

"WE BUILD!"

# THE BUILDER

August 5, 1975

TODAY Art Larsen is the program chairman. At press time he wasn't sure what the program would be, presumably because he wants to bring us something very current.

LAST WEEK Phil Cadosi brought Yvonne Boulleray, local restaurateur and cooking teacher, who told something of the "History of Wine". Wine was known of as long ago as 6,000 B.C. in Persia, 2,000 B.C. in China, and 1,000 B.C. in Egypt. Early European masteries refined the process. Columbus found wild grapes in America and early Spanish conquerors grafted them and made wine until Spain forbade such activities to protect its own industry. Around 1700 the Jesuits began to develop wine making in the Americas again and the early missionaries brought grape growing and wine making to California. The first commercial grower in California operated in Los Angeles in the early 1800's but rapid growth did not come until the 1850's. The first local winery was at the Fountaingrove commune in 1875. Yvonne says that wine-cooking makes good food better and that all one must know is to use the right wine in the right quantity in the right way.

LAST SUNDAY'S trip to Fort Bragg looked like it would be one of the best Kiwanis social events ever. Waldo, chief wagon master, had the bus sold out. We'll have something to talk about today!

BULLETIN PRINTING has become a problem as Mrs Cunningham will no longer do the job. Interim arrangements are for Ed Burke's office girls to cut the stencil and for Wainscott's to run it. Club officers would welcome suggestions on better ways to do it.

BOARD OF DIRECTORS meets tonight at 7:30 at the home of Ken Gonsalves. Attendance there would be a good way for a make-up and an opportunity to really learn about the real workings of Kiwanis.

**"WE BUILD!"**

# THE BUILDER

August 12, 1975

TODAY'S Program Chairman is Bob Durler. He promises we won't be disappointed.

DON'T FORGET that Bill Kassin is shepherding a group for an interclub at Petaluma today leaving at 11:00 AM. Interclub chairman Walt Wright hopes that our rather dismal record of only 37 different members making an interclub will be improved today and on Thursday when we have the last chance at Geyserville. Try it, you might like it!

LAST WEEK'S Fort Bragg trip will be hard to beat but we'll try on Monday night, August 18, when we'll have a ladies night barbecue to replace the regular meeting of Tuesday the 19th when our regular meeting place will be in use. It will be free but for those who find even that too expensive there'll be a round table sign-up at the regular place on Tuesday noon. Bob Durler will need to know the number coming to the barbecue so better call him or see him at club today.

### DATES TO REMEMBER

- Every Tuesday noon
- August 18 - Ladies night barbecue
- Sept 2 - Bill Kassin has the program
- Oct 7 - Ladies night for-installation

### IDEAS WANTED

How the Builder can be distributed  
How best to invest our extra project money. A committee has been appointed to come up with recommendations but those with ideas for cutting down the excess should make them known before it has to act.

LAST WEEK Art Larson brought Clyde Wilson from the social security office. Mr Wilson says there have been many changes in the social security program in the 40 years it has been in operation. Originally planned as a basic insurance and pension plan upon which each person could build according to his needs, it has been expanded with disability coverage, with Medicare, and most recently with supplemental income payments which are designed to take care of immediate needs like welfare. Mr Wilson urged us to ask questions of his department rather than of others in order to curb the tremendous amount of mis-information which plagues the program.

"WE BUILD!"

# THE BUILDER

AUGUST 19, 1975

Program This Week:

Ladies Night is Monday, August 18. Frank Balbi is to be chief cook for the free chicken barbecue with all the trimmings, to be held at Tayman Park at 7:30 pm that night for members and their best girls. Waldo Iversen is organizing a pre-dinner golf tournament for members and/or their ladies to start at 4:00 in the afternoon. Be sure Bob Durler knows that you are coming. Remember how much fun the Fort Bragg trip was and make this night a good one too. Round table sign up for those who can't stand the night air at the regular time and place Tuesday.

Program Last Week:

Bob Durler brought Roger Anderson who works with the Sonoma County Economic Development Department with emphasis on promoting the use of our county by companies working T.V. commercials and movies. Mr. Anderson believes that their activity is a good clean one which brings economic advantages and good public relations to us. He says we have most of the types of locations needed and the attitudes which make it desirable for companies to work here. Mr. Anderson also makes films, tapes, pictures and slide shows for county agencies at a great savings over commercial rates for the same product.

Fran Branern and his committee wants input from members on suitable uses for excess project fund moneys. Fill out the form given you Tuesday and get it to him within the next week. There have already been a couple of excellent suggestions - supporting a local museum, and beginning a swimming pool fund - but there must be other good ideas.

Walt Wright's Interclub project came to an end last week with trips to Petaluma and Geyserville. From last week's indications it appears that nearly all of our members have made at least one interclub and our club has made an interclub with each other club in our district.

Bulletin News items now have to be in earlier, as our new printer must have the copy in by Wednesday night.

"WE BUILD!"

# THE BUILDER

August 26, 1975

Program This Week:

This week's program looks like another good one - Why don't you come and find out what it will be.

Program Last Week:

Round table for those who could not make it to the Monday night barbecue.

The Monday night barbecue was a great success. Of course the food was good with Frank Balbi the head chief. Frank always does a fine job with chickens. Waldo didn't leave anything undone and Bob took a good head count. All in all every one did their best to make it a good evening. If you didn't attend you missed a good time.

Attendance this summer has held up real well with everyone trying to get away for awhile. With school out and vacation, we have done real well. However, don't stay away from our club meetings until fall. We need everyone to put forth the effort and keep our attendance up. We have the best club around, that's because of you being a member.

It looks like no one is getting any older. We haven't had a good birthday sing for a long time. Who do we sing to this week.

Don't forget Fran Branern and his committees request. They need your help in suggestions for use of excess project fund moneys. Fill out the form that was given Tuesday and see to it that he gets this form.
