JULY 24th, 1931

ALL JOIN IN: And make this a BILL RUMBOLD DAY. Why not? Didn't
 ----- Jimmie Caveney the other day receive a big fat
 check-as he stepped up to the bat? Many celebrities get their re-
 ward from time to time. And Bill is a Kiwanis celebrity. And he's
 going to get his, too, - this very day. At this writing BIG BILL

May not know what it's all about,

- But I'll bet By Gosh, he'll soon find out.

No Jersey heifer figures in this time, and here's hoping the big
doings to day wont get his GOAT.

CONTRIBUTIONS PLEASE: Each and every man beware: Bring some-
 ----- thing along to put into the "Dust Pan".
 Anything and everything - except lawful money of the U.S. None of
 that stuff. Use "jurisprudence", and give something fitting to this
 deserving man. Fred Kinley and Ross Norman are working on this wor-
 thy cause. Fred will make the presentation speech. And with tears
 of joy will Big Bill respond. Oh, what a touching scene it's going
 to be. And what a glad and glorious day it will be for Bill: and
 particularly, when he inspects and dissects and reflects upon all
 that has come his way. Remember Bill's last attendance prize? Well,
 just as straight from the hearts of his fellow Kiwanians will come
 a multitude of gifts to day. Bill Rumbold Day, a packed house.

AND WHAT ELSE? Well, that is supposed to be settled by Chairman
 ----- J. Fred Miller. Last year when Fred was asked for
 his program, "Tell the boys anything you please", was all the forecast
 he would make. Yesterday we phoned Fred as to what he would have
 on for this Tuesday. "A pair of pajamas" was the equally responsive
 reply. Fred traveled with Buffalo Bill too long to expect him to
 shoot all his glass balls before the real show. Just at present the
 heat is a little too much for the theatre magnate, but we trust he'll
 be with us to day, with those pajamas, if nothing else. /

UP IN THE AIR: Once again we'll have to just guess who. For, after
 ----- the speaker's name for this day stands a great big
 question mark (?). But between J.P. Morgan and Ed Byrn there'll be a
 program alright. Cant sometimes always get the big gun you'd like to
 fire. But these two boys are on the job, so just come along and see.

HARKING BACKWARD: Three good sessions in a row. And all more or
 ----- less impromptu. J.O. Davis who patted us on the
 back for starting a moritorium on Chinese eggs. Earl Adams who came
 to our rescue in a thrilling "eruption" on the Hiwaiah volcanoes. And
 then, Frank Sehler in his word picture of those beautiful women of
 Pali, - all of the same "form and feature, face and limb". Being a "doc",
 Frank is a student of human anatomy, and when he put his optics on the
 fair ladies of the East India Isles, - well they just stayed put.

A CHANGED HOMBRE: Old Bill Rumbold aint what he used to be, sure
 ----- enough. He's changed for the better. Tuesday
 last he miraculously transformed his big pudgy self into a fairly
 stylish looking woman - all togged up in beach pajamas, scarlet bobbed
 hair, sun hat, and white of skin. And what a storehouse of priceless
 gems he (she)-did receive. Verily, "Bill Rumbold Day" will go down in
 the history of this Healdsburg club.

CORRESPONDENCE: Wasn't that a nice letter from Bob Mann? Bob, You're
 ----- ALL RIGHT. And just for that we're going to send
 you a copy of "The Builder" this week - just to partly show our grat-
 itude. We're glad the picnic pleased you. Why not come over to Healds-
 burg some Tuesday and give us a 30 minute talk on some of your life
 events? Just give us a little advance notice, and maybe we'll parade
 the town in your honor.

With kindest regards from ----- The Healdsburg Club,

JUDGE GEARY TO DAY: We've been angling for this distinguished ^{red} "Don"
 ----- (for that is his baptismal name) for some
 time. At last, Chairman Johnny Morgan has landed him. Whatever his
 theme, the youthful justice is certain to get our ears a-functioning
 on all drums. A worthy son of a once scintilating sire, is this pop-
 ularly known Don Geary.

RULES OF THE ROAD: Like an Abstract of Title, brought up to date,
 ----- attorney Edward Moore traced from the begin-
 ning to the presen^t day the story of laws regulating the driving of
 automobiles. Bound to meet upon the public highways, as we are, last
 Tuesday's talk was full of meat. Next time you take a drive, take
 along, too, your familiarity with the traffic laws, your mechanically
 road-worthy machine, and that traveling courtesy which is ever OK.

COOPERATION: This club is ever ready to cooperate with a member
 ----- who has the disposition and ability to reciprocate.
 Those purchases of scrip books from that one and only theatrical man-
 ager, Fred Miller, showed a true Kiwanian spirit. With us Fred is an in-
 spiration. Nobody just like him. Full of prunes, to be surẽ. But that's
 an asset in this valley of orchards. Never misses a Kiwanis meeting,
 and by the same token Fred means mountains to the Plaza Theatre. All
 of which spells SERVICE. "You scratch my back, and I'll scratch yours",
 says Fred. So, why not cooperate?

VACATION ATTENDANCE: Not so bad, considerin'. But we did drop a bit
 ----- below our cherished "Ninghty" Plus in June.
 Some of the boys got snowed out of the High Sierras and back they
 came pretty pronto. That helped some. A few made up, and a few didn't.
 Just now, Coroner Fred and his gang are rusticating up at Lake Oski-
 Wow-Wow-Wisky-Choo (or words to that effect), trying as a nimrod to
 steal Ande's thunder. But he'll soon be back with all the other sports
 and shouting Hail, Hail, The Gang's All Here.

TUESDAY

JULY 28, 1931

WHO'S WHO TO DAY? Search me, -- meaning the Secretary. For the
----- portfolio of Chairman, was booked one Antonio
Maggenti. But, all fussed up over his new store, presumably this
"What A Man" Tony has taken wings, and with those other four birds
has soared away to Sacramento, or to parts unknown. In the meantime,
some extra functioning for our program committee. Rest easy, friends,
for whatever 'twill be it's bound to be good.

PINCH HITTING: Seems to be more popular these days than "goofy"
----- golf. Last week the "Dean of the Legislature",
Senator Herb Slater, pinched for Judge Don Geary. Himself, a Kiwanian
of the Santa Rosa club, Herb knows how to hit in a pinch or in the
open forum. It was an interesting picture, "governmently", of the
present, past and future.

A CLEAR SLATE: With Healdsburg Kiwanians, when dues are due --
----- well, they're just paid. No use for the Small
Claims Court in this club of ours. Not a man in arrears. Maybe the
boys are "afear'd" of the law and just dig down when the Secretary
comes around. And again, maybe we have all wheat and no chaff in
our present ranks.

OUR LUNCHEONS: Ever nifty, ever ready at 12-10 sharp. Wonder if
----- we all appreciate this excellent service. A perm-
anent and profound vote of thanks goes to the Legion ladies. A hot
and palatable dish in the cold of winter; something dainty, cold
and refreshing during these sweltering summer days, -- not so bad, Eh?
So, come and partake this day.
