FELLOW KIWANIAN: "Cairns Camping With the Cons" might be  
----- as good a title as any for last Tuesday's  
talk. But Fred was just pitching and inspecting camps - not  
exactly "doing time" for a term of one to thirty years. Fred  
knows much of prison life, within and without. His talk was very  
good, and it uncovered some of the subtle "psyrology" and morbid  
character of many prison guards.

NATURAL GAS: We'll have it in plenty to day. John Pierrepont  
----- Morgan, as Chairman, will open the jet, and the  
fumes will pour forth through the medium of Mr. E. M. Seel, oily  
man from San Francisco. Come with your gas masks, but ears wide  
open. The latest P.G. & E. well is going to be tapped to day.

COMMUNITY PLAYGROUNDS: Looks like it's coming to a head.  
----- When City Council, Kiwanis and Chamb-  
or of Commerce, Healdsburg's Triplets, and all on speaking terms,  
pull together something sure must follow.

SPECIALIZING IN: Perfect Faithfulness --- Charlie Patchett  
----- Irresponsibility (these days) Hic Cooley  
Coin Collecting ----- Eddie Byrn  
Speeling --Bill Rumbold and His Bunch

BILL BRAY: He is entitled to this prominent caption for  
----- two reasons: First, because of his famous BUCK  
FEED a few years ago. Again, Bill comes back to Healdsburg for  
retreat, rest and recreation. Here's hoping you bring down  
from the mountains an honest to goodness deer this time, Bill.

FELLOW KIWANIAN: "Men may come, and men may go, but I go on  
----- forever", Tennyson's "The Brook".

And so be it with the Kiwanis letter. The week is fast to come  
and fast to go, and we must keep apace. Yes, we come and go. Of  
late we have gathered to our fold two new members; but three are  
gone by the non-attendance route. Kiwanis goes on, undismayed.  
Note the Speaker for to day:

N.  
HO. CLARENCE F. LEE: He is our own Sonoma County product. Our  
----- Congressional Representative at Washington.

A worthwhile man. A speaker of whom any worthy organization justly  
might be proud. The Congressman wires to Harold Miller, to day's  
Chairman, as follows: "I have a full message for a full attendance".  
So, gentle reader, be in your seat for a treat to day.

AN EVENTFUL DAY: Last Tuesday was meaningful to us all. The  
----- story of NATURAL GAS was interestingly told  
by Mr. Seel. On that selfsame day the fluid itself was turned loose  
for Healdsburg consumption. The beginning of an epoch for our  
community.

POLITICAL DAYS: Yes, these are such. Kiwanis is non-secretarian,  
----- non-partizan; but profoundly pro-punctual in  
practice and principle. The "Kiwaniis Weekly" caters to a good cross-  
section of our community. Its subscription list is limited to mem-  
bers of the organization. Its motto is BE ON HAND. Partizan politics  
have no place here. But a full registration and a full vote at the  
polls are ever stressed. Let's get the voters out on August 26th.

8 - 19 - 30

FELLOW KIWANIAN: Too bad we didn't have more time for Con-  
gressman Lea last week. Such an outstanding  
speaker should have at least 45 minutes. Mr. Lea was certainly  
refreshing and instructive in his talk on Political Parties and  
Policies.

THIS TUESDAY: The program for to day promises to be a free-  
for-all, -an all-membership affair, when each and  
every man may have his speel on everything or anything appropri-  
ate, or possibly otherwise. No particular Chairman (except the Presi-  
dent), no speaker (except everyone), and no subject (except everything).

RESTRICTIONS: Of course the right of free speech will be recog-  
nized. BUT, the man who talks too much will prob-  
ably be dealt with in suitable fashion; and he who has nothing to  
say may have something to pay. Come prepared.

MUSIC: Harold Miller says he'll have something extra on tap.  
Bring your voices, harmonies, melodies, but please leave  
all discords at home. Among other selections the Stein Song will  
be rendered in chorus chant, and it is hoped that Eddie Byrn will  
consent to sing "Allouette".

GOOD OF THE ORDER: It is well once in a long timeto meet in  
close "executive session" to talk over  
questions of Club concern. Myrth may have its place ; but Kiwanis  
has also its serious side. Hence, on this occasion it is probable  
that reasonable time may be given to discussion of organization  
and public welfare. Membership, attendance, cooperation and the like  
find feed for thought right here. Again, getting the citizens out *to*  
vote should not be lost sight of. All in all, this should develop  
into an interesting hour to day.

FELLOW KIWANIAN: One of two programs to day. Whenever Hic Cooley is Chairman, as he is to be to day, we may expect something substantial. At this writing Hic is bent on bringing back Clarence Lea to finish that excellent speech, only fairly begun by our Congressman two weeks ago. May it come to pass. BUT, in the event of failure, Hic "wires" that we will have a BOOSTER MEETING. Whatever happens it will be just alright.

COMMUNISM: There is a shudder in the thought. The American people probably need a sound warning against possible Russian anarchy in Our Own United States. Last week Dr. Patmont forcefully pictured dire results if communistic propagan-da should it continue to be tolerated in America. To strangle such tendency, who can be more powerful than the Kiwanians of our land?

A SIGNIFICANT DAY: May the best men win. Results of the balloting on this day are uppermost in our minds. Our Club does not dictate; but we exhort the citizens to go to the polls. Harold Rosenberg and his committeemen will be on the job, and if a 90 percent vote be not cast we will know the reason why.

THE SPEAKER'S TABLE: There should not be an empty chair. A speaker of prominence, and we have such right along, should be surrounded by a few more of our own members. He looks lonely at times with only the Chairman and President at his side. Why not a few Past Presidents, for instance, to fill those vacant seats? Just an innocent suggestion. Mr. President, what you say? Secretary.
