This Tuesday will be the first for our new team of officers. Appropriately, President Bruno will outline his plans and objectives for the club for next year. Delegates Walter Wright and Elmer Sandborn will report briefly on the District Convention held on September 10, 11 and 12th in Fresno.

The new administration year began auspiciously when more than 20 officers and committee chairmen met on Sunday the 4th at incoming President Bruno's to discuss district and local plans for the coming year. If that meeting was an indication of things to come we can all look forward to an interesting year of real service.

Appreciation of all Kiwanians is due Past President Bill and his corp of officers for their efforts to make the past year a good one.

More than a hundred Kiwanians, including 9 from Willits and their guests were present for the Installation night ceremonies last Tuesday night when outgoing officers were honored and new ones installed by Lt. Gov. Frank G. Herring. Good food, good music by Rio Lindo students and presentation of Legion of Honor awards were other highlights of the evening.

PROGRAM FOR TUESDAY, OCTOBER 20, 1970

Program chairman Eddio Beeson will present Professor Burton Litton of the Landscape Architect Department of the University of California. Professor Burton is Research Landscape Architect with the U. S. Forest Service Experiment Station in Berkeley. His topic will be, "Quality in Public Wild Lands."

### BULLETIN SUGGESTIONS

A new printing of the Bulletin is being made ready. Along with corrections which should be made, suggestions as to changes which would improve the Bulletin would be welcomed by Bud Christenson, Tod Kellogg or Earl Osborn.

### NEXT SOCIAL EVENT

Ed Burke is planning the dinner dance to be held on November 21st and needs to know your plans. How about signing up with him for this date and reserving the dates President Bruno gave us for the rest of the year on your own activity calendar? The Board of Directors has approved the principle of an expanded social calendar.

### DIRECTORS MEETING HIGHLIGHTS

Board members want meeting "horsplay" to continue, as it adds to the enjoyment of the meeting and to the club's treasury, but appeal to the members to avoid excesses such as throwing at the head table or using sloppy or dangerous missiles.

The Board gave committees the enthusiastic go ahead to look into the possibility of a new club in Sebastopol and of co-operation in the attempt to develop and equip a new playground in the northern part of town.

Also approved again was the plan to provide badges for members to use at meetings.

Program chairman for Oct. 27th --- Fred Haley.

WE BUILD

Published Weekly by the Kiwanis Club of Healdsburg

OCTOBER 27, 1970

We are glad to be able to report that Roy Doolan is home again and able to receive visitors and calls, but not until after 11:00 A.M. We look forward to seeing him at meetings soon.

### KIWANIS IS IN ACTION!

The new Boy Scout hall, the biggest money and manpower club project in years is progressing nicely. On Saturday, Oct. 17th, Waldo Iverson, Walt Wright, Virg Bottarini, Bud Christenson, Neal Iverson and six scouts went to Bennett Valley to salvage lumber from old chicken houses. From that trip and a previous one the preceding week, enough boards to build a fence around the property were gathered. Walt brought it to Healdsburg on his truck.

Plans for the dinner-dance of Nov. 21st are progressing. Soon wives will be called to see if their husbands have told them about the evening. Donna Burke and Diane Rodella need materials with the Thanksgiving theme and help in decorating, and would welcome volunteers. Non Kiwanian guests are especially invited to the dinner-dance.

Harry Tappin gets this week's gold star for donating and installing glass over one of our group pictures.

The playground committee met last Tuesday evening with the City Recreation Committee. It came out of this meeting with an enthusiastic reception, but many more steps must be taken before the plans for a new playground become a reality.

The program chairman for Oct 27 is Fred Haley. He will bring a State Division of Forestry official to tell us the, "Story of Last Summer's Fires."

#### Boys and Girls Work

One meeting with 4 members of the committee present.  
The members are continuing to work on the Boy Scout meeting place which we hope will be finished enough for use within at least a month. (2) man hours and 150 dollars was spent this month on this project.

#### Vocational Guidance

One meeting of the committee with 3 members present.  
The committee is continuing to work with the students in the local schools to help them make up their minds as to what direction their efforts should be directed.

#### Agriculture and Conservation

One meeting with 4 members of the committee present.  
Two members of the Kiwanis Club are President and Secretary of the Potomac Soil Conservation Association. This group was set up the program on Oct. 20.

International Relations

The meeting with 3 members of the committee present. This committee is continuing to work with and for the American Field Service to exchange students to try to promote better understanding between the various countries.

Public and Business Affairs

Support of Churches In Their Spiritual Aims

One meeting with three members present. This committee was instrumental in getting the Minister of the Federated Church and the Priest of the Catholic Church of H'burg to exchange pulpits. This we believe will promote better understanding between the churches and members.

Kiwanis Education

One meeting with 3 members present. Screened, instructed and inducted one new member during the month. This committee set up a fun bus trip to Reno, Nevada for members and their guests on Oct. 24th and 25th. This promoted good fellowship between the members.

Major Emphasis:

Three meetings of this committee:

One organizational meeting to decide on a project, the possibility of furnishing the equipment for a mini-park in the northern part of the city was suggested.

The second meeting was held with the City Recreation Commission to lay out plans for the park and the amount of equipment needed.

The third meeting was with the City Council to get their approval of the plans as formulated by the Recreation Commission and the City Engineer.
