

"WE BUILD!"

JULY 3, 1973

THE BUILDER

Our meeting of June 26th had for its Chairman, none other than his Honor, Frank Turpin, doing a nice switch with the announced Chairman, Robert Rose. Frank had for his speaker Wayne Bell of Bell Healdsburg Ambulance Service. Wayne gave us a very informative talk on tried treatments covering Sun stroke, Heat exhaustion, Muscle strain, Burns, Heart attacks, and Stroke. It was extremely well received by those attending.

Roger Christenson gave the K thru Z members of our club an invitation to a "Pay-Off" dinner on June 29th, at the Healdsburg Golf Club by the A thru J members who were the losers in the Pancake Breakfast ticket sales. Those going to play golf should go out around 3:00 o'clock as the dinner will be served at 7:00.

We had no visitors today and we had no one to sing our birthday greetings to.

Our warbler, Bruno, led, or was led, in singing two songs. Everyone must admit Bruno has what it takes. We tried twice on one song. Perhaps on the next try we will get it.

Our next week's program chairman is Elmer Sandborn, and he will have John Clark who is from the Y.M.C.A. Riders in Santa Rosa, and he will speak on that subject.

Next Tuesday, July 3rd, being the 1st Tues. of the month, the Executive Board will meet at Waldo's Country Estate, his "Mill Creek Hide-a-way" - 7188 Mill Creek Road. His instructions on how to get there: 7.7 miles from the intersection of Healdsburg Ave. & the railroad tracks. (Check your speedometer here.) Thence Westerly along Westside Rd. .9 mi: thence southwesterly .5 mile to Mill Creek Rd., thence Westerly along Mill Creek Road 6.5 mi. to destination. Watch for sign on mail box. Park your car, bicycle or skates along County road.

Hamburgers with accessories at 6:30 p.m. Meeting called to order at 7:30 p.m. Horse Shoes, Table Tennis ???!!! (if you bring your own) at 6:00 p.m. (If you get lost, we'll probably find you on our way back to town).

In order for our club to have 100% for the month of June, the following need make-ups for the meetings missed in June:

Virg Bottarini	1	Ken Hampton	3
Ed Burke	3	Dick Holtzen	3
Tom Conklin	2	Art McCaffrey	2

"WE BUILD!"

JULY 10, 1973

THE BUILDER

Our July 3rd meeting had for its Chairman our Jr. Past President, Elmer. He had for his speaker, Johnny Clark, who spoke on the Y-Riders which are under the supervision of the Santa Rosa Y.M.C.A. He presented a plea that we sponsor a group of motorcycle riders, our part being the paying of the insurance on the riders and cycles, amounting to something like \$25.00 per cycle a year. This will be taken under advisement. Johnny brought along Mike Olmstead as his guest.

Our program for next Tuesday, July 10th, will be Bob Rose who has as his speaker Robert Walker of the Fairchild organization who are contemplating locating in Healdsburg. A very timely program and one in which all are very much interested.

To add to our enjoyment at the last meeting, we had Harvey Boone of the Sebastopol club who made the trip to bring us \$30. for four tickets to our 50th Anniversary. This brings to a total of 14 the number of tickets taken by our 'Baby' club. THAT'S Co-operation! Incidentally, Harvey has been appointed Secretary of his club for 1973-74. A very good choice.

We also had James Stanfield as a guest of Bob Rose. James has been appointed to the post being vacated by Ed Langhart. We were happy to make his acquaintance and hopes he likes Healdsburg like I know Healdsburg will like him.

An event not soon to be forgotten was the Executive Board's meeting at Waldo's 'Hide-a-way' on Mill Creek. An ideal place for anything you might have in mind. The sobriety of the group was tested by the 'Fallen-tree Bridge' which crossed the running stream. Waldo and his boys, Neil and Dale, supplied us with bar-B-Q'd hamburgers, salads, sliced vegetables, tato chips and a choice of beverages, hot or

cold. The wish of all 23 members present was that we might hold our weekly meetings in just such a gorgeous spot. A salute to Waldo and a million thanks.

Try hard as the fellows did, we are afraid we had one or two bad guys that kept us from having a 100% during the month of June.

We have completed a round-robin of all the clubs in our Division #32, and are now in the process of a follow-up inter-club meet. If you ever want to know all the hang-outs in Petaluma, just ask Ed Burke, Ken Hampton, Dick Holtzen or Bob Durler. They visited them all trying to find where the Petaluma Kiwanis Club met. Finally, arriving at Sonoma Joe's just a few minutes before the meeting closed. We have to give them credit - 'they Tried'.

Neil Iversen was back with us after having taken our Scout Troop #21 on a week's camping trip.

Our plans for our Golden Anniversary celebration for Saturday, July 21st, at Villa Chantecler have all about been realized. The response from other clubs has been fantantic. Sebastopol has taken 14 tickets, Geyserville 12, Clearlake 8 and Petaluma 8 and a couple of the clubs believe they will have more.

