THIS WEEK

August 2, 1955

Published Weekly by the Kiwanis Club of Healdsburg, Calif.

Jack Mouton brings the attendance prize today and to pick its lucky winner we'll expect an honest drawing from Bob Sisson. To get to the point, Bob, an amateur archer, will tell us some of the highlights of his interesting hobby.

SALVATION ARMY

Heber's guest last Tuesday, Lieutenant James Goode, deserves a more detailed introduction. Lieutenant was recently commissioned at the Salvation Army College in San Francisco and assigned to his first post as Christian Education Director at Lytton.

We extend a cordial welcome to Lieutenant Goode and hope he enjoys his stay here.

CORRECTION

Ed Quinn was the first to call attention to the omissions in last week's Builder.

Louie Schwab attended the first luncheon served by the Ladies Auxiliary in 1924. In fact he had the job of cancelling prior arrangements at the Plaza Hotel.

Elmer Sandborn was also present and accompanied the singing as he does today.

So add Elmer Sandborn and Louie Schwab to Ed Beeson, Harold Miller, and Ed Quinn, and you have the sturdy group of oldtimers who have helped so much to develop the spirit of Kiwanis in this community from the early days.

BOARD OF DIRECTORS

They meet tonight at the home of Secretary Don Jackson at 616 Brown St. Since some members may want to take full advantage of the long summer day, the meeting is set for 8 P.M.

ATTENDANCE

Attendance for the first six months averaged 95%. However, it dropped for the month of June to 92%.

If you need a make-up for July, come to the Board meeting tonight and help the Directors settle some pressing problems.

THIS WEEK

We're looking forward to an interesting film portrayal of the United States Secret Service, guardian of the President and protector of the "coin of the realm". We'll count on Charles Ackley to get the gavel out of Chuck's hands before he collects the Charity Fund.

HEALDSBURG MEMORIAL BEACH

The Beach is attracting our youngsters in droves these days. Of course the hot weather is a factor. Also the classes in swimming instruction and the organized competitions are appealing to children of all ages. This program is carried on by the Healdsburg Recreation Department, headed by Charlie East.

If you would like to see action, go down to the Beach on Saturday, August 10th at 1 P.M. and watch the swimming events for boys and girls in 3 age groups.

AQUALUNG

The Board decided last Tuesday to contribute to the purchase of the Aqualung which Tony Pavoni demonstrated at a recent meeting. The Chamber of Commerce and other service clubs are also helping to meet the cost of this equipment.

TELEPHONE SERVICE

Have you had reason to complain recently about the deteriorating telephone service here in Healdsburg? The Board instructed the Business and Public Service Committee last Tuesday to prepare a resolution asking for better service.

WHITE ELEPHANT SALE

This committee is considering a proposal that we serve free coffee to customers at the Sale. We understand that the coffee would be donated by one of the coffee firms. Something is needed to differentiate our Sale from all the other rummage sales in town. The White Elephant Sale opens September 30th.

To illustrate production and conservation methods as they are practiced in the petroleum industry, James Scranton, petroleum engineer with Richfield Oil Corporation, and his assistant Eddie Richards, are bringing a working model of an oil field complete with wells to our meeting today. Elmer Sandborn is program chairman.

WHITE ELEPHANT SALE

WHITE ELEPHANT SALE

We open Friday, September 30th. In the meantime we need truck loads of merchandise. This merchandise rests at present in your own home and those of your friends and neighbors.

Let's get the readily available goods in storage early so that we can spend the last few days going further afield.

The storeroom behind the Mode-O-Day Dress Shop has been lent us for this job, and it will have a sign on the door. The key will be available at Medicos.

If you need a pickup, phone Ted Kellogg and he will arrange to have one call.
