## OFFICIAL NOTICE OF ELECTIONS

## SEPTEMBER 13th LUNCHEON

Next Tuesday we will have lunch with the Elementary and High School teachers at the Junior High School.

Purpose of the function, arranged by the Chamber of Commerce, is to give 22 new teachers a chance to meet the business men of this community and vice versa.

A round table will be held at the Legion Hall in accordance with protocol. A fleet of limousines will also stand by for members who need help in locating the Junior High.

## SAN RAFAEL CHARTER NIGHT.

The San Rafael Club's invitation to their Annual Charter Night Dinner to be held September 29th (7:30 PM) at the Meadow Club near San Anselmo is in the hands of Interclub Chairman Elvin Jackson. Members interested in attending should contact Elvin for further details and transportation arrangements.

## THIS WEEK

We meet at the Junior High School today for the Business-education Day program. Transportation to the Junior High School and return will be available at the American Legion Hall. A Round Table will be held for those unable to attend.

## DISTRICT CONVENTION - SAN DIEGO

The Builder Travel Bureau recommends a trip to scenic San Diego in October. A chartered plane will leave Sonoma County Airport on Sunday, October 16th at about 1 P.M. for a non-stop flight to San Diego, arriving about 4 P.M. The return plane leaves San Diego Wednesday afternoon. Round trip fare \$33.00.

According to advance reports, this will be the gayest District Convention ever. The plans include a royal round of entertainment for the ladies ashore and on the sea.

See President Chuck now for reservations.

## 2ND VICE PRESIDENT

The Committee on Elections has recommended that the post of 2nd Vice President be eliminated, and the Board endorsed this recommendation at the last meeting. It is now the consensus of opinion that the advantages of maintaining this post are somewhat outweighed by the disadvantages.

The members will be given an opportunity to vote on the proposed change in By-laws at the regular luncheon on September 27th.

## SPECIAL COMMITTEE ON NEW HOUSING

This Committee is looking for a meeting place which will best suit the members and Ladies of the Auxiliary when the Legion Hall facilities cease to be available. Several places are under study, including the Federated Church Annex and the recreation hall being built by the Episcopal Church.

The Committee would appreciate comments and suggestions from the members on this project. It is composed of Charlie East, chairman, Roy Haley, Don Jackson, Chuck Campbell and Roy Doolan.

## WHITE ELEPHANT SALE

The pick-up teams will be on the road next Sunday, September 18th to gather the merchandise for the Sale. President Chuck is appealing to all members to help locate goods for this sale, and notify the teams concerned. These were listed in the Builder of September 6th.

It would expedite matters if the goods could be assembled somewhere near the front door before the pick-up teams arrive.

## HELLO.....ARE YOU THERE?

Tom Winburn of the Pacific Telephone and Telegraph Company will discuss local telephone service; what has been and is being done to improve it. In addition, he will give us a look ahead telling us what the future holds. Program Chairman, Ira Rosenberg.

## TELEPHONE SERVICE

In case a stray copy of this issue reaches the San Francisco office of the Telephone Company we would like to say "thank you" for the steps recently taken to improve the telephone service here in Healdsburg.

The odds against this message reaching its destination are smaller than you might suppose. A copy of the August 6th Builder did reach this office, and it prompted an immediate investigation of the local service.

## BUSINESS-EDUCATION DAY

With that master of ceremonies, Russ Stevens officiating, the luncheon with the teachers of Healdsburg area schools rated an A plus in community spirit.

While there is still some question as to who was the official host on this occasion, one thing is certain. Kiwanis and the members who attended this function made it work.

## WHITE ELEPHANT SALE

Advance reports from the pick-up teams indicate the need for our Scouts to redouble their efforts to locate white elephants. We have hardly enough in the corrals for a one night stand. Every member is urged to look for a new source of supply during the coming week. The Sale opens Friday, September 29th.

## OFFICIAL NOTICE

The Committee on Elections will present a slate today for your consideration. The election of officers for 1956 will take place at the October 4th meeting.

Confidentially, both Brent and Ed are Thela Chi, Ed being from the San Jose State Chapter, right next door to The Farm.

## WHITE ELEPHANT SALE

The Sale begins this Thursday, September 29th, and it's success depends upon every member doing his level best to make it go. The big problem is still that of finding saleable merchandise.

Kiwanianes will be receiving phone calls for help at the sale and for contributions to the food sale on Saturday, October 1st.

## BOWLING TOURNAMENT