Now, the Committee has worked hard and long for this event, but in order for it to be really successful, it needs the help of EACH member. All these people are coming to OUR party. YOU are ALL on the RECEPTION COMMITTEE to see that YOUR guests are made to feel welcome and to introduce them to others. Don't let YOUR Club down!

DONT LET US DOWN, STAND UP AND BE COUNTED!

"WE BUILD!"

THE BUILDER

ROUND TABLE ONLY TODAY FOR THOSE
UNABLE TO ATTEND OUR
50TH GOLDEN ANNIVERSARY
SATURDAY - July 21st, 1973
AT VILLA CHANTICLEER

(This cannot be a make-up if you
attend the Anniversary Party).

The Healdsburg Club was privileged to have as their speaker, on Tuesday, July 10th, Robert Walker, a member of the Fairchild Corporation which is contemplating locating in Healdsburg. He showed us, by way of slides, how their product is used for making thin wafers for solid state electronic, used almost exclusively in cameras. It was very interesting and informative. Our thanks to Bob Rose who procured the speaker and acted as Chairman of the Day.

We had John Uboldi as a guest of Earl Osborn. John has lived in Healdsburg for many years with his wife, Mary. They have two lovely daughters who are now married. Felt quite natural to have John with us as we all have known and admired him many-a-year.

We also had two visiting Kiwanians. Ralph Noddin of the Geyserville Club and Paul Jones who hails from Nevada. Nice to have had you with us, come again.

There was a noticeable number of our members missing as they were completing our second round of inter-club meetings. They were visiting the Fort Bragg Club at noon and the Ukiah Club for dinner, in the evening.

One of the most outstanding inter-clubs I have ever attended was held on Wednesday, July 11th, when 12 of our members flew to Willits for their noon meeting. We had four planes making the trip and they were piloted by Al Valette, Bill Kassin, Dave Opperman and John Soule of the Geyserville Club. Those making the trip were: Ed Burke, Ken Hampton, Walter Wright, Frank Turpin, Lloyd Decker, Glen Davis, Relzy Aikin, Elmer

Sandborn, Fred Haley, Bob Durler, Bob Valette and our pilots. Walt and Elmer flew with John Soule and on our return trip he flew us over Geyser Peak and we had a marvelous view of the plant that generates electricity from the steam. We then swung around and went over for a view of the Warm Springs Bridge and Dam. Another wonderful sight as the day was very clear so that we got more than an eye-full of the grandure of our beautiful country side.

Even though we have worked hard and long on our 50th Golden Anniversary - on Saturday day we strut and show our stuff- UNLESS we have the co-operation of EACH, it may still fall flat. Remember, YOU are giving a party so it is up to YOU to see that all attending have a good time. Mix around, shake hands like you have never hand-shaken before. Tell everyone how happy we are they came to HONOR us on OUR Anniversary.

I know that I have visited 19 Clubs to create an interest in our Anniversary and have traveled about 1463 miles in these trips. They were somewhat long, tiresome and hot, but I feel they were worthwhile.

IS AT THE END OF YOUR ARM."

"WE BUILD!"

THE BUILDER

JULY 31, 1973

LAST WEEK'S MEETING was sorta sparse in membership attendance. However, it may be that it was Healdsburg Day at the Fair. All I can say - it was HOT HOT HOT!!!

VISITORS ROUNDTABLE had a guest - Rev. Atkin by Elmer.

BIRTHDAY KIDDOO'S went to Jim Clarke, Ken Gonsalves and Harry Tappin.

MYSTERY PACKAGE was auctioned off and high bidder was Vern Branch. Upon opening the package, Vern found out he was a nut. Peanut, that is! Yep, the box contained a dozen or so bags of PEANUTS. Elmer didn't let me know who the squirrel was that brought 'em in.

50th ANNIVERSARY notes and thank you's were expressed to all by President Lloyd. It would be nice to have the ladies who were on committees as our guests at some future meeting.

LAST WEEK'S PROGRAM was chaired by Msgr. O'Hare. He's the one who's got that green-roof church behind the meeting hall. His speaker was George Ortiz, founder of the North Bay Development Co. He spoke about San Quentin and On-The-Job-Training.

NOTY NOTES....Hope all of you have seen the Hall of Flowers at the Fair. Again, they out did themselves. Last year's event was a little sterile for some people, but you can't win 'em all. Sacramento's flower show can't begin to compare.

Maybe something can be done at the Fair to at least have the carnival personnel (men) wear T-shirts or Tank-tops. Some women were heard to comment, "This isn't a topless show, is it?" Of course, it was a good day to get a tan or something.

The Cow-Belle's exhibit is always nice for receipes or info. But sure could go for a beef-sandwich right then and there.

Isn't funny how records are broken! The newspaper glorifies the attendance charts like no other. However, did you notice that the Racing Attendance is less than last year but the BETTING DOLLARS are UP? Each day it seems to be the same.

Can't a bulletin board, 20 feet hi x 50 feet wide, giving the events and time be set up in the middle of the road by the grandstand? Or at least small ones at the various arenas. The loud-speaker is nice, but 'seeing it' speaks for itself!
