assigned locations at 7:30 AM so that you can receive your red vests and any final instructions. Chief Rick Alves suggested that if you can't find a replacement for your assignment he will help you hire a policeman to fill the post. Otherwise the club would have to do this.

Acting President John Bippart encouraged all members to meet in the plaza after the race for fun and to show the clubs support for the event and appreciation for the participants.

Alvie Rochester explained what he has been doing to get ready for his year as Lt. Governor. Attending camps in the Sierras, planning trips to Hawaii and collecting a few handouts! Right Alvie?

Dennis Stead reported on the Chili Cook Off. Plans are underway for the club to win this year. Dennis and his team have tested four recipes so far and are working on the fifth. He won't be satisfied until it is just right - not too hot or to bland. We are counting on this team to win. Be there and support them on Saturday June 19th noon to 5:00pm in the Plaza.

Tom Rackerby, representing the Scholarship committee introduced two of the winners for this year. Julie Alvey and Kevin Todd. Both gave happy dollars to the club in appreciation! Good Luck to them.

LAST WEEK'S MEETING

Temple Smith out did himself with three good thoughts of the day: "The past actually happened -

History is only what someone wrote down." "No one has a finer command of language than the person who keeps his mouth shut". "You wouldn't be worried about what people think of you if you knew how seldom they actually do."

Dale Lynch introduced prospective member Sandy Dunn to the club. Welcome Sandy. We hope to see you regularly at our meetings.

Clarence Ruonavaara introduced our speaker Tom Crawford, Superintendent of Schools for Son. County. We have 40 districts, 155 public schools, 9 charter schools, and 78 private schools in the county. The private schools account for only 10% of the 72,000 students in grades K - 12. He told us how, as society changes, schools also change. Educators are now facing challenges that have never been an issue. Where running in halls and chewing gum used to be worries now it is drugs, guns and knives Teachers greatest concern is the safety of the students.

"May I always be the kind of man my dog thinks I am". *Socrates?*

June 22nd Meeting of Kiwanis will be held at Lambert Bridge Winery and will be catered. They

have beautiful new picnic facilities and is a popular setting. See you there!

Dennis Stead reminded us that the Chile Cook Off will take place Saturday June 19th noon to 5:00pm in the Plaza. We expect all members to bring friends to help stuff the ballot box for our entry.

Dennis Stead, introduced Jorge Mendoza, our student of the month. Jorge will be the first member of his family to enter college. He, and his six siblings, came to this country when he was five years old. He now speaks perfect English, maintains a high grade point average and is active in sports. He told me that he might become an astronaut. Way to go Jorge!

Neil Iversen, introduced Drew Pierce and Chris Faurot of Scout Troop 21. Chris has been through Junior Leadership Training and Drew is one of two boys we are sponsoring for the next J.L.T. The training will take place at Camp Noyo on June 20th through the 26th.

Dates to remember: Wednesday August 11th Paul Erdman talk; Friday August 27th Kiwanis 75th Anniversary Dinner; Sunday Sept. 26th Instant Wine Cellar awarded.

LAST WEEK'S MEETING

Al Rochester announced that **Nancy Curnow** has been promoted to *Major*. Nancy had a sad dollar

because there was no pay raise to accompany the promotion.

Dan Maraviglia reported that our Fitch Mountain Foot race attracted 260 runners this year and he expects the event will net approximately \$6,500.00 to add to the Scholarship Fund.

Tim Tuscany was elected 2nd Vice President. Congratulations - Great campaign Tim!

Les Davis introduced our speakers from the American Cancer Society. Marge Hooper, a native Healdsburg from Alexander Valley, spoke first. She is a cancer survivor and is helping launch the first "Relay for Life" fund raising effort for the Society. It will take place August 21 - 22 at the Healdsburg High School. Becky Lunders, the local Development Manager for the Society, told us about the success they had in Eureka with this event. I think I heard \$200,000 was raised last year. They are looking for volunteers to set up teams and would like to see a Kiwanis team among them. Call Becky at 545-6720.

"If it weren't for the fact that the TV and the refrigerator are in different rooms, some of us would get no exercise at all". Words of wisdom from **Allen Owen**.

LAST WEEK'S MEETING

Dennis Stead announced that his committee for the Chili In The Plaza cook off won an award for the club.

We were awarded the "Outstanding Spirit Award". It was almost the best award given in the event. It included a beautiful plaque and two hundred dollars. Dennis believes that the \$200.00 was automatically given to the Carson Warner Skateboard Park. The Chili event was a fund raising affair for their benefit. Dennis said they went through twenty gallons of chili.

Guests today were *Gavin Dunn* from the Geyserville Kiwanis Club and his wife *Sandy*, who must be very smart since she is a prospective member of our club. She has recruited another prospect who accompanied her today, *Tony Foster*.

Lee Gunnerson arranged a great departure from our regular meeting. Lambert Bridge winery was a beautiful place to meet and "Trends Colorful Catering" put on a wonderful luncheon. Nice work Lee!

Winemaker *Julie Iantosca* told us some of the history of the winery. James Lambert began the winery in 1975 and operated it until 1992. In 1973 new owners, the Chambers, took over and began some much needed repairs. Julie came aboard at this time after some years with William Wheeler Winery. While they are selling wine all over the world, most of their 20,000 barrels of wine are sold from the tasting room and to local restaurants. At the moment they must buy all their grapes but are looking for vineyards.
